The bank  
for a changing  
world

BGL BNP Paribas is committed to meeting your specific needs as retailers: this is why our **Royal branch** now offers a dedicated space, accessible 24 hours a day, 7 days a week, with two machines where you can deposit funds and change banknotes with total security and peace of mind.

## HOW DO THESE SERVICES MEET YOUR NEEDS AND WHAT ADVANTAGES DO THEY OFFER?

### **Discreet, confidential and secure transactions:**

Both machines are located in their own dedicated, independent area at the Royal branch.

### **Guaranteed access and use:**

Both machines are available for use 24 hours a day, 7 days a week. This means that you're not constrained by branch opening hours.

### **Simplified administrative tasks and time savings:**

You no longer need to pre-order coins to exchange for notes or use secure money bags for your deposits.

### **Short fund processing times:**

When you make a deposit, your account is guaranteed to be credited the next day.

Use the **change machine service** to swap banknotes for coins or different denominations, and the **deposit service** to pay in funds.

For more information, contact your local branch or the Royal branch at 27, Avenue Monterey, Luxembourg, Monday to Friday from 9.00 am to 4.00 pm.
