Subject as set out below, title to the Bearer Notes, Receipts and Coupons will pass by delivery and title to the Registered Notes will pass upon registration of transfers in the register of holders of the Registered Notes maintained by the Registrar (the "**Register**") in accordance with the provisions of the Agency Agreement. The Issuer, any Paying Agent, any Transfer Agent and the Registrar will (except as otherwise required by law) deem and treat the bearer of any Bearer Note, Receipt or Coupon and the registered holder of any Registered Note as the absolute owner thereof (whether or not overdue and notwithstanding any notice of ownership or writing thereon or notice of any previous loss or theft thereof) for all purposes (subject to the provisions of the Deed of Covenant) but, in the case of any Global Note, without prejudice to the provisions set out below. The provisions relating to the holding of a note register at the registered office of the issuer company contained in article 470-1 of the Law of the Grand Duchy of Luxembourg of 10 August 1915 on commercial companies, as amended (*loi du 10 août 1915 concernant les sociétés commerciales, telle qu'elle a été modifiée*) (the "**Luxembourg Company Law**") shall not apply to the Registered Notes.

A Permanent Global Note will be exchangeable for Definitive Notes either (i) only (a) upon the happening of any of the events defined in Condition 10 as Events of Default or (b) if either Euroclear or Clearstream, Luxembourg, or any other relevant clearing system is closed for business for a continuous period of 14 days (other than by reason of holiday, statutory or otherwise) or announces an intention permanently to cease business or does in fact do so (other than in the case of a merger or consolidation of Euroclear and Clearstream, Luxembourg) and no alternative clearing system is available or (c) the Issuer has or will become subject to adverse tax consequences to which the Issuer would not be subject were the Notes represented by the Permanent Global Note in definitive form (each such event, an "**Exchange Event**") or (ii) if the Issuer so elects, at any time. The Issuer will promptly give notice to Noteholders in accordance with Condition 14 if an Exchange Event occurs. In the

event of the occurrence of an Exchange Event, Euroclear and/or Clearstream, Luxembourg (acting on the instructions of any holder of an interest in such Permanent Global Note) may give notice to the Agent requesting exchange and, in the event of the occurrence of an Exchange Event as described in (c) above, the Issuer may also give notice to the Agent requesting exchange. Any such exchange shall occur not later than 45 days after the date of receipt of the first relevant notice by the Agent. Any physical delivery of Definitive Notes will be made outside Belgium.

A Global Certificate will be exchangeable for Individual Certificates either (i) upon the happening of any of the events defined in Condition 10 as "Events of Default", (ii) if Euroclear or Clearstream, Luxembourg is closed for business for a continuous period of 14 days (other than by reason of legal holidays) or announces an intention permanently to cease business and does in fact do so and no alternative clearing system is available or (iii) if the Issuer so elects (each an "**Exchange Event**"). The Issuer will promptly give notice to Noteholders in accordance with Condition 14 if an Exchange Event occurs. In the event of the occurrence of an Exchange Event, Euroclear and/or Clearstream, Luxembourg (acting on the instructions of any holder of an interest in such Global Certificate) may give notice to the Registrar requesting exchange and, in the event of the occurrence of an Exchange Event as described in (iii) above, the Issuer may also give notice to the Registrar requesting exchange. Any such exchange shall occur not later than five Business Days of the delivery to the Registrar of such information as is required to complete and deliver the relevant Individual Certificates upon presentation of the Global Certificates at the office of the Registrar. Any such exchange will be effected in accordance with the provisions of the Agency Agreement and the regulations concerning the transfer and registration of Notes scheduled thereto and, in particular, shall be effected without charge to any holder, but against such indemnity as the Registrar may require in respect of any tax or other duty of whatsoever nature which may be levied or imposed in connection with such exchange.

In the event that (a) following an Exchange Event a Global Note is not duly exchanged for definitive Notes by the day described above or (b) a Global Note (or any part hereof) has become due and repayable in accordance with the Conditions or the Maturity Date has occurred and, in either case, payment in full of the amount due in respect thereof has not been made to the bearer in accordance with the provisions of the Global Note, then, from 8.00 p.m. (Luxembourg time) on (in the case of (a) above) the relevant day or (in the case of (b) above) such due date, holders of interests in such Global Note credited to their accounts with Euroclear and/or Clearstream, Luxembourg, as the case may be, shall automatically acquire, under the Deed of Covenant, against the Issuer all those rights which such holders would have had if, immediately before the bearer ceased to have rights under the Global Note, they held and beneficially owned duly executed and authenticated Definitive Notes (and any related receipts and coupons) in an aggregate nominal amount equal to the nominal amount of the Notes credited to their accounts with Euroclear and/or Clearstream, Luxembourg.

If:

- (a) following an Exchange Event, Individual Certificates have not been issued and delivered by 8.00 p.m. (Luxembourg time) on the day provided above; or
- (b) any of the Notes evidenced by the Global Certificate has become due and payable in accordance with the Conditions or the date for final redemption of the Notes has occurred and, in either case, payment in full of the amount due in respect thereof has not been made to the holder of the Global Certificate on the due date for payment in accordance with the terms of the Global Certificate,

then, at 8.00 p.m. (Luxembourg time) on such day (in the case of (a) above) or at 8.00 p.m. (Luxembourg time) on such due date (in the case of (b) above) each person shown in the records of Euroclear and/or Clearstream, Luxembourg (or any other relevant clearing system) as having interests in such Global Certificate credited to their account with Euroclear and/or Clearstream Luxembourg, as the case may be, (each a "**Relevant Account Holder**") shall acquire the right under the Deed of Covenant of enforcement against the Issuer, to compel the Issuer to perform its obligations to the holder of the Global Certificate in respect of the Notes represented by the Global Certificate, including the obligation of the Issuer to make all payments when due at any time in respect of such Notes as if such Notes had been duly presented and (where required by the Conditions) surrendered on the due date in accordance with the Conditions ("**Direct Rights**"). The Direct Rights shall be without prejudice to the rights which the holder of the Global Certificate may have under the Global Certificate or otherwise. Payment to the holder of the Global Certificate in respect of any Notes represented by the Global Certificate shall constitute a discharge of the Issuer's obligations under the Notes and the Deed of Covenant to the extent of any such payment.

Upon any exercise of Direct Rights by a Relevant Account Holder in respect of a Global Certificate, such Relevant Account Holder shall, as soon as practicable, give notice of such exercise to the Noteholders in the manner provided for in the Conditions or the Global Certificate for notices to be given by the Issuer to Noteholders.

For so long as any of the Notes is represented by a Global Note or a Global Certificate held by or on behalf of Euroclear and/or Clearstream, Luxembourg, each person (other than Euroclear or Clearstream, Luxembourg) who is for the time being shown in the records of Euroclear or Clearstream, Luxembourg as the holder of a particular nominal amount of such Notes (in which regard any certificate or other document issued by Euroclear or Clearstream, Luxembourg as to the nominal amount of such Notes standing to the account of any person shall be conclusive and binding for all purposes save in the case of manifest error) shall be treated by the Issuer, the Agent, any other Paying Agent, the Registrar and any Transfer Agent as the holder of such nominal amount of Notes for all purposes other than with respect to the payment of principal or interest on such nominal amount of such Notes, for which purpose the bearer of the relevant Global Note or registered holder of the relevant Global Certificate shall be treated by the Issuer, the Agent, any other Paying Agent, the Registrar and any Transfer Agent as the holder of such nominal amount of such Notes in accordance with, and subject to the terms of, the relevant Global Note or Global Certificate and the expressions "**Noteholder**" and "**holder of Notes**" and related expressions shall be construed accordingly.

Interests in a Global Note or a Global Certificate will, so long as the Global Note or Global Certificate is being held by or on behalf of Euroclear and/or Clearstream, Luxembourg, be transferable only in accordance with the rules and procedures for the time being of Euroclear and/or of Clearstream, Luxembourg, as the case may be. References to Euroclear and/or Clearstream, Luxembourg shall, whenever the context so permits, be deemed to include a reference to any additional or alternative clearing system as may be approved by the Issuer, the Agent and, if the Notes are intended to be listed and admitted to trading, recognised by the relevant Stock Exchange.

2. STATUS OF THE NOTES

The Notes and the Receipts and Coupons relating to them constitute (subject to Condition 3) direct, unconditional, unsecured and unsubordinated obligations of the Issuer and shall at all times rank *pari passu* and without any preference among themselves. The payment obligations of the Issuer under the Notes and the Receipts and Coupons relating to them shall, save for such exceptions as may be provided by applicable legislation and subject to Condition 3, at all times rank at least equally with all other unsecured and unsubordinated

indebtedness of the Issuer present and future (other than indebtedness or monetary obligations preferred by mandatory provisions of law).

3. NEGATIVE PLEDGE IN RESPECT OF NOTES

The Issuer undertakes that, so long as any of the Notes, the Receipts or the Coupons relating to them remain outstanding (as defined in the Agency Agreement), it shall not create or have outstanding any mortgage, charge, pledge, lien (other than a lien arising solely by operation of law in the ordinary course of business) or other encumbrance, upon or with respect to, the whole or any part of, its present or future property, assets or revenues to secure repayment of, or to secure any guarantee of or indemnity in respect of, any external indebtedness unless such Notes, Receipts and Coupons are, at the same time, secured equally and rateably therewith, or have the benefit of such other security or other arrangement as shall be approved by an Extraordinary Resolution (as defined in the Agency Agreement) of the Noteholders. In this Condition 3, "**external indebtedness**" means any obligation for the repayment of borrowed money in the form of, or represented by, bonds, notes, debentures or other securities:

- (a) that are payable or may be required to be paid in, or by reference to, any currency other than euro which on issue was offered through an international group of banks or financial institutions as to more than 50 per cent. in issue amount outside Belgium and Luxembourg; and
- (b) that are, or are capable of being, quoted, listed or ordinarily traded on any stock exchange, automated trading system, over-the-counter or other securities market.

4. REDENOMINATION

4.1 Redenomination

Where redenomination is specified in the applicable Final Terms, the Issuer may, without the consent of the Noteholders, the Receiptholders and the Couponholders, on giving prior notice to the Agent, Euroclear and Clearstream, Luxembourg and at least 30 days' prior notice to the Noteholders in accordance with Condition 14, elect that, with effect from the Redenomination Date specified in the notice, the Notes shall be redenominated in euro.

The election will have effect as follows:

- (a) the Notes and the Receipts shall be deemed to be redenominated into euro in the denomination of euro 0.01 with a nominal amount for each Note and Receipt equal to the nominal amount of that Note or Receipt in the Specified Currency, converted into euro at the Established Rate, provided that, if the Issuer determines, with the agreement of the Agent, that the then market practice in respect of the redenomination into euro of internationally offered securities is different from the provisions specified above, such provisions shall be deemed to be amended so as to comply with such market practice and the Issuer shall promptly notify the Noteholders, the stock exchange (if any) on which the Notes may be listed and admitted to trading and the Paying Agents of such deemed amendments;
- (b) save to the extent that an Exchange Notice has been given in accordance with paragraph (d) below, the amount of interest due in respect of the Notes will be calculated by reference to the aggregate nominal amount of Notes presented (or, as the case may be, in respect of which Coupons are presented) for payment by the relevant holder and the amount of such payment shall be rounded down to the nearest euro 0.01;

- (c) if Definitive Notes are required to be issued after the Redenomination Date, they shall be issued at the expense of the Issuer in the denominations of euro 1,000, euro 10,000, euro 100,000 and (but only to the extent of any remaining amounts less than euro 1,000 or such smaller denominations as the Agent may approve) euro 0.01 and such other denominations as the Agent shall determine and notify to the Noteholders;
- (d) if issued prior to the Redenomination Date, all unmatured Coupons denominated in the Specified Currency (whether or not attached to the Notes) will become void with effect from the date on which the Issuer gives notice (the "**Exchange Notice**") that replacement euro-denominated Notes, Receipts and Coupons are available for exchange (provided that such securities are so available) and no payments will be made in respect of them. The payment obligations contained in any Notes and Receipts so issued will also become void on that date although those Notes and Receipts will continue to constitute valid exchange obligations of the Issuer. New euro-denominated Notes, Receipts and Coupons will be issued in exchange for Notes, Receipts and Coupons denominated in the Specified Currency in such manner as the Agent may specify and as shall be notified to the Noteholders in the Exchange Notice. No Exchange Notice may be given less than 15 days prior to any date for payment of principal or interest on the Notes;
- (e) after the Redenomination Date, all payments in respect of the Notes, the Receipts and the Coupons, other than payments of interest in respect of periods commencing before the Redenomination Date, will be made solely in euro as though references in the Notes to the Specified Currency were to euro. Payments will be made in euro by credit or transfer to a euro account (or any other account to which euro may be credited or transferred) specified by the payee or, at the option of the payee, by a euro cheque;
- (f) if the Notes are Fixed Rate Notes and interest for any period ending on or after the Redenomination Date is required to be calculated for a period ending other than on an Interest Payment Date, it will be calculated by applying the Rate of Interest to the Calculation Amount, multiplying such sum by the applicable Day Count Fraction, and rounding the resultant figure to the nearest sub-unit of the relevant Specified Currency, (half of any such sub-unit being rounded upwards or otherwise in accordance with applicable market convention) and multiplying such rounded figure by a fraction equal to the Specified Denomination of such Note divided by the Calculation Amount; and
- (g) such other changes shall be made to the Conditions as the Issuer may decide, after consultation with the Agent and as may be specified in the notice or (in respect of Exempt Notes) set out in the applicable Pricing Supplement, to conform them to conventions then applicable to instruments denominated in euro.

The resultant figure shall be rounded to the nearest sub-unit of the relevant Specified Currency, (half of any such sub-unit being rounded upwards or otherwise in accordance with applicable market

convention) and multiplying such rounded figure by a fraction equal to the Specified Denomination of such Note divided by the Calculation Amount.

In these Conditions:

In the case of Foreign Exchange (FX) Rate-Linked Interest Notes, the applicable Final Terms will set out, among other things, the relevant Base Currency, any Subject Currencies, any applicable Weighting, provisions relating in determination of the Rate of Interest, the Calculation Amount, relevant Interest Payment Dates, the Day Count Fraction and the Business Day Convention.

In the case of Underlying Interest Rate-Linked Interest Notes, the applicable Final Terms will set out, among other things, the Underlying Interest Determination Dates, whether ISDA Determination or Screen Rate Determination applies to the determination of the underlying interest rate and, (a) where ISDA Determination applies the applicable Floating Rate Option, Designated Maturity and Reset Date or (b) where Screen Rate Determination applies, the Underlying Reference Rate, the Specified Time (Underlying) and the Relevant Screen Page and, in either case, provisions relating in determination of the Rate of Interest, the Calculation Amount, relevant Interest Payment Dates, the Day Count Fraction and the Business Day Convention.

In the case of Equity Index-Linked Interest Notes, the applicable Final Terms will set out, among other things, the relevant Index, Index Currency, Screen Page, Exchange(s) and Index Sponsor, any applicable Weighting, provisions relating to determination of the Rate of Interest, the Calculation Amount, relevant Interest Payment Dates, the Day Count Fraction and the Business Day Convention.

Variable Interest Rate Notes will be issued as Exempt Notes only, the terms of which will be specified in the applicable Pricing Supplement.

(a) Interest Payment Dates

Each Floating Rate Note, Inflation Index-Linked Interest Note, Foreign Exchange (FX) Rate-Linked Interest Note, Underlying Interest Rate-Linked Interest Note, Equity Index-Linked Interest Note and in the case of Exempt Notes only, Variable Interest Rate Note bears interest on its outstanding nominal amount (or, in the case of Exempt Notes only, if it is a Partly Paid Note, the amount paid up) from (and including) the Interest Commencement Date and such interest will be payable in arrear on either:

- (i) the Specified Interest Payment Date(s) (each an "**Interest Payment Date**") in each year as specified in the applicable Final Terms; or
- (ii) if no Specified Interest Payment Date(s) is/are specified in the applicable Final Terms, each date (each such date, together with each Specified Interest Payment Date, an "**Interest Payment Date**") which falls the number of months or other period specified as the Specified Period in the applicable Final Terms after the preceding Interest Payment Date or, in the case of the first Interest Payment Date, after the Interest Commencement Date.

Such interest will be payable in respect of each interest period (an "**Interest Period**", which expression shall, in these Terms and Conditions, mean the period from (and including) an Interest Payment Date (or the Interest Commencement Date) to (but excluding) the next (or first) Interest Payment Date) or the relevant payment date if the Notes become payable on a date other than an Interest Payment Date.

(b) Rate of Interest

The Rate of Interest or Rate payable from time to time in respect of Floating Rate Notes, Inflation Index-Linked Interest Notes, Foreign Exchange (FX) Rate-Linked Interest Notes, Underlying Interest Rate-Linked Interest Notes, Equity Index-Linked Interest Notes and, in the case of Exempt Notes only, Variable Interest Rate Notes, will be determined in the manner specified in the applicable Final Terms.

(i) *ISDA Determination for Floating Rate Notes*

If the Interest Rate or Rate is specified as being Floating Rate and ISDA Determination is specified in the applicable Final Terms as the manner in which the Rate of Interest or Rate is to be determined, the Rate of Interest or Rate, as the case may be, for each Interest Period will be the relevant ISDA Rate plus or minus (as indicated in the applicable Final Terms) the Margin (if any) specified in the applicable Final Terms. For the purposes of this Condition 5.2(b)(i), "**ISDA Rate**" for an Interest Period means a rate equal to the Floating Rate that would be determined by the Agent or the Calculation Agent, as applicable, under an interest rate swap transaction if the Agent or the Calculation Agent, as applicable, were acting as Calculation Agent (as defined in the ISDA Definitions) for that swap transaction under the terms of an agreement incorporating the 2006 ISDA Definitions (as amended and updated as at the Issue Date of the first Tranche of the Notes of the relevant Series) as published by the International Swaps and Derivatives Association, Inc. (the "**ISDA Definitions**") and under which:

- (A) the Floating Rate Option is as specified in the applicable Final Terms;
- (B) the Designated Maturity is a period specified in the applicable Final Terms; and
- (C) the relevant Reset Date is, as specified in the applicable Final Terms.

For the purposes of this Condition 5.2(b)(i), "**Floating Rate**" for a swap transaction, "**Floating Rate Option**", "**Designated Maturity**" and "**Reset Date**" have the meanings given to those terms in the ISDA Definitions.

(ii) *Screen Rate Determination for Floating Rate Notes*

(A) LIBOR and EURIBOR

- I. If the Interest Rate or Rate is specified as being Floating Rate and Screen Rate Determination is specified as "Applicable: IBOR" in the applicable Final Terms as the manner in which the Rate of Interest or Rate is to be determined, the Rate of Interest or Rate, as the case may be, for each Interest Period will, subject as provided below, be either:

- 1. the offered quotation; or
- 2. the arithmetic mean (rounded if necessary to the fifth decimal place, with 0.000005 being rounded upwards) of the offered quotations,

(expressed as a percentage rate per annum) for the Reference Rate (being either the London interbank offered rate ("**LIBOR**") or the Euro-zone interbank offered rate ("**EURIBOR**"), as specified in the applicable Final Terms) which appears or appear, as the case may be, on the Relevant Screen Page (or such replacement page on that service which displays the information) as at the Specified Time indicated in the applicable Final Terms (which will be 11.00 a.m., London time, in the case of LIBOR, or Brussels time, in the case of EURIBOR) (or, in the case of any other Reference Rate, the time specified in the applicable Pricing Supplement) (the "**Screen Page**")

Reference Rate") on the relevant Interest Determination Date, plus or minus (as indicated in the applicable Final Terms) the Margin (if any), all as determined by the Agent or the Calculation Agent, as applicable. If five or more of such offered quotations are available on the Relevant Screen Page, the highest (or, if there is more than one such highest quotation, one only of such quotations) and the lowest (or, if there is more than one such lowest quotation, one only of such quotations) shall be disregarded by the Agent or the Calculation Agent, as applicable, for the purpose of determining the arithmetic mean (rounded as provided above) of such offered quotations.

- II. If the Relevant Screen Page is not available or if in the case of sub-Condition 5.2(b)(ii)(A)I.1 above, no such offered quotation appears or, in the case of sub-Condition 5.2(b)(ii)(A)I.2 above, fewer than three such offered quotations appear, in each case as at the Specified Time, except as provided in sub-Condition 5.2(b)(ii)(A)III below the Agent or the Calculation Agent, as applicable (with the assistance of the Issuer, if required), shall request each of the Reference Banks to provide the Agent or the Calculation Agent, as applicable, with its offered quotation (expressed as a percentage rate per annum) for the Reference Rate at the Specified Time on the Interest Determination Date in question. If two or more of the Reference Banks provide the Agent or the Calculation Agent, as applicable, with such offered quotations, the Rate of Interest or Rate, as the case may be, for such Interest Period shall be the arithmetic mean (rounded if necessary to the fifth decimal place with 0.000005 being rounded upwards) of such offered quotations, eliminating the highest quotation (or, in the event that two or more quotations are identical, one of the highest) and the lowest (or, in the event that two or more quotations are identical, one of the lowest), plus or minus (as applicable) the Margin (if any), all as determined by the Agent or the Calculation Agent, as applicable.

If on any Interest Determination Date one only or none of the Reference Banks provides the Agent or the Calculation Agent, as applicable, with such offered quotations as provided in the preceding paragraph, the Rate of Interest or Rate for the relevant Interest Period shall be the rate per annum which the Agent or the Calculation Agent, as applicable, determines as being the arithmetic mean (rounded if necessary to the fifth decimal place, with 0.000005 being rounded upwards) of the rates, as communicated to the Agent or the Calculation Agent, as applicable, by the Reference Banks or any two or more of them, at which such banks were offered, at the Specified Time on the relevant Interest Determination Date, deposits in the Specified Currency for a period equal to that which would have been used for the Reference Rate by leading banks in the London interbank market (if the Reference Rate is LIBOR) or the Euro-zone interbank market (if the Reference Rate is EURIBOR) or the interbank market of the Relevant Financial Centre (if any other Reference Rate is used (in the case of Exempt Notes only)) plus or minus (as applicable) the Margin (if any), as determined by the Agent or the Calculation Agent, as applicable. If fewer than two of the Reference Banks provide the

Agent or the Calculation Agent, as applicable, with such offered rates, the Rate of Interest or Rate, as the case may be, for the relevant Interest Period shall be the offered rate for deposits in the Specified Currency for a period equal to that which would have been used for the Reference Rate, or the arithmetic mean (rounded as provided above) of the offered rates for deposits in the Specified Currency for a period equal to that which would have been used for the Reference Rate, at which, at the Specified Time on the relevant Interest Determination Date, any one or more banks (which bank or banks is or are in the opinion of the Issuer suitable for such purpose) informs the Agent or the Calculation Agent, as applicable, it is quoting to leading banks in the London interbank market (if the Reference Rate is LIBOR) or the Euro-zone interbank market (if the Reference Rate is EURIBOR) or the interbank market of the Relevant Financial Centre (if any other Reference Rate is used (in the case of Exempt Notes only)) plus or minus (as applicable) the Margin (if any), as determined by the Agent or the Calculation Agent, as applicable.

If the Rate of Interest or Rate, as the case may be, cannot be determined in accordance with the foregoing provisions of this paragraph, the Rate of Interest or Rate, as the case may be, shall be equal to the last Reference Rate on the Relevant Screen Page plus or minus (as applicable) the Margin (if any), as determined by the Agent or the Calculation Agent, as applicable, except that if the Issuer, the Agent or the Calculation Agent, as applicable, determines that the absence of the quotation is due to the discontinuation of the Screen Page Reference Rate or the occurrence of a Reference Rate Fallback Event, then the Reference Rate will be determined in accordance with paragraph III below.

- III. If (i) the Issuer (where the Rate of Interest or Rate is to be determined by the Agent), or (ii) otherwise, the Calculation Agent, as applicable determines at any time prior to any Interest Determination Date, that the Screen Page Reference Rate has been discontinued or a Reference Rate Fallback Event has occurred, the Agent or the Calculation Agent, as applicable, will use, as a substitute for the Screen Page Reference Rate, an alternative reference rate determined by the Issuer or the Calculation Agent, as applicable, to be the alternative reference rate selected by the central bank, reserve bank, monetary authority or any similar institution (including any committee or working group thereof) in the jurisdiction or region of the Specified Currency (each a "**Relevant Nominating Body**") that is consistent with industry accepted standards, provided that, if two or more alternative reference rates are selected by any Relevant Nominating Body, the Issuer or the Calculation Agent, as applicable, shall determine which of those alternative reference rates is most appropriate to preserve the economic features of the relevant Notes. If the Issuer or the Calculation Agent, as applicable, is unable to determine such an alternative reference rate (and in the case of the Calculation Agent, has notified the Issuer thereof), the Issuer or the Calculation Agent, as applicable, will as soon as reasonably practicable (and in any event before the Business Day prior to the applicable Interest

Determination Date) appoint an agent (the "**Reference Rate Determination Agent**"), which will determine whether a substitute or successor rate, which is substantially comparable to the Screen Page Reference Rate, is available for the purpose of determining the Reference Rate on each Interest Determination Date falling on or after the date of such determination. If the Reference Rate Determination Agent determines that there is an industry accepted successor rate, the Reference Rate Determination Agent will notify the Issuer and, if applicable, the Calculation Agent of such successor rate to be used by the Agent or the Calculation Agent, as applicable, to determine the Rate of Interest.

If the Reference Rate Determination Agent, the Issuer or the Calculation Agent, as applicable, has determined a substitute or successor rate in accordance with the foregoing paragraph (such rate, the "**Replacement Reference Rate**"), for the purpose of determining the Reference Rate on each Interest Determination Date falling on or after such determination:

1. the Reference Rate Determination Agent, the Issuer or the Calculation Agent, as applicable, will also determine the changes (if any) required to the applicable Business Day Convention, the definition of Business Day, the Interest Determination Date, the Day Count Fraction, and any method for obtaining the Replacement Reference Rate, including any adjustment needed to make such Replacement Reference Rate comparable to the Screen Page Reference Rate, including where applicable, to reflect any increased costs of the Issuer providing such exposure to the Replacement Reference Rate, in each case acting in good faith and in a commercially reasonable manner that is consistent with industry-accepted practices for such Replacement Reference Rate;
2. references to the Reference Rate in these Conditions will be deemed to be references to the relevant Replacement Reference Rate, including any alternative method for determining such rate as described in 1 above;
3. the Reference Rate Determination Agent or the Calculation Agent, where relevant, will notify the Issuer of the Replacement Reference Rate, and the details described in 1 above, as soon as reasonably practicable; and
4. the Issuer will give notice to the Noteholders in accordance with Condition 14, the Agent and, where relevant, the Calculation Agent of the Replacement Reference Rate, and the details described in 1 above as soon as reasonably practicable, but in any event no later than 5:00 p.m. (London time) on the Business Day prior to the applicable Interest Determination Date.

The determination of the Replacement Reference Rate and the other matters referred to above by the Reference Rate Determination Agent, the Issuer or the Calculation Agent, as applicable, will (in

the absence of manifest error) be final and binding on the Issuer, the Agent, the Calculation Agent and the Noteholders, unless the Issuer, the Calculation Agent or the Reference Rate Determination Agent determines at a later date that the Replacement Reference Rate is no longer substantially comparable to the Reference Rate or does not constitute an industry accepted successor rate, in which case the Issuer or the Calculation Agent, as applicable, shall appoint or re-appoint a Reference Rate Determination Agent, as the case may be (which may or may not be the same entity as the original Reference Rate Determination Agent or the Calculation Agent) for the purpose of confirming the Replacement Reference Rate or determining a substitute Replacement Reference Rate in an identical manner as described in this paragraph III. If the Replacement Reference Rate Determination Agent, the Issuer or the Calculation Agent, as applicable, is unable to or otherwise does not determine a substitute Replacement Reference Rate, then the Replacement Reference Rate will remain unchanged.

The Reference Rate Determination Agent may be (i) a leading bank, broker-dealer or benchmark agent in the principal financial centre of the Settlement Currency as appointed by the Issuer or the Calculation Agent, as applicable, (ii) the Issuer, (iii) an affiliate of the Issuer or the Calculation Agent, or (iv) such other entity that the Issuer in its sole and absolute discretion determines to be competent to carry out such role.

If the relevant Reference Rate Fallback Event may also constitute an Administrator/Benchmark Event in the determination of the Calculation Agent pursuant to Condition 7.12, the provisions of this Condition 5.2(b)(ii)(A)III will apply.

For the purposes these Conditions, "**Reference Rate Fallback Event**" means, in relation to any Screen Page Reference Rate the occurrence of any of the following, as determined by the Calculation Agent:

- (i) the Screen Page Reference Rate ceasing to exist or ceasing to be published for a period of at least six (6) consecutive Business Days or having been permanently or indefinitely discontinued;
- (ii) the making of a public statement or publication of information (provided that, at the time of any such event, there is no successor administrator that will provide the Screen Page Reference Rate) by or on behalf of (i) the administrator of the Screen Page Reference Rate, or (ii) the supervisor, insolvency official, resolution authority, central bank or competent court having jurisdiction over such administrator stating that (x) the administrator has ceased or will cease permanently or indefinitely to provide the Screen Page Reference Rate, (y) the Screen Page Reference Rate, has been or will be permanently or indefinitely discontinued, or (z) the Screen Page Reference Rate, has been or will be prohibited from being used or that its use has been or will be subject to restrictions or adverse

consequences, either generally, or in respect of the Notes, provided that, if such public statement or publication mentions that the event or circumstance referred to in (x), (y) or (z) above will occur on a date falling later than three (3) months after the relevant public statement or publication, the Reference Rate Fallback Event shall be deemed to occur on the date falling three (3) months prior to such specified date (and not the date of the relevant public statement);

- (iii) it has or will prior to the next Interest Determination Date (as applicable), become unlawful for the Agent, the Calculation Agent or any other party responsible for determining the Screen Page Reference Rate, to calculate any payments due to be made to any Noteholder using the Screen Page Reference Rate (including, without limitation, under BMR, if applicable); or
- (iv) the making of a public statement or publication of information that any authorisation, registration, recognition, endorsement, equivalence decision, approval or inclusion in any official register in respect of the Screen Page Reference Rate or the administrator of the Screen Page Reference Rate has not been, or will not be, obtained or has been, or will be, rejected, refused, suspended or withdrawn by the relevant competent authority or other relevant official body, in each case with the effect that the use of the Screen Page Reference Rate, is not or will not be permitted under any applicable law or regulation, such that the Agent or the Calculation Agent or any other party responsible for determining the Screen Page Reference Rate, is unable to perform its obligations in respect of the Notes.

A change in the methodology of the Screen Page Reference Rate, shall not, absent the occurrence of one of the above, be deemed a Reference Rate Fallback Event.

(B) SONIA

If the Interest Rate or Rate is specified as being Floating Rate and Screen Rate Determination is specified as "Applicable: SONIA" in the applicable Final Terms as the manner in which a Rate of Interest or Rate is to be determined, such Rate of Interest or Rate, as the case may be, for each Interest Period will be calculated in accordance with Condition 5.2(b)(ii)(B)I or 5.2(b)(ii)(B)II below, subject to the provisions of Condition 5.2(b)(ii)(B)IV.

- I. Where the Calculation Method is specified in the applicable Final Terms as being "Compounded Daily", the Rate of Interest or Rate, as the case may be, for each Interest Period will be the Compounded Daily SONIA plus or minus (as indicated in the applicable Final Terms) the Margin (if any), all as determined by the Agent or the Calculation Agent, as applicable.

- II. Where the Calculation Method is specified in the applicable Final Terms as being "Weighted Average", the Rate of Interest or Rate, as the case may be, for each Interest Period will be the Weighted Average SONIA plus or minus (as indicated in the applicable Final Terms) the Margin (if any), all as determined by the Agent or the Calculation Agent, as applicable, on the Interest Determination Date and the resulting percentage being rounded (if necessary) to the fifth decimal place, with 0.000005 being rounded upwards.
- III. The following definitions shall apply for the purpose of this Condition 5.2(b)(ii)(B):

"Compounded Daily SONIA" means, with respect to an Interest Period, the rate of return of a daily compound interest investment in Sterling (with the daily Sterling overnight reference rate as the reference rate for the calculation of interest) calculated by the Agent or the Calculation Agent, as applicable, on the Interest Determination Date in accordance with the following formula:

$$\left[\prod_{i=1}^{d_o} \left(1 + \frac{\text{SONIA}_{i-\text{PLBD}} \times n_i}{365} \right) - 1 \right] \times \frac{365}{d}$$

where the resulting percentage will be rounded (if necessary) to the fifth decimal place, with 0.000005 being rounded upwards.

"d" means, in respect of an Interest Period, the number of calendar days in such Interest Period;

"d_o" means, in respect of an Interest Period, the number of London Business Days in the relevant Interest Period;

"i" means a series of whole numbers from one to d_o, each representing the relevant London Business Days in chronological order from (and including) the first London Business Day in the relevant Interest Period;

"Lock-out Period" means, in respect of an Interest Period, the period from (and including) the day following the Interest Determination Date to (but excluding) the Interest Period End Date falling at the end of such Interest Period;

"London Business Day" means a day on which commercial banks and foreign exchange markets settle payments and are open for general business (including dealing in foreign exchange and foreign currency deposits) in London;

"Lookback Period" or **"p"** means, in respect of an Interest Period where "Lag" is specified as the Observation Method in the applicable Final Terms, the number of London Business Days specified in the applicable Final Terms (or, if no such number is specified, five London Business Days);

" **n_i** " means, in respect of a London Business Day i , the number of calendar days from (and including) such London Business Day i up to (but excluding) the following London Business Day;

"**Observation Lookback Period**" means, in respect of an Interest Period, the period from (and including) the date falling p London Business Days prior to the first day of the relevant Interest Period and ending on (but excluding) the date which is p London Business Days prior to the Interest Period End Date falling at the end of such Interest Period;

"**Reference Day**" means each London Business Day in the relevant Interest Period that is not a London Business Day falling in the Lock-out Period;

"**SONIA i** " means:

- (i) if "Lag" is specified as the Observation Method in the applicable Final Terms, the SONIA Rate in respect of p LBD in respect of the relevant London Business Day i ; or
- (ii) if "Lock-out" is specified as the Observation Method in the applicable Final Terms:
 - (A) in respect of any London Business Day i that is a Reference Day, the SONIA Rate in respect of the London Business Day immediately preceding such Reference Day; otherwise
 - (B) the SONIA Rate in respect of the London Business Day immediately preceding the Interest Determination Date for the relevant Interest Period;

"**SONIA _{$i-p$ LBD}**" means:

- (i) if "Lag" is specified as the Observation Method in the applicable Final Terms, in respect of a London Business Day i , SONIA i in respect of the London Business Day falling p London Business Days prior to such London Business Day i (" **p LBD**"); or
- (ii) if "Lock-out" is specified as the Observation Method in the applicable Final Terms, in respect of a London Business Day i , SONIA i in respect of such London Business Day i .

"**SONIA Rate**" means, in respect of any London Business Day, a reference rate equal to the daily Sterling Overnight Index Average rate for such London Business Day, as provided by the administrator of SONIA to authorised distributors and as then published on the Relevant Screen Page (or, if the Relevant Screen Page is unavailable, as otherwise published by such authorised distributors) on the London Business Day immediately following such London Business Day; and

"**Weighted Average SONIA**" means:

- (i) where "Lag" is specified as the Observation Method in the applicable Final Terms, the sum of the SONIA Rate in respect of each calendar day during the relevant Observation Lookback Period divided by the number of calendar days during such Observation Lookback Period. For these purposes, the SONIA Rate in respect of any calendar day which is not a London Business Day shall be deemed to be the SONIA Rate in respect of the London Business Day immediately preceding such calendar day; or
- (ii) where "Lock-out" is specified as the Observation Method in the applicable Final Terms, the sum of the SONIA Rate in respect of each calendar day during the relevant Interest Period divided by the number of calendar days in the relevant Interest Period, provided that, for any calendar day of such Interest Period falling in the Lock-out Period for the relevant Interest Period, the SONIA Rate for such calendar day will be deemed to be the SONIA Rate in respect of the London Business Day immediately preceding the first day of such Lock-out Period. For these purposes, the SONIA Rate in respect of any calendar day which is not a London Business Day shall, subject to the preceding proviso, be deemed to be the SONIA Rate in respect of the London Business Day immediately preceding such calendar day.

IV. If, in respect of any London Business Day, the SONIA Rate is not available on the Relevant Screen Page (and has not otherwise been published by the relevant authorised distributors), such SONIA Rate shall be:

- 1. the Bank of England's Bank Rate (the "**Bank Rate**") prevailing at the close of business on the relevant London Business Day; plus (ii) the arithmetic mean of the spread of SONIA to the Bank Rate over the previous five days in respect of which SONIA has been published, excluding the highest spread (or, if there is more than one highest spread, one only of those highest spreads) and lowest spread (or, if there is more than one lowest spread, one only of those lowest spreads); or
- 2. if such Bank Rate is not available, the SONIA Rate published on the Relevant Screen Page (or otherwise published by the relevant authorised distributors) for the immediately preceding London Business Day on which the SONIA Rate was published on the Relevant Screen Page (or otherwise published by the relevant authorised distributors), and

such rate shall be deemed to be the SONIA Rate for such London Business Day.

Notwithstanding the foregoing, in the event of the Bank of England publishing guidance as to (i) how the SONIA Rate is to be determined or (ii) any rate that is to replace the SONIA Rate, the Agent or the Calculation Agent, as applicable, shall follow such

guidance to determine the SONIA Rate for so long as the SONIA Rate is not available or has not been published by the authorised distributors.

In the event that the Rate of Interest cannot be determined in accordance with the foregoing provisions in respect of an Interest Period, the Rate of Interest shall be (i) that determined as at the immediately preceding Interest Determination Date (though substituting, where a different Margin, Maximum Rate of Interest and/or Minimum Rate of Interest is to be applied to the relevant Interest Period from that which applied to the immediately preceding Interest Period, the Margin, Maximum Rate of Interest and/or Minimum Rate of Interest relating to the relevant Interest Period, in place of the Margin, Maximum Rate of Interest and/or Minimum Rate of Interest relation to the immediately preceding Interest Period); or (ii) if there is no such preceding Interest Determination Date, the initial Rate of Interest which would have applicable to such Series of Notes for the first Interest Period had the Notes been in issue for a period equal in duration to the scheduled first Interest Period but ending on (and excluding) the Interest Commencement Date (subject to the application of the relevant Margin or Maximum Rate of Interest or Minimum Rate of Interest in respect of such Interest Period).

In the case of Exempt Notes only, if the Reference Rate from time to time in respect of Floating Rate Notes is specified in the applicable Pricing Supplement as being other than LIBOR, EURIBOR or SONIA, the Rate of Interest or Rate in respect of such Notes will be determined as provided in the applicable Pricing Supplement.

(c) *Minimum and/or Maximum Interest Rate*

If the applicable Final Terms specifies a Minimum Interest Rate for any Interest Period, then, in the event that the Rate of Interest or Rate in respect of such Interest Period determined in accordance with the provisions of paragraph (b) above is less than such Minimum Interest Rate, the Rate of Interest or Rate, as the case may be, for such Interest Period shall be such Minimum Interest Rate.

Unless otherwise specified in the applicable Final Terms, the Minimum Interest Rate shall be deemed to be zero.

If the applicable Final Terms specifies a Maximum Interest Rate for any Interest Period, then, in the event that the Rate of Interest or Rate in respect of such Interest Period determined in accordance with the provisions of paragraph (b) above is greater than such Maximum Interest Rate, the Rate of Interest or Rate, as the case may be, for such Interest Period shall be such Maximum Interest Rate.

(d) *Determination of Rate of Interest, Rate and Calculation of Interest Amounts*

The Agent or the Calculation Agent, as applicable, in the case of Floating Rate Notes, or the Calculation Agent, in the case of Inflation Index-Linked Interest Notes, Foreign Exchange (FX) Rate-Linked Interest Notes, Underlying Interest Rate-Linked Interest Notes, Equity Index-Linked Interest Notes and/or, in the case of Exempt Notes only, Variable Interest Rate Notes, or any other party responsible for calculating the Rate(s) of Interest and Interest Amount(s) will at, or as soon as practicable after, each time at which the Rate of Interest and/or Rate is to be determined, determine the Rate of Interest and/or Rate, as the case may

be, for the relevant Interest Period. In the case of Inflation Index-Linked Interest Notes, Foreign Exchange (FX) Rate-Linked Interest Notes, Underlying Interest Rate-Linked Interest Notes, Equity Index-Linked Interest Notes and/or, in the case of Exempt Notes only, Variable Interest Rate Notes, the Calculation Agent will notify the Agent of the Rate of Interest for the relevant Interest Period as soon as practicable after calculating the same.

The Agent or the Calculation Agent, as applicable, will calculate the amount of interest (the "**Interest Amount**") payable on the Floating Rate Notes, Inflation Index-Linked Interest Notes, Foreign Exchange (FX) Rate-Linked Interest Notes, Underlying Interest Rate-Linked Interest Notes, Equity Index-Linked Interest Notes and/or, in the case of Exempt Notes only, Variable Interest Rate Notes in respect of each Specified Denomination for the relevant Interest Period. Each such Interest Amount shall be calculated by applying the Rate of Interest to the Calculation Amount, multiplying such sum by the applicable Day Count Fraction and rounding the resultant figure to the nearest sub-unit of the relevant Specified Currency (half of any such sub-unit being rounded upwards or otherwise in accordance with applicable market convention) and multiplying such rounded figure by a fraction equal to the Specified Denomination of such Note divided by the Calculation Amount.

"Day Count Fraction" means, in respect of the calculation of an amount of interest on any Note for any period of time (the "**Calculation Period**"), such day count fraction as may be specified in these Conditions or the applicable Final Terms:

- (i) if "**Actual/Actual (ICMA)**" is so specified:
 - (A) where the Calculation Period is equal to or shorter than the Regular Period during which it falls, the actual number of days in the Calculation Period divided by the product of (1) the actual number of days in such Regular Period and (2) the number of Regular Periods in any year; and
 - (B) where the Calculation Period is longer than one Regular Period, the sum of:
 - (1) the actual number of days in such Calculation Period falling in the Regular Period in which it begins divided by the product of (a) the actual number of days in such Regular Period and (b) the number of Regular Periods in any year; and
 - (2) the actually number of days in such Calculation Period falling in the next Regular Period divided by the product of (a) the actual number of days in such Regular Period and (b) the number of Regular Periods in any year;

where:

"Regular Period" means:

- (A) in the case of Notes where interest is scheduled to be paid only by means of regular payments, each period from and including the Interest Commencement Date to but excluding the first Interest Payment Date and each successive period from and including one Interest Payment Date to but excluding the next Interest Payment Date;
- (B) in the case of Notes where, apart from the first Interest Period, interest is scheduled to be paid only by means of regular payments, each period from and including a Regular Date falling in any year to but excluding the next

Regular Date, where "Regular Date" means the day and month (but not the year) on which any Interest Payment Date falls; and

- (C) in the case of Notes where, apart from one Interest Period other than the first Interest Period, interest is scheduled to be paid only by means of regular payments, each period from and including a Regular Date falling in any year to but excluding the next Regular Date, where "Regular Date" means the day and month (but not the year) on which any Interest Payment Date falls other than the Interest Payment Date falling at the end of the irregular Interest Period;
- (ii) if "**Actual/Actual**" is so specified, the actual number of days in the Calculation Period divided by 365 (or, if any portion of the Calculation Period falls in a leap year, the sum of (A) the actual number of days in that portion of the Calculation Period falling in a leap year divided by 366 and (B) the actual number of days in that portion of the Calculation Period falling in a non-leap year divided by 365);
- (iii) if "**Actual/365 (Fixed)**" is so specified, the actual number of days in the Calculation Period divided by 365;
- (iv) if "**Actual/360**" is so specified, the actual number of days in the Calculation Period divided by 360;
- (v) if "**30/360**", "**360/360**" or "**Bond Basis**" is so specified, the number of days in the Calculation Period divided by 360, calculated on a formula basis as follows:

$$\text{Day Count Fraction} = \frac{[360 \times (Y_2 - Y_1)] + [30 \times (M_2 - M_1)] + (D_2 - D_1)}{360}$$

where:

"**Y₁**" is the year, expressed as a number, in which the first day of the Calculation Period falls;

"**Y₂**" is the year, expressed as a number, in which the day immediately following the last day included in the Calculation Period falls;

"**M₁**" is the calendar month, expressed as a number, in which the first day of the Calculation Period falls;

"**M₂**" is the calendar month, expressed as a number, in which the day immediately following the last day included in the Calculation Period falls;

"**D₁**" is the first calendar day, expressed as a number, of the Calculation Period, unless such number would be 31, in which case D₁ will be 30; and

The Agent or the Calculation Agent, as applicable and/or the party responsible for calculating the Rate(s) of Interest and Interest Amount(s) will cause the Rate of Interest and each Interest Amount (except that if the Calculation Amount is less than the minimum Specified Denomination, the Agent and/or the party responsible for calculating the Interest Amount(s) shall not be obliged to publish each Interest Amount but instead may publish only the Calculation Amount and the Interest Amount in respect of a Note having the minimum Specified Denomination) for each Interest Period and the relevant Interest Payment Date to be notified to the Issuer and any relevant stock exchange and/or quotation system on which the Notes are admitted to listing, trading and/or quotation and notice thereof to be published in accordance with Condition 14 as soon as possible after their determination but in no event later than the fourth Luxembourg Business Day (where the expression "**Luxembourg Business Day**" means a day (other than a Saturday or a Sunday) on which banks and foreign exchange markets are open for business and settle payments in Luxembourg) after such determination. To the extent required by the rules of any stock exchange on which the relevant Floating Rate Notes or Inflation Index-Linked Interest Notes, Foreign Exchange (FX) Rate-Linked Interest Notes and/or Underlying Interest Rate-Linked Interest Notes and/or Equity Index-Linked Interest Notes are for the time being listed and admitted to trading, the Issuer will also make available to Noteholders on request the Rate of Interest, Rate, Interest Amount, Interest Period and Interest Payment Date relating to each Interest Period. Each Interest Amount and Interest Payment Date so notified may subsequently be amended (or appropriate alternative arrangements made by way of adjustment) without prior notice in the event of an extension or shortening of the Interest Period. Any such amendment will, to the extent required by the rules of the relevant stock exchanges, be promptly notified to each stock exchange on which the relevant Floating Rate Notes or Inflation Index-Linked Interest Notes, Foreign Exchange (FX) Rate-Linked Interest Notes and/or Underlying Interest Rate-Linked Interest Notes and/or Equity Index-Linked Interest Notes are for the time being listed and admitted to trading and to the Noteholders in accordance with Condition 14.

(f) *Certificates to be Final*

All certificates, communications, opinions, determinations, calculations, quotations and decisions given, expressed, made or obtained for the purposes of the provisions of this Condition 5.2, whether by the Agent or, if applicable, the Calculation Agent, shall (in the absence of wilful default, bad faith or manifest error) be binding on the Issuer, the Agent, the Calculation Agent (if applicable), the other Paying Agent, the Registrar and all Noteholders, Receiptholders and Couponholders and (in the absence as aforesaid) no liability to the Issuer, the Noteholders, the Receiptholders or the Couponholders shall attach to the Agent or the Calculation Agent (if applicable) in connection with the exercise or non-exercise by it of its powers, duties and discretions pursuant to such provisions.

5.3 Exempt Notes

This Condition applies to Exempt Notes only.

The rate or amount of interest payable in respect of Exempt Notes which are not also Fixed Rate Notes or Floating Rate Notes, including but not limited to Variable Interest Rate Notes, shall be determined in the manner specified in the applicable Pricing Supplement.

(a) *Interest on Dual Currency Notes*

In the case of Dual Currency Notes, the rate or amount of interest payable shall be determined in the manner specified in the applicable Pricing Supplement.

(b) *Interest on Partly Paid Notes*

In the case of Partly Paid Notes (other than Partly Paid Notes which are Zero Coupon Notes), interest will accrue in accordance with this Condition 5 on the paid-up nominal amount of such Notes and otherwise as specified in the applicable Pricing Supplement.

5.4 Accrual of Interest

Each Note (or in the case of the redemption of part only of a Note, that part only of such Note) will cease to bear interest (if any) from the date for its redemption unless such Note is redeemed early. If such Note is redeemed early (a) if the applicable Final Terms specify that Accrual to Redemption is applicable, interest will cease to accrue on the due date for redemption or (b) if the applicable Final Terms specify that Accrual to Redemption is not applicable, no interest shall accrue or be payable in respect of which the relevant Interest Payment Date has not occurred on or prior to the due date for redemption of such Note. If, upon due presentation thereof, payment of principal is improperly withheld or refused. In such event, interest will continue to accrue until the date which is the earlier of:

- (a) the date on which all amounts due in respect of such Note have been paid; and
- (b) five days after the date on which the full amount of the monies payable in respect of such Note has been received by the Agent and notice to that effect has been given to the Noteholders in accordance with Condition 14.

5.5 General provisions applicable to interest

If a Business Day Convention is specified in the applicable Final Terms and (x) if there is no numerically corresponding day in the calendar month on which an Interest Payment Date

should occur, or (y) if any Interest Payment Date would otherwise fall on a day which is not a Business Day, then, if the Business Day Convention specified is:

- (a) in any case where Interest Periods are specified in accordance with Condition 5.2(a)(ii), the Floating Rate Convention, such Interest Payment Date (i) in the case of (x) above, shall be the last day that is a Business Day in the relevant month and the provisions of (b) below shall apply *mutatis mutandis*, or (ii), in the case of (y) above, shall be postponed to the next day which is a Business Day unless it would thereby fall into the next calendar month, in which event (A) such Interest Payment Date shall be brought forward to the immediately preceding Business Day and (B) each subsequent Interest Payment Date shall be the last Business Day in the month which falls in the Specified Period after the preceding applicable Interest Payment Date occurred; or
- (b) the Following Business Day Convention, such Interest Payment Date shall be postponed to the next day which is a Business Day; or
- (c) the Modified Following Business Day Convention, such Interest Payment Date shall be postponed to the next day which is a Business Day unless it would thereby fall into the next calendar month, in which event such Interest Payment Date shall be brought forward to the immediately preceding Business Day; or
- (d) the Preceding Business Day Convention, such Interest Payment Date shall be brought forward to the immediately preceding Business Day.

In the Conditions:

"Business Day" means:

- (i) a day on which commercial banks and foreign exchange markets settle payments and are open for general business (including dealing in foreign exchange and foreign currency deposits) in any Additional Business Centre (other than TARGET2) specified in the applicable Final Terms;
- (ii) if TARGET2 is specified as an Additional Business Centre in the applicable Final Terms, a TARGET Settlement Day; and
- (iii) either (A) in relation to any sum payable in a Specified Currency other than euro, a day on which commercial banks and foreign exchange markets settle payments and are open for general business (including dealing in foreign exchange and foreign currency deposits) in the principal financial centre of the country of the relevant Specified Currency (if other than any Additional Business Centre and which if the Specified Currency is Australian dollars or New Zealand dollars shall be Melbourne or Wellington, respectively) or (B) in relation to any sum payable in euro, a TARGET Settlement Day.

"Reference Banks" means, in the case of a determination of LIBOR, the principal London office of four major banks in the London inter-bank market, and in the case of a determination of EURIBOR, the principal Euro-zone office of four major banks in the Euro-zone inter-bank market, in each case selected by the Agent or the Calculation Agent, as applicable

"TARGET2" means the Trans-European Automated Real-Time Gross Settlement Express Transfer payment system which utilises a single shared platform and which was launched on 19 November 2007.

"TARGET Settlement Day" means any day on which TARGET2 is open for the settlement of payments in euro.

6. PAYMENTS

6.1 Method of Payment

Subject as provided below:

- (a) payments in a Specified Currency other than euro will be made by credit or transfer to an account in the relevant Specified Currency (which, in the case of a payment in Japanese Yen to a non-resident of Japan, shall be a non-resident account) maintained by the payee with, or at the option of the payee by a cheque in such Specified Currency drawn on, a bank in the principal financial centre of the country of such Specified Currency (which, if the Specified Currency is Australian or New Zealand dollars, shall be Melbourne or Wellington respectively); and
- (b) payments in euro will be made by credit or transfer to a euro account (or any other account to which euro may be credited or transferred) specified by the payee or, at the option of the payee, by a euro cheque.

Payments in respect of the Notes will be subject in all cases to (a) any fiscal or other laws and regulations applicable thereto in the place of payment, but without prejudice to the provisions of Condition 8 (*Taxation*) (b) any withholding or deduction required pursuant to Section 871(m) of the U.S. Internal Revenue Code of 1986 (the "**Code**") ("**871(m) Withholding**") and (c) any withholding or deduction required pursuant to an agreement described in Section 1471(b) of the Code or otherwise imposed pursuant to Sections 1471 through 1474 of the Code, any regulations or agreements thereunder, official interpretations thereof, or (without prejudice to the provisions of Condition 8 (*Taxation*)) any law implementing an intergovernmental approach thereto. In addition, and if the Notes are deemed to be Specified Notes for the purpose of Section 871(m) of the Code, in determining the amount of 871(m) Withholding imposed with respect to any amounts to be paid on the Notes, the Issuer shall be entitled to withhold on any "dividend equivalent" (as defined for purposes of Section 871(m) of the Code) at the highest rate applicable to such payments regardless of any exemption from, or reduction in, such withholding otherwise available under applicable law.

Payments on the Notes that reference U.S. securities or an index that includes U.S. securities may be calculated by reference to dividends on such U.S. securities that are reinvested at a rate of 70 per cent. In such case, in calculating the relevant payment amount, the Issuer may withhold, and the holder may be deemed to receive, 30 per cent. of any "dividend equivalent" payments (as defined in Section 871(m) of the Code) in respect of the relevant U.S. securities. The Issuer will not pay any additional amounts to the holder on account of the Section 871(m) amount deemed withheld.

6.2 Presentation of Notes, Receipts and Coupons

Payments of principal in respect of Definitive Notes will (subject as provided below) be made in the manner provided in Condition 6.1 above only against presentation and surrender or, in the case of part payment of any sum due, endorsement of Definitive Notes, and payments of interest in respect of Definitive Notes will (subject as provided below) be made as aforesaid only against presentation and surrender or, in the case of part payment of any sum due, endorsement of Coupons, in each case to or to the order of any Paying Agent outside the United States (which expression, as used herein, means the United States of

America (including the States and the District of Columbia, its territories, its possessions and other areas subject to its jurisdiction)).

Payments of instalments of principal (if any), other than the final instalment, in respect of Definitive Notes will (subject as provided below) be made in the manner provided in Condition 6.1 above against presentation and surrender of the relevant Receipt in accordance with the preceding paragraph. Payment of the final instalment will be made in the manner provided in Condition 6.1 above only against presentation and surrender or, in the case of part payment of any sum due, endorsement of the relevant Definitive Note. Each Receipt must be presented for payment of the relevant instalment together with the Definitive Note to which it appertains. Receipts presented without the Definitive Note to which they appertain do not constitute valid obligations of the Issuer. Upon the date on which any Definitive Note becomes due and repayable, unmatured Receipts (if any) relating thereto (whether or not attached) shall become void and no payment shall be made in respect thereof.

Fixed Rate Notes in definitive form (other than Dual Currency Notes or Long Maturity Notes (as defined below) and save as provided in Condition 6.5 below), should be presented for payment together with all unmatured Coupons appertaining thereto (which expression shall for this purpose include Coupons falling to be issued on exchange of matured Talons), failing which the amount of any missing unmatured Coupon (or, in the case of payment not being made in full, the same proportion of the amount of such missing unmatured Coupon as the sum so paid bears to the sum due) will be deducted from the sum due for payment. Each amount of principal so deducted will be paid in the manner mentioned above against surrender of the relative missing Coupon at any time before the expiry of 10 years after the Relevant Date (as defined in Condition 8) in respect of such principal (whether or not such Coupon would otherwise have become void under Condition 9) or, if later, five years from the date on which such Coupon would otherwise have become due, but in no event thereafter.

Upon any Fixed Rate Note in definitive form becoming due and repayable prior to its Maturity Date, all unmatured Talons (if any) appertaining thereto will become void and no further Coupons will be issued in respect thereof.

Upon the date on which any Floating Rate Note, Inflation Index-Linked Note, Foreign Exchange (FX) Rate-Linked Note, Underlying Interest Rate-Linked Note, Equity Index-Linked Note, Long Maturity Note or, in the case of Exempt Notes only, Variable Interest Rate Note or Variable Redemption Note in definitive form becomes due and repayable, unmatured Coupons and Talons (if any) relating thereto (whether or not attached) shall become void and no payment or, as the case may be, exchange for further Coupons shall be made in respect thereof. A "**Long Maturity Note**" is a Fixed Rate Note (other than a Fixed Rate Note which on issue has a Talon attached) whose nominal amount on issue is less than the aggregate interest payable thereon provided that such Note shall cease to be a Long Maturity Note on the Interest Payment Date on which the aggregate amount of interest remaining to be paid after that date is less than the nominal amount of such Note.

If the due date for redemption of any Definitive Note is not an Interest Payment Date, interest (if any) accrued in respect of such Definitive Note from (and including) the preceding Interest Payment Date or, as the case may be, the Interest Commencement Date shall be payable only against surrender of the relevant Definitive Note.

6.3 Payments in respect of Global Notes

Payments of principal and interest (if any) in respect of Notes represented by any Global Note will (subject as provided below) be made in the manner specified above in relation to

Definitive Notes and otherwise in the manner specified in the relevant Global Note (against presentation or surrender, as the case may be, of such Global Note if the Global Note is not intended to be issued in NGN form) to or to the order of any Paying Agent outside the United States. A record of each payment made against presentation or surrender of any Global Note, distinguishing between any payment of principal and any payment of interest, will be made, (a) in the case of a Global Note in CGN form, be made on such Global Note by the Paying Agent to which it was presented and (b) in the case of a Global Note in NGN form, in the records of the relevant ICSD upon the instruction of the Paying Agent to which it was presented and such record shall be *prima facie* evidence that the payment in question has been made.

6.4 Payments in respect of Registered Notes

(a) Payments in respect of Individual Certificates

Payments of principal (other than instalments of principal prior to the final instalment) in respect of each Registered Note in definitive form will be made against presentation and surrender (or, in the case of part payment of any sum due, endorsement) of the Registered Note at the specified office of the Registrar or any of the Paying Agents. Such payments will be made by transfer to the Designated Account (as defined below) of the holder (or the first named of joint holders) of the Registered Note appearing in the Register at the close of business on, in respect of Registered Notes in definitive form, the third business day (being, for this purpose, a day on which banks are open for business in the city where the specified office of the Registrar is located) before the relevant due date (the "**Record Date**"). Notwithstanding the previous sentence, if (a) a holder does not have a Designated Account or (b) the nominal amount of the Notes held by a holder is less than EUR 250,000 (or its approximate equivalent in any other Specified Currency), payment will instead be made by a cheque in the Specified Currency drawn on a Designated Bank (as defined below). For these purposes, "**Designated Account**" means the account (which, in the case of a payment in Japanese Yen to a non-resident of Japan, shall be a non-resident account) maintained by a holder with a Designated Bank and identified as such in the Register and "**Designated Bank**" means (in the case of payment in a Specified Currency other than euro) a bank in the principal financial centre of the country of such Specified Currency (which, if the Specified Currency is Australian dollars or New Zealand dollars, shall be Melbourne or Wellington, respectively) and (in the case of a payment in euro) any bank which processes payments in euro.

Payments of interest and payments of instalments of principal (other than the final instalment) in respect of each Registered Note in definitive form will be made by transfer on the due date to the Designated Account of the holder (or the first named of joint holders) of the Registered Note appearing in the Register at the close of business on the fifteenth day (whether or not such fifteenth day is a business day) before the relevant due date (the "**Record Date**"). Payment of the interest due in respect of each Registered Note on redemption and the final instalment of principal will be made in the same manner as payment of the nominal amount of such Registered Note.

Holders of Registered Notes will not be entitled to any interest or other payment for any delay in receiving any amount due in respect of any Registered Note as a result of a cheque posted in accordance with this Condition arriving after the due date for payment or being lost in the post. No commissions or expenses shall be charged to such holders by the Registrar in respect of any payments of principal or interest in respect of the Registered Notes.

(b) Payments in respect of Global Certificates

Notwithstanding any other provision of this Condition 6.4, each payment in respect of Registered Notes represented at such time by a Global Certificate will be made in the manner specified in Condition 6.4(a) above to the person appearing in the Register at the close of business (in the relevant clearing system) on the Clearing System Business Day before the due date for such payment (the "**Record Date**") where "**Clearing System Business Day**" means a day on which Euroclear and Clearstream, Luxembourg are open for business.

Payment of the interest due in respect of each Registered Note in global form and instalments of principal other than the final instalment of nominal will be made in the same manner as payment of the nominal amount of such Registered Note.

(c) General

None of the Issuer or the Agents will have any responsibility or liability for any aspect of the records relating to, or payments made on account of, beneficial ownership interests in the Registered Notes or for maintaining, supervising or reviewing any records relating to such beneficial ownership interests.

6.5 Specific provisions in relation to payments in respect of certain types of Exempt Notes

Upon the date on which any Dual Currency Note becomes due and repayable, unmatured Coupons and Talons (if any) relating thereto (whether or not attached) shall become void and no payment or, as the case may be, exchange for further Coupons shall be made in respect thereof.

6.6 General provisions applicable to payments

The holder of a Global Note or the registered holder of a Global Certificate shall be the only person entitled to receive payments in respect of Notes represented by such Global Note or Global Certificate and the Issuer will be discharged by payment to, or to the order of, the holder of such Global Note or the registered holder of such Global Certificate in respect of each amount so paid. Each of the persons shown in the records of Euroclear or Clearstream, Luxembourg as the beneficial holder of a particular nominal amount of Notes represented by such Global Note or Global Certificate must look solely to Euroclear or Clearstream, Luxembourg, as the case may be, for his share of each payment so made by the Issuer to, or to the order of, the holder of such global Note or the registered holder of such Global Certificate.

Notwithstanding the foregoing, if this Note is a Bearer Note and any amount of principal and/or interest in respect of this Note is payable in U.S. dollars, such U.S. dollar payments of principal and/or interest in respect of this Note will be made at the specified office of a Paying Agent in the United States if:

- (a) the Issuer has appointed Paying Agents with specified offices outside the United States with the reasonable expectation that such Paying Agents would be able to make payment in U.S. dollars at such specified offices outside the United States of the full amount of principal and interest on the Bearer Notes in the manner provided above when due;
- (b) payment of the full amount of such principal and interest at all such specified offices outside the United States is illegal or effectively precluded by exchange controls or other similar restrictions on the full payment or receipt of principal and interest in U.S. dollars; and

- (c) such payment is then permitted under United States law without involving, in the opinion of the Issuer, adverse tax consequences to the Issuer.

6.7 Payment Day

If the date for payment of any amount in respect of any Note, Receipt or Coupon is not a Payment Day, the holder thereof shall not be entitled to payment until the next following Payment Day in the relevant place and shall not be entitled to further interest or other payment in respect of such delay.

For these purposes, "**Payment Day**" means any day which is (subject to Condition 9):

- (a) a day on which commercial banks and foreign exchange markets settle payments and are open for general business (including dealing in foreign exchange and foreign currency deposits): (i) in the case of Notes in definitive form, the relevant place of presentation; and (ii) in any Additional Financial Centre (other than TARGET2) specified in the applicable Final Terms;
- (b) if TARGET2 is specified as an Additional Financial Centre in the applicable Final Terms, a TARGET Settlement Day; and
- (c) either (i) in relation to any sum payable in a Specified Currency other than euro, a day on which commercial banks and foreign exchange markets settle payments and are open for general business (including dealing in foreign exchange and foreign currency deposits) in the principal financial centre of the country of the relevant Specified Currency (if other than the place of presentation and any Additional Financial Centre and which if the Specified Currency is Australian dollars or New Zealand dollars shall be Melbourne or Wellington respectively) or (ii) in relation to any sum payable in euro, a TARGET Settlement Day.

6.8 Interpretation of Principal and Interest

Any reference in these Terms and Conditions to principal in respect of the Notes shall be deemed to include, as applicable:

- (a) any additional amounts which may be payable with respect to principal under Condition 8;
- (b) the Final Redemption Amount of the Notes;
- (c) the Early Redemption Amount of the Notes;
- (d) the Optional Redemption Amount(s) (if any) of the Notes;
- (e) in relation to Notes redeemable in instalments, the Instalment Amounts; and
- (f) any premium and any other amounts (other than interest) which may be payable by the Issuer under or in respect of the Notes.

Any reference in these Terms and Conditions to interest in respect of the Notes shall be deemed to include, as applicable, any additional amounts which may be payable with respect to interest under Condition 8.

6.9 FX Settlement Disruption Event

If the Specified Currency specified in the applicable Final Terms is a Relevant Currency, FX Settlement Disruption will apply, and:

- (a) If, on the second Business Day prior to the Disrupted Payment Date, the Calculation Agent (in its sole and absolute discretion) determines that a FX Settlement Disruption Event has occurred and is subsisting, the Issuer shall give notice (a "**FX Settlement Disruption Notice**") to the Noteholders in accordance with Condition 14 as soon as reasonably practicable thereafter and, in any event, prior to the relevant Disrupted Payment Date.
- (b) Following the occurrence of a FX Settlement Disruption Event:
 - (A) the date for payment of the relevant Disrupted Amount will be postponed to (i) the second Business Day following the date on which the Calculation Agent determines that a FX Settlement Disruption Event is no longer subsisting or if earlier (ii) the date falling thirty (30) calendar days following the scheduled due date for payment of the relevant Disrupted Amount (the "**FX Settlement Disruption Cut-off Date**") which, for the avoidance of doubt, may be later than the scheduled Maturity Date; and
 - (B) (i) in the case of (A)(i) above, the Issuer will pay the relevant Disrupted Amount, less FX Settlement Disruption Expenses (if any), in the Specified Currency specified in the applicable Final Terms or, in the case of (A)(ii) above, in lieu of paying the relevant Disrupted Amount in the relevant Specified Currency, the Issuer will, subject to sub-paragraph (c) below, convert the relevant Disrupted Amount into the FX Settlement Disruption Currency (using the FX Settlement Disruption Exchange Rate for the relevant Disrupted Payment Date) and will pay the relevant Disrupted Amount, less FX Settlement Disruption Expenses (if any), in the FX Settlement Disruption Currency on the FX Settlement Disruption Cut-off Date.
- (c) If sub-paragraph (b)(A)(ii) applies, the Calculation Agent will determine the FX Settlement Disruption Exchange Rate in its sole and absolute discretion in accordance with the following procedures:
 - (A) the FX Settlement Disruption Exchange Rate shall be the arithmetic mean (rounded, if necessary, to four decimal places (with 0.00005 being rounded upwards)) as determined by or on behalf of the Calculation Agent of the bid and offer Specified Currency/FX Settlement Disruption Currency exchange rates provided by two or more leading dealers on a foreign exchange market (as selected by the Calculation Agent) on such day; or
 - (B) if fewer than two leading dealers provide the Calculation Agent with bid and offer Specified Currency/FX Settlement Disruption Currency exchange rates on such day, the Calculation Agent shall determine the FX Settlement Disruption Exchange Rate in its discretion.
- (d) For the avoidance of doubt, no Interest Period will be adjusted as a result of the postponement of any interest payment pursuant to this Condition 6.9, and no additional interest will be paid in respect of any postponement of the date for payment.

(e) For the avoidance of doubt, nothing contained in this Condition 6.9 shall prevent the Issuer and/or Calculation Agent from determining that an Additional Disruption Event and/or Optional Additional Disruption Event has occurred, in which case, the provisions of Inflation Index-Linked Note Condition 3.7 or Foreign Exchange (FX) Rate-Linked Note Condition 6, as applicable, shall prevail in the event of any conflict between such Conditions and this Condition 6.9.

The Final Redemption Amount in respect of each Note, will be an amount in

Notes redeemed pursuant to this Condition 7.2 will be redeemed at their Early Redemption Amount referred to in paragraph 7.6 below together (if appropriate) with interest accrued to (but excluding) the date of redemption.

7.3 Redemption at the Option of the Issuer (Issuer Call)

This Condition 7.3 applies to Notes which are specified to be subject to redemption prior to the Maturity Date at the option of the Issuer in the applicable Final Terms, such option being referred to as an Issuer Call. The applicable Final Terms contains provisions applicable to any Issuer Call and must be read in conjunction with this Condition 7.3 for full information

on any Issuer Call. In particular, the applicable Final Terms will identify the Optional Redemption Date(s), the Optional Redemption Amount, any minimum or maximum early redemption amount and the applicable notice periods.

If Issuer Call is specified as being applicable in the applicable Final Terms, the Issuer shall, having given not less than the minimum period nor more than the maximum period of notice specified in the applicable Final Terms to the Noteholders in accordance with Condition 14 (which notice shall be irrevocable and shall specify the applicable Optional Redemption Date fixed for redemption), redeem all or some only of the Notes then outstanding on any Optional Redemption Date and at the Optional Redemption Amount(s) specified in, or determined in the manner specified in, the applicable Final Terms together, if appropriate, with interest accrued to (but excluding) the relevant Optional Redemption Date. Any such redemption must be of a nominal amount not less than the Minimum Early Redemption Amount or not more than the Maximum Early Redemption Amount specified in, or determined in the manner specified in, the applicable Final Terms. The Optional Redemption Amount will be the specified percentage of the nominal amount of the Notes stated in the applicable Final Terms.

In the case of a partial redemption of Notes, the Notes to be redeemed ("**Redeemed Notes**") will be selected individually by lot, in the case of Redeemed Notes represented by Definitive Notes or Individual Certificates, and in accordance with the rules of Euroclear and/or Clearstream, Luxembourg (to be reflected in the records of Euroclear and Clearstream, Luxembourg as either a pool factor or a reduction in nominal amount, at their discretion), in the case of Redeemed Notes represented by a Global Note or Global Certificate, not more than 30 days prior to the date fixed for redemption (such date of selection being hereinafter called the "**Selection Date**").

In the case of Redeemed Notes represented by Definitive Notes or Individual Certificates, a list of the serial numbers of such Redeemed Notes will be published in accordance with Condition 14 not less than 7 days prior to the date fixed for redemption. The aggregate nominal amount of Redeemed Notes represented by Definitive Notes or Individual Certificates shall in each case bear the same proportion to the aggregate nominal amount of all Redeemed Notes as the aggregate nominal amount of Definitive Notes or Individual Certificates outstanding bears to the aggregate nominal amount of the Notes outstanding, in each case on the Selection Date, provided that, if necessary, appropriate adjustments shall be made to such nominal amounts to ensure that each represents an integral multiple of the Specified Denomination. No exchange of the relevant Global Note or Global Certificate will be permitted or transfer of a Registered Note will be registered during the period from and including the Selection Date to and including the date fixed for redemption pursuant to this paragraph 7.3 and notice to that effect shall be given by the Issuer to the Noteholders in accordance with Condition 14 at least five days prior to the Selection Date.

In the event of any such redemption, the Luxembourg Stock Exchange shall be notified of such redemption by the Issuer.

7.4 Redemption at the Option of the Noteholders (Investor Put)

This Condition 7.4 applies to Notes which are subject to redemption prior to the Maturity Date at the option of the Noteholder, such option being referred to as an Investor Put. The applicable Final Terms contains provisions applicable to any Investor Put and must be read in conjunction with this Condition 7.4 for full information on any Investor Put. In particular, the applicable Final Terms will identify the Optional Redemption Date(s), the Optional Redemption Amount and the applicable notice periods.

If Investor Put is specified as being applicable in the applicable Final Terms, upon the holder of any Note giving to the Issuer in accordance with Condition 14 not less than the minimum period nor more than the maximum period of notice specified in applicable Final Terms, the Issuer will, upon the expiry of such notice, redeem, in whole (but not in part) such Note on the Optional Redemption Date and at the Optional Redemption Amount specified in, or determined in the manner specified in, the applicable Final Terms together, if appropriate, with interest accrued to (but excluding) the Optional Redemption Date.

If the relevant Note is in definitive form, to exercise the right to require redemption of the relevant Note, the holder of such Note must deliver such Note at the specified office of any Paying Agent (in the case of a Definitive Note) or the Registrar or any Transfer Agent (in the case of an Individual Certificate) at any time during normal business hours of such Paying Agent, such Transfer Agent or, as the case may be, the Registrar falling within the notice period, accompanied by a duly completed and signed notice of exercise in the form (for the time being current) obtainable from any specified office of any Paying Agent or Registrar (a "**Put Notice**") and in which the holder must specify a bank account (or, if payment is by cheque, an address) to which payment is to be made under this Condition accompanied by the relevant Note or evidence satisfactory to the Paying Agent concerned that the relevant Note will, following delivery of the Put Notice, be held to its order or under its control; and, in the case of Registered Notes, the nominal amount thereof to be redeemed and, if less than the full nominal amount of the Registered Notes so surrendered is to be redeemed, an address to which a new Registered Note in respect of the balance of such Registered Notes is to be sent subject to and in accordance with the provisions of Condition 11.

If the relevant Note is represented by a Global Note or a Global Certificate, as the case may be, to exercise the right to require redemption of a Note, the holder of the relevant Note must, within the notice period, give notice to the Agent (in the case of Global Notes) or the Registrar (in the case of Global Certificates) of such exercise in accordance with the standard procedures of Euroclear and Clearstream, Luxembourg (which may include notice being given on his instruction by Euroclear, Clearstream, Luxembourg or any common depositary or common safekeeper for them, as the case may be, to the Agent by electronic means), in a form acceptable to Euroclear and Clearstream, Luxembourg from time to time.

Any Put Notice or other notice given in accordance with the standard procedures of Euroclear and Clearstream, Luxembourg by a holder of any Note pursuant to this Condition 7.4 shall be irrevocable except where prior to the due date of redemption an Event of Default has occurred and is continuing in which event such holder, at its option, may elect by notice to the Issuer to withdraw the notice given pursuant to this paragraph and instead to declare such Note forthwith due and payable pursuant to Condition 10.

7.5 Redemption for illegality

where:

"**RP**" means the Reference Price;

"**AY**" means the Accrual Yield expressed as a decimal; and

"**y**" is the Day Count Fraction specified for such Zero Coupon Note in the applicable Final Terms which will be either (i) 30/360 (in which case the numerator will be equal to the number of days (calculated on the basis of a 360-day year consisting of 12 months of 30 days each) from (and including) the Issue Date of the first Tranche of the Notes to (but excluding) the date fixed for redemption or (as the case may be) the date upon which such Note becomes due and repayable and the denominator will be 360), or (ii) Actual/360 (in which case the numerator will be equal to the actual number of days from (and including) the Issue Date of the first Tranche of the Notes to (but excluding) the date fixed for redemption or (as the case may be) the date upon which such Note becomes due and repayable and the denominator will be 360) or (iii) Actual/365 (in which case the numerator will be equal to the actual number of days from (and including) the Issue Date of the first Tranche of the Notes to (but excluding) the date fixed for redemption or (as the case may be) the date upon which such Note becomes due and repayable and the denominator will be 365);

(b) Partly Paid Notes

Partly Paid Notes will be redeemed, whether at maturity, early redemption or otherwise, in accordance with the provisions of this Condition and the applicable Pricing Supplement.

If purchases are made by tender, tenders must be available to all Noteholders alike. Such Notes (to the extent permitted by law) may be held, reissued, resold or, at the option of the Issuer, surrendered to any Paying Agent or the Registrar, as the case may be, for cancellation.

7.10 Cancellation

All Notes which are redeemed will forthwith be cancelled (together with all unmatured Receipts and Coupons attached thereto or surrendered therewith at the time of redemption). All Notes so cancelled and the Notes purchased and cancelled pursuant to paragraph 7.1 above (together with, in the case of definitive Bearer Notes, all unmatured Receipts and Coupons cancelled therewith) shall be forwarded to the Agent and cannot be reissued or resold.

7.11 Late payment on Zero Coupon Notes

If the amount payable in respect of any Zero Coupon Note upon redemption of such Zero Coupon Note pursuant to paragraph 7.1, 7.2, 7.3, 7.4 or 7.5 above or upon its becoming due and repayable as provided in Condition 10 is improperly withheld or refused by the Issuer or its Agent, the amount due and repayable in respect of such Zero Coupon Note shall be the amount calculated as provided in paragraph 7.6(c) above as though the references therein to the date fixed for the redemption or the date upon which such Zero Coupon Note becomes due and payable were replaced by references to the date which is the earlier of:

- (a) the date on which all amounts due in respect of Zero Coupon Notes have been paid; and
- (b) five days after the date on which the full amount of the monies payable in respect of such Zero Coupon Notes has been received by the Agent and notice to that effect has been given to the Noteholders in accordance with Condition 14.

7.12 Redemption/Adjustment for an Administrator/Benchmark Event

If the Calculation Agent determines that an Administrator/Benchmark Event has occurred, the Issuer may (at its option and in its sole and absolute discretion):

- (a) instruct the Calculation Agent to make such adjustment(s) to the Terms and Conditions of the Notes as it may determine appropriate in its sole and absolute discretion to account for the relevant event or circumstance and, without limitation, such adjustments may (a) consist of one or more amendments and/or be made on one or more dates, (b) be determined by reference to any adjustment(s) in respect of the relevant event or circumstance in relation to any hedging arrangements in respect of the Notes and (c) include selecting a successor benchmark(s) and making related adjustments to the Terms and Conditions of the Notes including where applicable to reflect any increased costs of the Issuer providing such exposure to the successor benchmark(s) and, in the case of more than one successor benchmark, making provision for allocation of exposure as between the successor benchmarks; or
- (b) having given not less than 10 nor more than 30 days' notice to the Noteholders in accordance with Condition 14 (which notices shall be irrevocable), on expiry of such notice redeem all, but not some only, of the Notes, each principal amount of Notes equal to the Calculation Amount being redeemed at the Early Redemption Amount determined in accordance with the provisions of Condition 7.6 together (if appropriate) with interest accrued to (but excluding) the date of redemption.

The Issuer shall give notice as soon as practicable to Noteholders in accordance with Condition 14 of any adjustment(s) made pursuant to paragraph (a) above.

For the avoidance of doubt, the above is additional, and without prejudice, to any other terms of the Notes. In the event that under any such terms any other consequences could apply in relation to an event or occurrence the subject of an Administrator/Benchmark Event, the Issuer shall determine which terms shall apply in its sole and absolute discretion.

For the purposes of this Condition 7.12:

"Administrator/Benchmark Event" means the Calculation Agent determines that:

- (i) a Benchmark Modification or Cessation Event has occurred or will occur;
- (ii) any authorisation, registration, recognition, endorsement, equivalence decision, approval or inclusion in any official register in respect of a relevant Benchmark or the administrator or sponsor of a relevant Benchmark has not been, or will not be, obtained or has been, or will be, rejected, refused, suspended or withdrawn by the relevant competent authority or other relevant official body, in each case with the effect that the Issuer, the Agent or the Calculation Agent or any other entity is not, or will not be, permitted under any applicable law or regulation to use the relevant Benchmark to perform its or their respective obligations under the Notes; or

- (iii) it is not commercially reasonable to continue the use of a relevant Benchmark in connection with the Notes from the perspective of the Issuer, the Agent or the Calculation Agent or the Issuer or the Calculation Agent suffers or will suffer an increased cost, in each case, as a result of any applicable licensing restrictions or changes in the cost of obtaining or maintaining any relevant licence (including, without limitation, where the Issuer, the Calculation Agent, the Agent or any other entity is required to hold a valid licence in order to issue or perform its obligations in respect of the Notes and for any reason such licence is either not obtained, not renewed or is revoked or there is a material change in the cost of obtaining or renewing such licence).

"Benchmark" means any figure, value, level or rate which is a benchmark as defined in BMR and where any amount payable under the Notes, or the value of the Notes, is determined, in whole or in part, by reference to such figure, value, level or rate, all as determined by the Calculation Agent.

"Benchmark Modification or Cessation Event" means, in respect of the Benchmark any of the following has occurred or will occur:

- (ii) the permanent or indefinite cancellation or cessation in the provision of such Benchmark.

"BMR" means the EU Benchmark Regulation (Regulation (EU) 2016/1011).

8. TAXATION

All payments of principal and interest in respect of the Notes, Receipts and Coupons by the Issuer will be made without withholding or deduction for or on account of any present or future taxes or duties of whatever nature imposed or levied by or on behalf of any Tax Jurisdiction unless such withholding or deduction is required by law. In such event, and unless the provisions of this Condition 8 are specified not to apply in the relevant Final Terms, the Issuer will pay such additional amounts as shall be necessary in order that the net amounts received by the Noteholders, Receiptholders or Couponholders after such withholding or deduction shall equal the respective amounts of principal and interest which would otherwise have been receivable in respect of the Notes, Receipts or Coupons, as the case may be, in the absence of such withholding or deduction, except that no such additional amounts shall be payable with respect to any Note, Receipt or Coupon:

- (a) presented for payment to, or to a third party on behalf, of a holder who is liable for such taxes or duties in respect of such Note, Receipt or Coupon by reason of his having some connection with a Tax Jurisdiction other than the mere holding of such Note, Receipt or Coupon; or
- (b) presented for payment more than 30 days after the Relevant Date (as defined below) except to the extent that the holder thereof would have been entitled to an additional amount on presenting the same for payment on such thirtieth day assuming that day to have been a Payment Day (as defined in Condition 6.7); or
- (c) where such withholding or deduction is required pursuant to (i) an agreement described in Section 1471(b) of the Code or otherwise imposed pursuant to Sections 1471 through 1474 of the Code, any regulations or agreements thereunder or any official interpretations thereof or (ii) Section 871(m) of the Code; or

- (d) where such withholding or deduction is required pursuant to the Luxembourg law of 23 December 2005 (as amended).

As used herein:

- (i) "**Tax Jurisdiction**" means the Grand Duchy of Luxembourg, the jurisdiction in which the Specified Branch (if any) is located (in the case of Exempt Notes only) or any political subdivision or any authority thereof or therein having power to tax or any other jurisdiction or any political subdivision or any authority thereof or therein having power to tax to which payments made by the Issuer of principal and interest on the Notes, Receipts and Coupons become generally subject; and
- (ii) the "**Relevant Date**" means the date on which such payment first becomes due, except that, if the full amount of the moneys payable has not been duly received by the Agent on or prior to such due date, it means the date on which, the full amount of such moneys having been so received, notice to that effect is duly given to the Noteholders in accordance with Condition 14.

9. PRESCRIPTION

The Notes (whether in Bearer or Registered form), Receipts and Coupons will become void unless presented for payment within a period of 10 years (in the case of principal) and 5 years (in the case of interest) after the Relevant Date (as defined in Condition 8) therefor.

There shall not be included in any Coupon sheet issued on exchange of a Talon any Coupon the claim for payment in respect of which would be void pursuant to this Condition or Condition 6.2 or any Talon which would be void pursuant to Condition 6.2.

The Luxembourg act dated 3 September 1996 on the involuntary dispossession of bearer securities, as amended (the "**Involuntary Dispossession Act 1996**") requires that, in the event that (i) an opposition has been filed in relation to lost or stolen Notes in Bearer form, Receipts and Coupons and (ii) the Notes in Bearer form, Receipts and Coupons mature prior to becoming forfeited (as provided for in the Involuntary Dispossession Act 1996), any amount that is payable under the Notes in Bearer form, Receipts and Coupons, but has not yet been paid to the Noteholders or Couponholders, must be paid to the *Caisse de Consignations* in Luxembourg until the opposition has been withdrawn or the forfeiture of the Notes in Bearer form, Receipts and Coupons occurs.

10. EVENTS OF DEFAULT AND ENFORCEMENT

If any of the following events ("**Events of Default**") occurs and is continuing, the holder of any Note may give written notice to the Agent at its specified office that such Note is immediately repayable, whereupon the same shall become forthwith due and payable at the Early Redemption Amount (as described in Condition 7.6), together with accrued interest (if any) to the date of repayment, without presentation, demand, protest or other notice of any kind:

- (e) (i) if any judgment has been rendered by any competent court for the liquidation (*liquidation judiciaire*) or the opening of a regime of suspension of payment (*sursis de paiement*) of the Issuer; or (ii) if the Issuer makes or enters into a general assignment or an arrangement or composition with or for the benefit of its creditors or (iii) if an effective voluntary resolution is passed for the dissolution (*dissolution*) and liquidation (*liquidation*) of the Issuer (in each case save for the purposes of amalgamation, merger, consolidation, reorganisation or similar arrangement upon which all the assets of the Issuer are transferred to and all its debts and liabilities assumed by the continuing entity or entity formed as a result of such merger or reorganisation); or
- (f) the Issuer ceases to carry on business (except for the purpose of any amalgamation, merger or other reorganisation under which the continuing or successor corporation has assumed all of the assets and business undertakings of the Issuer pursuant to Condition 17 and has expressly and effectively assumed the obligations of the Issuer under the Notes); or
- (g) (i) any loan or other present or future indebtedness of the Issuer for or in respect of moneys borrowed or raised and not being money deposited with the Issuer or transferred pursuant to a fiduciary contract within the meaning of the Luxembourg Law of 27 July 2003 on the Trust and Fiduciary Contracts (as amended) or otherwise borrowed in the ordinary course of business of the Issuer ("**Relevant Indebtedness**") becomes due and payable prior to its stated maturity otherwise than at the option of the Issuer or the creditor thereof, or (ii) the Issuer fails to make any payment in respect of Relevant Indebtedness on the due date for such payment as extended by any applicable grace period or (iii) default is made by the Issuer in making any payment due under any present or future guarantee and/or indemnity given by it of, or in respect of, Relevant Indebtedness, provided that the aggregate amount of the Relevant Indebtedness in respect of which one or more of the events mentioned above in this paragraph (g) have occurred equals or exceeds EUR 15,000,000 or its equivalent (on the basis of the middle spot rate for the relevant currency against the euro as quoted by any leading bank on the day on which this paragraph operates).

Should any Note, Receipt, Coupon or Talon be lost, stolen, mutilated, defaced or destroyed, it may be replaced at the specified office of the Agent, in the case of a Bearer Note, Receipt, Coupon or Talon, or the Registrar, in the case of a Registered Note, or such other Paying Agent or Transfer Agent, as the case may be, as may from time to time be designated by the Issuer for the purpose and notice of whose designation is given to Noteholders, in each case in accordance with any applicable legal requirements and upon payment by the claimant of

For the avoidance of doubt, where both Condition 14.1(a) and Condition 14.1(b) apply, notices must be given in the manner specified in Condition 14.1(a) and Condition 14.1(b) in order to be deemed to be validly given.

Any notice will be deemed to have been validly given on the date and time of such notification (or, if required to be notified in more than one manner, on the first date on which notification shall have been made in all required manners).

Holders of Coupons will be deemed for all purposes to have notice of the contents of any notice validly given to Holders of Notes in accordance with this Condition.

14.2 Registered Notes

All notices regarding Registered Notes will be deemed to be validly given if sent by first class mail or (if posted to an address overseas) by airmail to the holder(s) (or the first named of joint holders) at their respective addresses recorded in the Register and will be deemed to have been given on the fourth day after mailing and, in addition, for so long as any Registered Notes are listed on a stock exchange and/or quotation system and the rules of such stock exchange and/or quotation system (or any other relevant authority) so require, such notice will be published in a daily newspaper of general circulation in the place or places required by the rules of that stock exchange (or any other relevant authority) or in such other manner as may be required by the rules or regulations of such stock exchange and/or quotation system.

Any such notice shall be deemed to have been given to the holders of the Notes and the Coupons on the day on which the said notice was given to Euroclear and/or Clearstream, Luxembourg and/or such other clearing system.

14.3 Notices by Noteholders

Notices to be given by any Noteholder shall be in writing and given by lodging the same, together (in the case of any Definitive Note) with the relative Note or Notes, with the Agent. Whilst any of the Notes are represented by a Global Note, such notice may be given by any holder of a Note to the Agent via Euroclear and/or Clearstream, Luxembourg, as the case may be, in such manner as the Agent and Euroclear and/or Clearstream, Luxembourg, as the case may be, may approve for this purpose.

15. MEETINGS OF NOTEHOLDERS, MODIFICATION AND WAIVER

15.1 Meetings and Resolutions

The Agency Agreement contains provisions for convening meetings of the Noteholders to consider any matter affecting their interests, including the sanctioning by Extraordinary Resolution of a modification of the Notes, the Receipts, the Coupons or any of the provisions of the Agency Agreement. Such a meeting may be convened by the Issuer or by Noteholders holding not less than 10 per cent. in nominal amount of the Notes for the time being remaining outstanding. The quorum at any such meeting for passing an Extraordinary Resolution is one or more persons holding or representing not less than 50 per cent. in nominal amount of the Notes for the time being outstanding, or at any adjourned meeting one or more persons being or representing Noteholders whatever the nominal amount of the Notes so held or represented, except that at any meeting the business of which includes the

An Extraordinary Resolution passed by the Noteholders will be binding on all the Noteholders, whether or not they are present at any meeting, and whether or not they voted on the resolution, and on all Receiptholders and Couponholders.

The provisions of articles 470-3 to 470-19 of the Luxembourg Company Law relating to the convening and conduct of meetings of bondholders shall not apply to the Notes.

15.2 Minor Modifications and Corrections

The Agent and the Issuer may agree, without the consent of the Noteholders, Receiptholders or Couponholders, to:

- (a) any modification of the Agency Agreement which is not prejudicial to the interest of the Noteholders; or
- (b) any modification of the Notes, the Receipts, the Coupons or the Agency Agreement which is of a formal, minor or technical nature or is made to correct a manifest or proven error or to comply with mandatory provisions of the law of the jurisdiction in which the Issuer is incorporated.

Any such modification shall be binding on the Noteholders, the Receiptholders and the Couponholders and any such modification shall be notified to the Noteholders in accordance with Condition 14 as soon as practicable thereafter.

15.3 Exclusion of termination condition (*condition résolutoire*)

For the avoidance of doubt, no Noteholder, Receiptholder or Couponholder may initiate proceedings against the Issuer based on article 470-21 of the Luxembourg Company Law.

16. FURTHER ISSUES

The Issuer shall be at liberty from time to time without the consent of the Noteholders, Receiptholders or Couponholders to create and issue further notes having terms and conditions the same as the Notes or the same in all respects save for the issue date, the amount and date of the first payment of interest thereon and the date from which interest starts to accrue so that the same shall be consolidated and form a single Series with the outstanding Notes.

17. SUBSTITUTION

The Issuer, or any previous substituted company, may at any time, without the consent of the Noteholders or the Couponholders, substitute for itself as principal debtor under any Series of the Notes, the Receipts, the Coupons and the Talons any subsidiary branch or affiliate of the Issuer or the successor company of the Issuer or jointly and severally one or more companies to whom the Issuer has transferred all of its assets and business undertakings (in each case the "**Substitute**") provided that no payment in respect of the Notes, the Receipts or the Coupons is at the relevant time overdue, no steps have been taken to admit the Issuer to a regime of suspension of payments (*sursis de paiement*) and (except in the case of a solvent reorganisation or amalgamation) no judgment has been rendered or an effective voluntary resolution has been passed for the dissolution and liquidation of the Issuer. Such substitution effected in accordance with this Condition 17 will release the Issuer or any previous substituted company from any and all further obligations in respect of the Notes and the Noteholders and Couponholders expressly consent hereto. The substitution shall be made by a deed poll (the "**Deed Poll**") to be substantially in the form scheduled to the Agency Agreement and may take place only if:

- (a) the Substitute, by means of the Deed Poll, agrees to indemnify each Noteholder and Couponholder against any tax, duty, assessment, withholding, deduction or governmental charge which is imposed on it by (or by any taxing authority in or of) the jurisdiction of the country of the Substitute's residence for tax purposes and, if different, of its incorporation (and, if applicable, the jurisdiction of any Guarantor (as set out under (b) below) with respect to any Note, Receipt, Coupon, Talon or the Deed of Covenant or by the country in which any Noteholder or Couponholder resides and which would not have been so imposed had the substitution not been made, as well as against any tax, duty assessment or governmental charge, and any cost or expense, relating to the substitution;
- (b) unless the Substitute is the successor company of the Issuer or one or more companies to whom the Issuer has transferred all of its assets and business undertakings each of whom are to be jointly and severally liable as principal debtor, the obligations of the Substitute under the Deed Poll, the Notes and the Coupons are unconditionally and irrevocably guaranteed by the Issuer or its successor or each of the companies to whom together the Issuer has transferred all of its assets and business undertakings (each a "**Guarantor**") by means of a guarantee substantially in the form contained in the Deed Poll (the "**Guarantee**");
- (c) all actions, conditions and things required to be taken, fulfilled and done (including the obtaining of any necessary consents) to ensure that the Deed Poll, the Notes, the Receipts, the Coupons, the Talons and the Deed of Covenant represent valid, legally binding and enforceable obligations of the Substitute and, in the case of the Guarantee, of the Guarantor have been taken, fulfilled and done and are in full force and effect;
- (d) the Substitute has become party to the Agency Agreement, with any appropriate consequential amendments, as if it had been an original party to it;
- (e) legal opinions addressed to the Noteholders have been delivered to them (care of the Agent) from a lawyer or a firm of lawyers with a leading securities practice in each jurisdiction referred to in 17(a) above and in England that the Deed Poll, the Notes (and, where applicable, the Receipts, Coupons and Talons) represent valid, legally binding and enforceable obligations of the Substitute and, in the case of the Guarantee, of the Guarantor(s);

- (f) the substitution does not affect adversely any rating of the Notes by Moody's, S&P and Fitch (as applicable) or, if any such rating agency has ceased to exist at the relevant time, any two existing internationally recognised rating agencies; and
- (g) the Issuer has given at least 14 days' prior notice of such substitution to the Noteholders, stating that copies of all documents (in final form) in relation to the substitution which are referred to above, or which might otherwise reasonably be regarded as material to Noteholders, will be available for inspection at the specified office of each of the Paying Agents.

References in Condition 10 to obligations under the Notes shall be deemed to include obligations under the Deed Poll and, where the Deed Poll contains a Guarantee, the events listed in Condition 10 shall be deemed to include such Guarantee not being (or being claimed by the Guarantor not to be) in full force and effect. In addition, the Deed Poll shall contain events of default in respect of the Notes in the same or analogous terms as Condition 10 relating to the Guarantor (except that references in Condition 10(a) to failure to pay principal and interest on the Notes shall be a reference to failure to pay under the Guarantee) and (b) a negative pledge in relation to the Guarantee in the form of Condition 3.

References to "outstanding" in relation to the Notes of any Series shall, on a substitution of the Issuer where the Guarantor guarantees the Notes, not include Notes held by the Guarantor and its subsidiaries for the purposes of (a) ascertaining the right to attend and vote at any meeting of the Noteholders and (b) the determination of how many Notes are outstanding for the purposes of Condition 15.

18. CURRENCY INDEMNITY

If any sum due from the Issuer in respect of the Notes or the Coupons or any order or judgment given or made in relation thereto has to be converted from the currency (the "**first currency**") in which the same is payable under these Conditions or such order or judgment into another currency (the "**second currency**") for the purpose of (a) making or filing a claim or proof against the Issuer, (b) obtaining an order or judgment in any court or other tribunal or (c) enforcing any order or judgment given or made in relation to the Notes, the Issuer shall indemnify each Noteholder, on the written demand of such Noteholder addressed to the Issuer and delivered to the Issuer or to the specified office of the Agent, against any loss suffered as a result of any discrepancy between (i) the rate of exchange used for such purpose to convert the sum in question from the first currency into the second currency and (ii) the rate or rates of exchange at which such Noteholder may in the ordinary course of business purchase the first currency with the second currency upon receipt of a sum paid to it in satisfaction, in whole or in part, of any such order, judgment, claim or proof.

This indemnity constitutes a separate and independent obligation of the Issuer and shall give rise to a separate and independent cause of action.

19. ROUNDING

For the purposes of any calculations referred to in these Conditions (unless otherwise specified in these Conditions or the relevant Final Terms), (a) all percentages resulting from such calculations will be rounded, if necessary, to the nearest one hundred-thousandth of a percentage point (with 0.000005 per cent. being rounded up to 0.00001 per cent.), (b) all United States dollar amounts used in or resulting from such calculations will be rounded to the nearest cent (with one half cent being rounded up), (c) all Japanese Yen amounts used in or resulting from such calculations will be rounded downwards to the next lower whole Japanese Yen amount, and (d) all amounts denominated in any other currency used in or

resulting from such calculations will be rounded to the nearest two decimal places in such currency, with 0.005 being rounded upwards.

20. CONTRACTS (RIGHTS OF THIRD PARTIES) ACT 1999

No rights are conferred on any person under the Contracts (Rights of Third Parties) Act 1999 to enforce any terms of any Note, but this does not affect any right or remedy of any person which exists or is available apart from that Act.

21. GOVERNING LAW AND SUBMISSION TO JURISDICTION

21.1 The Notes and the Receipts, Coupons and Talons relating to the Notes and all non-contractual obligations arising out of or in connection with them are governed by English law.

21.2 The Agency Agreement and all non-contractual obligations arising out of or in connection with it are governed by English law.

21.3 (a) Subject to Condition 21.3(c) below, the English courts have exclusive jurisdiction to settle any dispute arising out of or in connection with the Agency Agreement, the Notes and the Receipts, Coupons and/or Talons relating to the Notes (including any dispute as to their existence, validity interpretation, performance, breach or termination or the consequences of their nullity) and any dispute relating to any non-contractual obligations arising out of or in connection with the Agency Agreement, the Notes, the Receipts, Coupons and/or Talons (a "**Dispute**") and accordingly each of the Issuer, the Noteholders, the Receiptholders, the Couponholders and the Talonholders in relation to any Dispute submit to the exclusive jurisdiction of the English courts.

(b) For the purposes of this Condition 21.3, the Issuer waives any objection to the English courts on the grounds that they are an inconvenient or inappropriate forum to settle any Dispute.

(c) To the extent allowed by law the Noteholders, Receiptholders, Couponholders and Talonholders may, in respect of any Dispute or Disputes take (i) proceedings in any other court with jurisdiction; and (ii) concurrent proceedings in any number of jurisdictions.

(d) The Issuer appoints BNP Paribas, London Branch at 10 Harewood Avenue, London, NW1 6AA (Attention: the loan Administration Department) as its agent for service of process, in any proceedings before the English courts in relation to any Dispute, and agrees that, in the event of BNP Paribas, London Branch being unable or unwilling so to act, it will appoint another person as its agent for service of process in England in respect of any Dispute. The Issuer agrees that failure by a process agent to notify it of any proceeds will not invalidate service. Nothing herein shall affect the right to serve proceedings in any other manner permitted by law.

22. RECOGNITION OF BAIL-IN AND LOSS ABSORPTION

(a) Acknowledgement

By its acquisition of the Notes, each Noteholder (which, for the purposes of this Condition 22, includes any current or future holder of a beneficial interest in the Notes) acknowledges, accepts, consents and agrees:

- (a) to be bound by the effect of the exercise of the Bail-in or Loss Absorption Power (as defined below) by the Relevant Resolution Authority (as defined below), which may include and result in any of the following, or some combination thereof:
 - (i) the reduction of all, or a portion, of the Amounts Due (as defined below);
 - (ii) the conversion of all, or a portion, of the Amounts Due into shares, other securities or other obligations of the Issuer or another person (and the issue to the Noteholder of such shares, securities or obligations), including by means of an amendment, modification or variation of the terms of the Notes, in which case the Noteholder agrees to accept in lieu of its rights under the Notes any such shares, other securities or other obligations of the Issuer or another person;
 - (iii) the cancellation of the Notes; and/or
 - (iv) the amendment or alteration of the maturity of the Notes or amendment of the amount of interest payable on the Notes, or the date on which the interest becomes payable, including by suspending payment for a temporary period;
- (b) that the terms of the Notes are subject to, and may be varied, if necessary, to give effect to, the exercise of the Bail-in or Loss Absorption Power by the Relevant Resolution Authority.

For these purposes, the "**Amounts Due**" are the amounts payable on redemption of a Note, and any accrued and unpaid interest on a Note that has not been previously cancelled or otherwise is no longer due.

(b) **Bail-in or Loss Absorption Power**

For these purposes, the "**Bail-in or Loss Absorption Power**" is any power existing from time to time under any laws, regulations, rules or requirements in effect in Luxembourg, whether relating to (i) the transposition of Directive 2014/59/EU of the European Parliament and of the Council of 15 May 2014 establishing a framework for the recovery and resolution of credit institutions and investment firms (as amended from time to time, the "**BRRD**"), including without limitation pursuant to the Luxembourg law of 18 December 2015 on the failure of credit institutions and certain investment firms (as amended from time to time, the "**Law of 18 December 2015**"), (ii) Regulation (EU) No 806/2014 of the European Parliament and of the Council of 15 July 2014 establishing uniform rules and a uniform procedure for the resolution of credit institutions and certain investment firms in the framework of a Single Resolution Mechanism and a Single Resolution Fund and amending Regulation (EU) No 1093/2010 (as amended from time to time, the "**Single Resolution Mechanism Regulation**"), or (iii) any other laws, regulations, rules or requirements arising under Luxembourg law, and in each case the instructions, rules and standards created thereunder, pursuant to which the obligations of a Regulated Entity (or an affiliate of such Regulated Entity) can be reduced (in part or in whole), cancelled, suspended, transferred, varied or otherwise modified in any way, or securities of a Regulated Entity (or an affiliate of such Regulated Entity) can be converted (in whole or in part) into shares, other securities, or other obligations of such Regulated Entity or any other person, whether in

connection with the implementation of a bail-in tool following placement in resolution or otherwise.

A reference to a "**Regulated Entity**" in respect of any entity incorporated or established in Luxembourg, is to any institution or entity referred to in points (1), (2), (3) or (4) of Article 2(1) of the Law of 18 December 2015.

A reference to the "**Relevant Resolution Authority**" is to the *Commission de Surveillance du Secteur Financier*, acting in its capacity, as resolution authority (*Conseil de Résolution*) within the meaning of Article 3(1) of BRRD, the Single Resolution Board established pursuant to the Single Resolution Mechanism Regulation, and/or any other authority entitled to exercise or participate in the exercise against the Issuer of any Bail-in or Loss Absorption Power from time to time (including the European Central Bank, the Council of the European Union and the European Commission when acting pursuant to Article 18 of the Single Resolution Mechanism Regulation).

(c) **Payment of Interest and Other Outstanding Amounts Due**

No repayment or payment of the Amounts Due will become due and payable or be paid after the exercise of the Bail-in or Loss Absorption Power by the Relevant Resolution Authority with respect to the Issuer unless, at the time such repayment or payment, respectively, is scheduled to become due, such repayment or payment would be permitted to be made by the Issuer under the laws and regulations in effect in Luxembourg and the European Union applicable to the Issuer or other members of its group.

(d) **No Event of Default**

Neither a cancellation of the Notes, a reduction, in part or in full, of the Amounts Due, the conversion thereof into another security or obligation of the Issuer or another person, as a result of the exercise of the Bail-in or Loss Absorption Power by the Relevant Resolution Authority with respect to the Issuer, nor the exercise of any Bail-in or Loss Absorption Power by the Relevant Resolution Authority with respect to the Notes will be an event of default or otherwise constitute non-performance of a contractual obligation, or entitle the Noteholder to any remedies (including equitable remedies) which are hereby expressly waived.

(e) **Notice to Noteholders**

Upon the exercise of any Bail-in or Loss Absorption Power by the Relevant Resolution Authority with respect to the Notes, the Issuer will give notice to the Noteholders in accordance with Condition 14 (Notices) as soon as practicable regarding such exercise of the Bail-in or Loss Absorption Power. The Issuer will also deliver a copy of such notice to the Agent for information purposes, although the Agent shall not be required to send such notice to Noteholders. Any delay or failure by the Issuer to give notice shall not affect the validity and enforceability of the Bail-in or Loss Absorption Power nor the effects on the Notes described in Condition 22(a) and 22(b) above.

(f) **Duties of the Agent**

Upon the exercise of any Bail-in or Loss Absorption Power by the Relevant Resolution Authority, the Issuer and each Noteholder (including each holder of a beneficial interest in the Notes) hereby agree that (a) the Agent shall not be required

to take any directions from Noteholders, and (b) the Agency Agreement shall impose no duties upon the Agent whatsoever, in each case with respect to the exercise of any Bail-in or Loss Absorption Power by the Relevant Resolution Authority.

Notwithstanding the foregoing, if, following the completion of the exercise of the Bail-In Power by the Relevant Resolution Authority, any Notes remain outstanding (for example, if the exercise of the Bail-In Power results in only a partial write-down of the principal of the Notes), then the Agent's duties under the Agency Agreement shall remain applicable with respect to the Notes following such completion to the extent that the Issuer and the Agent shall agree pursuant to an amendment to the Agency Agreement.

(g) **Prorating**

If the Relevant Resolution Authority exercises the Bail-in or Loss Absorption Power with respect to less than the total Amounts Due, unless the Agent is otherwise instructed by the Issuer or the Relevant Resolution Authority, any cancellation, write-off or conversion made in respect of the Notes pursuant to the Bail-in or Loss Absorption Power will be made on a pro-rata basis.

(h) **Conditions Exhaustive**

The matters set forth in this Condition 22 shall be exhaustive on the foregoing matters to the exclusion of any other agreements, arrangements or understandings between the Issuer and any holder of a Note.

. *This section applies to both Exempt Notes and Non-exempt Notes*

3. REDENOMINATION

3.1 Redenomination

Where redenomination is specified in the applicable Final Terms, the Issuer may, without the consent of the Noteholders, the Receiptholders and the Couponholders, on giving prior notice to the Agent, Euroclear and Clearstream, Luxembourg and at least 30 days' prior notice to the Noteholders in accordance with Condition 13 elect that, with effect from the Redenomination Date specified in the notice, the Notes shall be redenominated in euro.

The election will have effect as follows:

- (a) the Notes and the Receipts shall be deemed to be redenominated into euro in the denomination of euro 0.01 with a nominal amount for each Note and Receipt equal to the nominal amount of that Note or Receipt in the Specified Currency, converted into euro at the Established Rate, provided that, if the Issuer determines, with the agreement of the Agent, that the then market practice in respect of the redenomination into euro of internationally offered securities is different from the provisions specified above, such provisions shall be deemed to be amended so as to comply with such market practice and the Issuer shall promptly notify the Noteholders, the stock exchange (if any) on which the Notes may be listed and admitted to trading and the Paying Agents of such deemed amendments;
- (b) save to the extent that an Exchange Notice has been given in accordance with paragraph (d) below, the amount of interest due in respect of the Notes will be calculated by reference to the aggregate nominal amount of Notes presented (or, as the case may be, in respect of which Coupons are presented) for payment by the relevant holder and the amount of such payment shall be rounded down to the nearest euro 0.01;
- (c) if Definitive Notes are required to be issued after the Redenomination Date, they shall be issued at the expense of the Issuer in the denominations of euro 1,000, euro 10,000, euro 100,000 and (but only to the extent of any remaining amounts less than euro 1,000 or such smaller denominations as the Agent may approve) euro 0.01 and such other denominations as the Agent shall determine and notify to the Noteholders;
- (d) if issued prior to the Redenomination Date, all unmatured Coupons denominated in the Specified Currency (whether or not attached to the Notes) will become void with effect from the date on which the Issuer gives notice (the "**Exchange Notice**") that replacement euro-denominated Notes, Receipts and Coupons are available for exchange (provided that such securities are so available) and no payments will be made in respect of them. The payment obligations contained in any Notes and Receipts so issued will also become void on that date although those Notes and Receipts will continue to constitute valid exchange obligations of the Issuer. New euro-denominated Notes, Receipts and Coupons will be issued in exchange for Notes, Receipts and Coupons denominated in the Specified Currency in such manner as the Agent may specify and as shall be notified to the Noteholders in the Exchange Notice. No Exchange Notice may be given less than 15 days prior to any date for payment of principal or interest on the Notes;
- (e) after the Redenomination Date, all payments in respect of the Notes, the Receipts and the Coupons, other than payments of interest in respect of periods commencing before the Redenomination Date, will be made solely in euro as though references in the Notes to the Specified Currency were to euro. Payments will be made in euro by credit or transfer to a euro account (or any other account to which euro may be credited or transferred) specified by the payee or, at the option of the payee, by a euro cheque;
- (f) if the Notes are Fixed Rate Notes and interest for any period ending on or after the Redenomination Date is required to be calculated for a period ending other than on an Interest Payment Date, it will be calculated by applying the Rate of Interest to the Calculation Amount, multiplying such sum by the applicable Day Count Fraction, and rounding the resultant figure to the nearest sub-unit of the relevant Specified Currency, (half of any such sub-unit being rounded upwards or otherwise in accordance with applicable market convention) and multiplying such rounded figure by a fraction equal to the Specified Denomination of such Note divided by the Calculation Amount; and
- (g) such other changes shall be made to the Conditions as the Issuer may decide, after consultation with the Agent and as may be specified in the notice or (in respect of Exempt Notes) set out in the applicable Pricing Supplement, to conform them to conventions then applicable to instruments denominated in euro

4. INTEREST

The applicable Final Terms will indicate whether the Notes are Fixed Rate Notes ("**Fixed Rate Notes**"), Floating Rate Notes ("**Floating Rate Notes**"), Inflation Index-Linked Interest Notes ("**Inflation Index-Linked Interest Notes**"), Foreign Exchange (FX) Rate-Linked Interest Notes ("**Foreign Exchange (FX) Rate-Linked Interest Notes**"), Underlying Interest Rate-Linked Interest Notes ("**Underlying Interest Rate-Linked Interest Notes**") and/or Equity Index-Linked Interest Notes ("**Equity Index Linked-Interest Notes**"), do not accrue interest ("**Non-Interest Bearing**") or, in the case of Exempt Notes only, Variable Interest Rate Notes ("**Variable Interest Rate Notes**") or whether a different interest basis applies.

4.1 Interest on Fixed Rate Notes

This Condition 4.1 applies to Fixed Rate Notes only.

The applicable Final Terms contains provisions applicable to the determination of fixed rate interest and must be read in conjunction with this Condition 4.1 for full information on the manner in which interest is calculated on Fixed Rate Notes. In particular, the applicable Final Terms will specify the Interest Commencement Date, the Rate(s) of Interest, the Interest Payment Date(s), the Maturity Date, the Fixed Coupon Amount, any applicable Broken Amount, the Calculation Amount and the Day Count Fraction.

Each Fixed Rate Note bears interest on its nominal amount (or, in the case of Exempt Notes only, if it is a Partly Paid Note, the amount paid up) from and including the Interest Commencement Date.

Except as provided in the applicable Final Terms, the amount of interest payable on each Interest Payment Date in respect of each Fixed Interest Period ending on (but excluding) such date will amount to the Fixed Coupon Amount. Payments of interest on any Interest Payment Date will, if so specified in the applicable Final Terms, amount to the Broken Amount so specified.

As used in these Conditions, "**Fixed Interest Period**" means the period from (and including) an Interest Payment Date (or the Interest Commencement Date) to (but excluding) the next (or first) Interest Payment Date.

Except where a Fixed Coupon Amount or Broken Amount is specified in the applicable Final Terms in respect of a Fixed Interest Period, interest shall be calculated in respect of any period by applying the Rate of Interest to the Calculation Amount, multiplying such sum by the applicable Day Count Fraction (as defined in Condition 4.2(d)). The resultant figure shall be rounded to the nearest sub-unit of the relevant Specified Currency, (half of any such sub-unit being rounded upwards or otherwise in accordance with applicable market convention) and multiplying such rounded figure by a fraction equal to the Specified Denomination of such Note divided by the Calculation Amount.

In these Conditions:

"**sub-unit**" means, with respect to any currency other than euro, the lowest amount of such currency that is available as legal tender in the country of such currency and, with respect to euro, means one cent.

4.2 Interest on Floating Rate Notes, Inflation Index-Linked Interest Notes, Foreign Exchange (FX) Rate-Linked Interest Notes, Underlying Interest Rate-Linked Interest Notes, Equity Index Linked-Interest Notes and Variable Interest Rate Notes

This Condition 4.2 applies to Floating Rate Notes, Inflation Index-Linked Interest Notes, Foreign Exchange (FX) Rate-Linked Interest Notes, Underlying Interest Rate-Linked Interest Notes, Equity Index Linked-Interest Notes and/or Variable Interest Rate Notes.

In respect of Floating Rate Notes, the applicable Final Terms contains provisions applicable to the determination of floating rate interest and must be read in conjunction with this Condition 4.2 for full information on the manner in which interest is calculated on Floating Rate Notes. In particular, the applicable Final Terms will identify any Specified Interest Payment Dates, any Specified Period, the Interest Commencement Date, the Business Day Convention, any Additional Business Centres, whether ISDA Determination or Screen Rate Determination applies to the calculation of interest, the party who will calculate the amount of interest due if it is not the Agent, the Margin and the Day Count Fraction. Where ISDA Determination applies to the calculation of interest, the applicable Final Terms will also specify the applicable Floating Rate Option, Designated Maturity and Reset Date. Where Screen Rate Determination applies to the calculation of interest, the applicable Final Terms will also specify the applicable Reference Rate, Interest Determination Date(s) and Relevant Screen Page. Where an entity other than the Agent will calculate the amount of interest due, references in this Condition 4.2 to the Agent shall be deemed to be references to such other entity, where applicable.

In respect of Inflation Index-Linked Interest Notes, Foreign Exchange (FX) Rate-Linked Interest Notes, Underlying Interest Rate-Linked Interest Notes and/or Equity Index-Linked Interest Notes, the applicable Final Terms contains provisions applicable to the determination of the relevant rate of interest and must be read in conjunction with this Condition 4.2 and any additional terms and conditions specified as applicable in the relevant Final Terms for full information on the manner in which interest is calculated on Inflation Index-Linked Interest Notes, Foreign Exchange (FX) Rate-Linked Interest Notes, Underlying Interest Rate-Linked Interest Notes and/or Equity Index-Linked Interest Notes.

In the case of Inflation Index-Linked Interest Notes, the applicable Final Terms will set out, among other things, the relevant Index and Index Sponsor, any Related Bond, relevant Determination Dates, provisions relating in determination of the Rate of Interest, the Calculation Amount, relevant Interest Payment Dates, the Day Count Fraction and the Business Day Convention.

In the case of Equity Index-Linked Interest Notes, the applicable Final Terms will set out, among other things, the relevant Index, Index Currency, Screen Page, Exchange(s) and Index Sponsor, any applicable Weighting, provisions relating to determination of the Rate of Interest, the Calculation Amount, relevant Interest Payment Dates, the Day Count Fraction and the Business Day Convention.

Variable Interest Rate Notes will be issued as Exempt Notes only, the terms of which will be specified in the applicable Pricing Supplement.

(a) *Interest Payment Dates*

Each Floating Rate Note, Inflation Index-Linked Interest Note, Foreign Exchange (FX) Rate-Linked Interest Note, Underlying Interest Rate-Linked Interest Note, Equity Index Linked-Interest Notes and in the case of Exempt Notes only, Variable Interest Rate Note bears interest on its outstanding nominal amount (or, in the case of Exempt Notes only, if it is a Partly Paid Note, the amount paid up) from (and including) the Interest Commencement Date and such interest will be payable in arrear on either:

- (i) the Specified Interest Payment Date(s) (each an "**Interest Payment Date**") in each year as specified in the applicable Final Terms; or
- (ii) if no Specified Interest Payment Date(s) is/are specified in the applicable Final Terms, each date (each such date, together with each Specified Interest Payment Date, an "**Interest Payment Date**") which falls the number of months or other period specified as the Specified Period in the applicable Final Terms after the preceding Interest Payment Date or, in the case of the first Interest Payment Date, after the Interest Commencement Date.

Such interest will be payable in respect of each interest period (an "**Interest Period**", which expression shall, in these Terms and Conditions, mean the period from (and including) an Interest Payment Date (or the Interest Commencement Date) to (but excluding) the next (or first) Interest Payment Date) or the relevant payment date if the Notes become payable on a date other than an Interest Payment Date.

(b) *Rate of Interest*

The Rate of Interest or Rate payable from time to time in respect of Floating Rate Notes, Inflation Index-Linked Interest Notes, Foreign Exchange (FX) Rate-Linked Interest Notes, Underlying Interest Rate-Linked Interest Notes, Equity Index Linked-Interest Notes and, in the case of Exempt Notes only, Variable Interest Rate Notes, will be determined in the manner specified in the applicable Final Terms.

(i) *ISDA Determination for Floating Rate Notes*

If the Interest Rate or Rate is specified as being Floating Rate and ISDA Determination is specified in the applicable Final Terms as the manner in which the Rate of Interest or Rate is to be determined, the Rate of Interest or Rate, as the case may be, for each Interest Period will be the relevant ISDA Rate plus or minus (as indicated in the applicable Final Terms) the

Margin (if any) specified in the applicable Final Terms. For the purposes of this Condition 4.2(b)(i), "**ISDA Rate**" for an Interest Period means a rate equal to the Floating Rate that would be determined by the Agent or the Calculation Agent, as applicable, under an interest rate swap transaction if the Agent or the Calculation Agent, as applicable, were acting as Calculation Agent (as defined in the ISDA Definitions) for that swap transaction under the terms of an agreement incorporating the 2006 ISDA Definitions (as amended and updated as at the Issue Date of the first Tranche of the Notes of the relevant Series) as published by the International Swaps and Derivatives Association, Inc. (the "**ISDA Definitions**") and under which:

- (A) the Floating Rate Option is as specified in the applicable Final Terms;
- (B) the Designated Maturity is a period specified in the applicable Final Terms; and
- (C) the relevant Reset Date is as specified in the applicable Final Terms.

For the purposes of this Condition 4.2(b)(i), "**Floating Rate**" for a swap transaction, "**Floating Rate Option**", "**Designated Maturity**" and "**Reset Date**" have the meanings given to those terms in the ISDA Definitions.

(ii) *Screen Rate Determination for Floating Rate Notes*

(A) LIBOR and EURIBOR

- I. If the Interest Rate or Rate is specified as being Floating Rate and Screen Rate Determination is specified as "Applicable: IBOR" in the applicable Final Terms as the manner in which the Rate of Interest or Rate is to be determined, the Rate of Interest or Rate, as the case may be, for each Interest Period will, subject as provided below, be either:

- 1. the offered quotation; or
- 2. the arithmetic mean (rounded if necessary to the fifth decimal place, with 0.000005 being rounded upwards) of the offered quotations,

(expressed as a percentage rate per annum) for the Reference Rate (being either the London interbank offered rate ("**LIBOR**") or the Euro-zone interbank offered rate ("**EURIBOR**"), as specified in the applicable Final Terms) which appears or appear, as the case may be, on the Relevant Screen Page (or such replacement page on that service which displays the information) as at the Specified Time indicated in the applicable Final Terms (which will be 11.00 a.m., London time, in the case of LIBOR, or Brussels time in the case of EURIBOR) (or, in the case of any other Reference Rate, the time specified in the applicable Pricing Supplement) (the "**Screen Page Reference Rate**") on the relevant Interest Determination Date, plus or minus (as indicated in the applicable Final Terms) the Margin (if any), all as determined by the Agent or the Calculation Agent, as applicable. If five or more of such offered quotations are available on the Relevant Screen Page, the highest (or, if there is more than one such highest quotation, one only of such quotations) and the lowest (or, if there is more than one such lowest quotation, one only of such quotations) shall be disregarded by the Agent or the Calculation Agent, as applicable, for the purpose of determining the arithmetic mean (rounded as provided above) of such offered quotations.

- II. If the Relevant Screen Page is not available or if in the case of sub-Condition 4.2(b)(ii)(A)I.1 above, no such offered quotation appears or, in the case of sub-Condition 4.2(b)(ii)(A)I.2 above, fewer than three such offered quotations appear, in each case as at the Specified Time, except as provided in sub-Condition 4.2(b)(ii)(A)III below, the Agent or the Calculation Agent, as applicable (and with the assistance of the Issuer, if required), shall request each of the Reference Banks to provide the Agent or the Calculation Agent, as applicable, with its offered quotation (expressed as a percentage rate per annum) for the Reference Rate at the Specified Time on the Interest Determination Date in question. If two or more of the Reference Banks provide the Agent or the Calculation Agent, as applicable, with such offered quotations, the Rate of Interest or Rate, as the case may be, for such Interest Period shall be the arithmetic mean (rounded if necessary to the fifth decimal place with 0.000005 being rounded upwards) of such offered quotations, eliminating the highest quotation (or, in the event that two or more quotations are identical, one of the highest) and the lowest (or, in the event that two or more quotations are identical, one of the lowest), plus or minus (as applicable) the Margin (if any), all as determined by the Agent or the Calculation Agent, as applicable.

If on any Interest Determination Date one only or none of the Reference Banks provides the Agent or the Calculation Agent, as applicable, with such offered quotations as provided in the preceding paragraph, the Rate of Interest or Rate for the relevant Interest Period shall be the rate per annum which the Agent or the Calculation Agent, as applicable, determines as being the arithmetic mean (rounded if necessary to the fifth decimal place, with 0.000005 being rounded upwards) of the rates, as communicated to the Agent or the Calculation Agent, as applicable, by the Reference Banks or any two or more of them, at which such banks were offered, at the Specified Time on the relevant Interest Determination Date, deposits in the Specified Currency for a period equal to that which would have been used for the Reference Rate by leading banks in the London interbank market (if the Reference Rate is LIBOR) or the Euro-zone interbank market (if the Reference Rate is EURIBOR) or the interbank market of the Relevant Financial Centre (if any other Reference Rate is used (in the case of Exempt Notes only)) plus or minus (as applicable) the Margin (if any), as determined by the Agent or the Calculation Agent, as applicable. If fewer than two of the Reference Banks provide the Agent or the Calculation Agent, as applicable, with such offered rates, the Rate of Interest or the Rate, as the case may be, for the relevant Interest Period shall be the offered rate for deposits in the Specified Currency for a period equal to that which would have been used for the Reference Rate, or the arithmetic mean (rounded as provided above) of the offered rates for deposits in the Specified Currency for a period equal to that which would have been used for the Reference Rate, at which, at the Specified Time on the relevant Interest Determination Date, any one or more banks (which bank or banks is or are in the opinion of the Issuer suitable for such purpose) informs the Agent or the Calculation Agent, as applicable, it is quoting to leading banks in the London interbank market (if the Reference Rate is LIBOR) or the Euro-zone interbank market (if the Reference Rate is EURIBOR) or the interbank market of the Relevant Financial Centre (if any other Reference Rate is used (in the case of Exempt Notes only)) plus or minus (as applicable) the Margin (if any), as determined by the Agent or the Calculation Agent, as applicable.

If the Rate of Interest or Rate, as the case may be, cannot be determined in accordance with the foregoing provisions of this paragraph, the Rate of Interest or Rate, as the case may be, shall be equal to the Last Reference Rate on the Relevant Screen Page plus or minus (as applicable) the Margin (if any) as determined by the Agent or the Calculation Agent, as applicable, except that if the Issuer, the Agent or the Calculation Agent, as applicable, determines that the absence of the quotation is due to the discontinuation of the Screen Page Reference Rate or the occurrence of a Reference Rate Fallback Event, then the Reference Rate will be determined in accordance with paragraph III below.

- III. If (i) the Issuer (where the Rate of Interest or Rate is to be determined by the Agent), or (ii) otherwise, the Calculation Agent, as applicable, determines at any time prior to any Interest Determination Date, that the Screen Page Reference Rate has been discontinued or a Reference Rate Fallback Event has occurred, the Agent or the Calculation Agent, as applicable, will use, as a substitute for the Screen Page Reference Rate, an alternative reference rate determined by the Issuer or the Calculation Agent, as applicable, to be the alternative reference rate selected by the central bank, reserve bank, monetary authority or any similar institution (including any committee or working group thereof) in the jurisdiction or region of the Specified Currency (each a "**Relevant Nominating Body**") that is consistent with industry accepted standards, provided that, if two or more alternative reference rates are selected by any Relevant Nominating Body, the Issuer or the Calculation Agent, as applicable, shall determine which of those alternative reference rates is most appropriate to preserve the economic features of the relevant Notes. If the Issuer or the Calculation Agent, as applicable, is unable to determine such an alternative reference rate (and in the case of the Calculation Agent, has notified the Issuer thereof), the Issuer or the Calculation Agent, as applicable, will as soon as reasonably practicable (and in any event before the Business Day prior to the applicable Interest Determination Date) appoint an agent (the "**Reference Rate Determination Agent**"), which will determine whether a substitute or successor rate, which is substantially comparable to the Screen Page Reference Rate, is available for the purpose of determining the Reference Rate on each Interest Determination Date falling on or after the date of such determination. If the Reference Rate Determination Agent determines that there is an industry accepted successor rate, the Reference Rate Determination Agent will notify the Issuer and, if applicable, the Calculation Agent, of such successor rate to be used by the Agent or the Calculation Agent, as applicable, to determine the Rate of Interest.

If the Reference Rate Determination Agent, the Issuer or the Calculation Agent, as applicable, has determined a substitute or successor rate in accordance with the foregoing paragraph (such rate, the "**Replacement Reference Rate**"), for the purpose of determining the Reference Rate on each Interest Determination Date falling on or after such determination:

1. the Reference Rate Determination Agent, the Issuer or the Calculation Agent, as applicable, will also determine the changes (if any) required to the applicable Business Day Convention, the definition of Business Day, the Interest Determination Date, the Day Count Fraction, and any method for obtaining the Replacement Reference Rate, including any adjustment needed to make such

Replacement Reference Rate comparable to the Screen Page Reference Rate, including, where applicable, to reflect any increased costs of the Issuer providing such exposure to the Replacement Reference Rate, in each case acting in good faith and in a commercially reasonable manner that is consistent with industry-accepted practices for such Replacement Reference Rate;

2. references to the Reference Rate in these Conditions will be deemed to be references to the relevant Replacement Reference Rate, including any alternative method for determining such rate as described in 1 above;
3. the Reference Rate Determination Agent or the Calculation Agent, where relevant, will notify the Issuer of the Replacement Reference Rate, and the details described in 1 above, as soon as reasonably practicable; and
4. the Issuer will give notice to the Noteholders in accordance with Condition 13, the Agent and, where relevant, the Calculation Agent of the Replacement Reference Rate, and the details described in 1 above as soon as reasonably practicable, but in any event no later than 5:00 p.m. (London time) on the Business Day prior to the applicable Interest Determination Date.

The determination of the Replacement Reference Rate and the other matters referred to above by the Reference Rate Determination Agent, the Issuer or the Calculation Agent, as applicable, will (in the absence of manifest error) be final and binding on the Issuer, the Agent, the Calculation Agent and the Noteholders, unless the Issuer, the Calculation Agent or the Reference Rate Determination Agent determines at a later date that the Replacement Reference Rate is no longer substantially comparable to the Reference Rate or does not constitute an industry accepted successor rate, in which case the Issuer or the Calculation Agent, as applicable, shall appoint or re-appoint a Reference Rate Determination Agent, as the case may be (which may or may not be the same entity as the original Reference Rate Determination Agent or the Calculation Agent) for the purpose of confirming the Replacement Reference Rate or determining a substitute Replacement Reference Rate in an identical manner as described in this paragraph III. If the Replacement Reference Rate Determination Agent, the Issuer or the Calculation Agent, as applicable, is unable to or otherwise does not determine a substitute Replacement Reference Rate, then the Replacement Reference Rate will remain unchanged.

The Reference Rate Determination Agent may be (i) a leading bank, broker-dealer or benchmark agent in the principal financial centre of the Settlement Currency as appointed by the Issuer or the Calculation Agent, as applicable, (ii) the Issuer, (iii) an affiliate of the Issuer or the Calculation Agent, or (iv) such other entity that the Issuer in its sole discretion determines to be competent to carry out such role.

If the relevant Reference Rate Fallback Event may also constitute an Administrator/Benchmark Event in the determination of the Calculation Agent pursuant to Condition 6.12, the provisions of this Condition 4.2(b)(ii)(A)III will apply.

For the purposes these Conditions, "**Reference Rate Fallback Event**" means, in relation to any Screen Page Reference Rate the occurrence of any of the following, as determined by the Calculation Agent:

- (i) the Screen Page Reference Rate ceasing to exist or ceasing to be published for a period of at least six (6) consecutive Business Days or having been permanently or indefinitely discontinued;
- (ii) the making of a public statement or publication of information (provided that, at the time of any such event, there is no successor administrator that will provide the Screen Page Reference Rate) by or on behalf of (i) the administrator of the Screen Page Reference Rate, or (ii) the supervisor, insolvency official, resolution authority, central bank or competent court having jurisdiction over such administrator stating that (x) the administrator has ceased or will cease permanently or indefinitely to provide the Screen Page Reference Rate, (y) the Screen Page Reference Rate, has been or will be permanently or indefinitely discontinued, or (z) the Screen Page Reference Rate, has been or will be prohibited from being used or that its use has been or will be subject to restrictions or adverse consequences, either generally, or in respect of the Notes, provided that, if such public statement or publication mentions that the event or circumstance referred to in (x), (y) or (z) above will occur on a date falling later than three (3) months after the relevant public statement or publication, the Reference Rate Fallback Event shall be deemed to occur on the date falling three (3) months prior to such specified date (and not the date of the relevant public statement);
- (iii) it has or will prior to the next Interest Determination Date (as applicable), become unlawful for the Agent, the Calculation Agent or any other party responsible for determining the Screen Page Reference Rate, to calculate any payments due to be made to any Noteholder using the Screen Page Reference Rate (including, without limitation, under BMR, if applicable); or
- (iv) the making of a public statement or publication of information that any authorisation, registration, recognition, endorsement, equivalence decision, approval or inclusion in any official register in respect of the Screen Page Reference Rate or the administrator of the Screen Page Reference Rate has not been, or will not be, obtained or has been, or will be, rejected, refused, suspended or withdrawn by the relevant competent authority or other relevant official body, in each case with the effect that the use of the Screen Page Reference Rate, is not or will not be permitted under any applicable law or regulation, such that the Agent or the Calculation Agent or any other party responsible for determining the Screen Page Reference Rate, is unable to perform its obligations in respect of the Notes.

A change in the methodology of the Screen Page Reference Rate, shall not, absent the occurrence of one of the above, be deemed a Reference Rate Fallback Event.

If the Interest Rate or Rate is specified as being Floating Rate and Screen Rate Determination is specified as "Applicable: SONIA" in the applicable Final Terms as the manner in which a Rate of Interest or Rate is to be determined, such Rate of Interest or Rate, as the case may be, for each Interest Period will be calculated in accordance with Condition 4.2(b)(ii)(B)I or 4.2(b)(ii)(B)II below, subject to the provisions of Condition 4.2(b)(ii)(B)IV.

- I. Where the Calculation Method is specified in the applicable Final Terms as being "Compounded Daily", the Rate of Interest or Rate, as the case may be, for each Interest Period will be the Compounded Daily SONIA plus or minus (as indicated in the applicable Final Terms) the Margin (if any), all as determined by the Agent or the Calculation Agent, as applicable.
- II. Where the Calculation Method is specified in the applicable Final Terms as being "Weighted Average", the Rate of Interest or Rate, as the case may be, for each Interest Period will be the Weighted Average SONIA plus or minus (as indicated in the applicable Final Terms) the Margin (if any), all as determined by the Agent or the Calculation Agent, as applicable, on the Interest Determination Date and the resulting percentage being rounded (if necessary) to the fifth decimal place, with 0.000005 being rounded upwards.
- III. The following definitions shall apply for the purpose of this Condition 4.2(b)(ii)(B):

"Compounded Daily SONIA" means, with respect to an Interest Period, the rate of return of a daily compound interest investment in Sterling (with the daily Sterling overnight reference rate as the reference rate for the calculation of interest) calculated by the Agent or the Calculation Agent, as applicable, on the Interest Determination Date in accordance with the following formula:

$$\left[\prod_{i=1}^{d_o} \left(1 + \frac{\text{SONIA}_{i-\text{PLBD}} \times n_i}{365} \right) - 1 \right] \times \frac{365}{d}$$

where the resulting percentage will be rounded (if necessary) to the fifth decimal place, with 0.000005 being rounded upwards.

"d" means, in respect of an Interest Period, the number of calendar days in such Interest Period;

"d_o" means, in respect of an Interest Period, the number of London Business Days in the relevant Interest Period;

"i" means a series of whole numbers from one to d_o, each representing the relevant London Business Days in chronological order from (and including) the first London Business Day in the relevant Interest Period;

"Lock-out Period" means, in respect of an Interest Period, the period from (and including) the day following the Interest Determination Date to (but excluding) the Interest Period End Date falling at the end of such Interest Period;

"London Business Day" means a day on which commercial banks and foreign exchange markets settle payments and are open for general business

(including dealing in foreign exchange and foreign currency deposits) in London;

"Lookback Period" or "p" means, in respect of an Interest Period where "Lag" is specified as the Observation Method in the applicable Final Terms, the number of London Business Days specified in the applicable Final Terms (or, if no such number is specified, five London Business Days);

"n_i" means, in respect of a London Business Day i, the number of calendar days from (and including) such London Business Day i up to (but excluding) the following London Business Day;

"Observation Lookback Period" means, in respect of an Interest Period, the period from (and including) the date falling p London Business Days prior to the first day of the relevant Interest Period and ending on (but excluding) the date which is p London Business Days prior to the Interest Period End Date falling at the end of such Interest Period;

"Reference Day" means each London Business Day in the relevant Interest Period that is not a London Business Day falling in the Lock-out Period;

"SONIA i" means:

- (i) if "Lag" is specified as the Observation Method in the applicable Final Terms, the SONIA Rate in respect of pLBD in respect of the relevant London Business Day i; or
- (ii) if "Lock-out" is specified as the Observation Method in the applicable Final Terms:
 - (A) in respect of any London Business Day i that is a Reference Day, the SONIA Rate in respect of the London Business Day immediately preceding such Reference Day; otherwise
 - (B) the SONIA Rate in respect of the London Business Day immediately preceding the Interest Determination Date for the relevant Interest Period;

"SONIA_{i-pLBD}" means:

- (i) if "Lag" is specified as the Observation Method in the applicable Final Terms, in respect of a London Business Day i, SONIA i in respect of the London Business Day falling p London Business Days prior to such London Business Day i ("**pLBD**"); or
- (ii) if "Lock-out" is specified as the Observation Method in the applicable Final Terms, in respect of a London Business Day i, SONIA i in respect of such London Business Day i.

"SONIA Rate" means, in respect of any London Business Day, a reference rate equal to the daily Sterling Overnight Index Average rate for such London Business Day, as provided by the administrator of SONIA to authorised distributors and as then published on the Relevant Screen Page (or, if the Relevant Screen Page is unavailable, as otherwise published by

such authorised distributors) on the London Business Day immediately following such London Business Day; and

"Weighted Average SONIA" means:

- (i) where "Lag" is specified as the Observation Method in the applicable Final Terms, the sum of the SONIA Rate in respect of each calendar day during the relevant Observation Lookback Period divided by the number of calendar days during such Observation Lookback Period. For these purposes, the SONIA Rate in respect of any calendar day which is not a London Business Day shall be deemed to be the SONIA Rate in respect of the London Business Day immediately preceding such calendar day; or
- (ii) where "Lock-out" is specified as the Observation Method in the applicable Final Terms, the sum of the SONIA Rate in respect of each calendar day during the relevant Interest Period divided by the number of calendar days in the relevant Interest Period, provided that, for any calendar day of such Interest Period falling in the Lock-out Period for the relevant Interest Period, the SONIA Rate for such calendar day will be deemed to be the SONIA Rate in respect of the London Business Day immediately preceding the first day of such Lock-out Period. For these purposes, the SONIA Rate in respect of any calendar day which is not a London Business Day shall, subject to the preceding proviso, be deemed to be the SONIA Rate in respect of the London Business Day immediately preceding such calendar day.

IV. If, in respect of any London Business Day, the SONIA Rate is not available on the Relevant Screen Page (and has not otherwise been published by the relevant authorised distributors), such SONIA Rate shall be:

- 1. the Bank of England's Bank Rate (the **"Bank Rate"**) prevailing at the close of business on the relevant London Business Day; plus (ii) the arithmetic mean of the spread of SONIA to the Bank Rate over the previous five days in respect of which SONIA has been published, excluding the highest spread (or, if there is more than one highest spread, one only of those highest spreads) and lowest spread (or, if there is more than one lowest spread, one only of those lowest spreads); or
- 2. if such Bank Rate is not available, the SONIA Rate published on the Relevant Screen Page (or otherwise published by the relevant authorised distributors) for the immediately preceding London Business Day on which the SONIA Rate was published on the Relevant Screen Page (or otherwise published by the relevant authorised distributors), and

such rate shall be deemed to be the SONIA Rate for such London Business Day.

Notwithstanding the foregoing, in the event of the Bank of England publishing guidance as to (i) how the SONIA Rate is to be determined or (ii) any rate that is to replace the SONIA Rate, the Agent or the Calculation Agent, as applicable, shall follow such guidance to determine the SONIA

Rate for so long as the SONIA Rate is not available or has not been published by the authorised distributors.

In the event that the Rate of Interest cannot be determined in accordance with the foregoing provisions in respect of an Interest Period, the Rate of Interest shall be (i) that determined as at the immediately preceding Interest Determination Date (though substituting, where a different Margin, Maximum Rate of Interest and/or Minimum Rate of Interest is to be applied to the relevant Interest Period from that which applied to the immediately preceding Interest Period, the Margin, Maximum Rate of Interest and/or Minimum Rate of Interest relating to the relevant Interest Period, in place of the Margin, Maximum Rate of Interest and/or Minimum Rate of Interest relation to the immediately preceding Interest Period); or (ii) if there is no such preceding Interest Determination Date, the initial Rate of Interest which would have applicable to such Series of Notes for the first Interest Period had the Notes been in issue for a period equal in duration to the scheduled first Interest Period but ending on (and excluding) the Interest Commencement Date (subject to the application of the relevant Margin or Maximum Rate of Interest or Minimum Rate of Interest in respect of such Interest Period).

In the case of Exempt Notes only, if the Reference Rate from time to time in respect of Floating Rate Notes is specified in the applicable Pricing Supplement as being other than the LIBOR, EURIBOR or SONIA, the Rate of Interest or Rate in respect of such Notes will be determined as provided in the applicable Pricing Supplement.

(c) *Minimum and/or Maximum Interest Rate*

If the applicable Final Terms specifies a Minimum Interest Rate for any Interest Period, then, in the event that the Rate of Interest or Rate in respect of such Interest Period determined in accordance with the provisions of paragraph (b) above is less than such Minimum Interest Rate, the Rate of Interest or Rate, as the case may be, for such Interest Period shall be such Minimum Interest Rate.

Unless otherwise specified in the applicable Final Terms, the Minimum Interest Rate shall be deemed to be zero.

If the applicable Final Terms specifies a Maximum Interest Rate for any Interest Period, then, in the event that the Rate of Interest or Rate in respect of such Interest Period determined in accordance with the provisions of paragraph (b) above is greater than such Maximum Interest Rate, the Rate of Interest or Rate, as the case may be, for such Interest Period shall be such Maximum Interest Rate.

(d) *Determination of Rate of Interest, Rate and Calculation of Interest Amounts*

The Agent or the Calculation Agent, as applicable, in the case of Floating Rate Notes, or the Calculation Agent, in the case of Inflation Index-Linked Interest Notes, Foreign Exchange (FX) Rate-Linked Interest Notes, Underlying Interest Rate-Linked Interest Notes, Equity Index Linked-Interest Notes and/or, in the case of Exempt Notes only, Variable Interest Rate Notes, or any other party responsible for calculating the Rate(s) of Interest and Interest Amount(s) will at, or as soon as practicable after, each time at which the Rate of Interest and/or Rate is to be determined, determine the Rate of Interest and/or Rate, as the case may be for the relevant Interest Period. In the case of Inflation Index-Linked Interest Notes, Foreign Exchange (FX) Rate-Linked Interest Notes, Underlying Interest Rate-Linked Interest Notes, Equity Index Linked-Interest Notes and/or, in the case of Exempt Notes only, Variable Interest Rate Notes, the Calculation Agent will notify the Agent of the Rate of Interest for the relevant Interest Period as soon as practicable after calculating the same.

The Agent or the Calculation Agent, as applicable, will calculate the amount of interest (the "**Interest Amount**") payable on the Floating Rate Notes, Inflation Index-Linked Interest Notes, Foreign Exchange (FX) Rate-Linked Interest Notes, Underlying Interest Rate-Linked Interest Notes, Equity Index Linked-Interest Notes and/or, in the case of Exempt Notes only, Variable Interest Rate Notes, in respect of each Specified Denomination for the relevant Interest Period. Each such Interest Amount shall be calculated by applying the Rate of Interest to the Calculation Amount, multiplying such sum by the applicable Day Count Fraction and rounding the resultant figure to the nearest sub-unit of the relevant Specified Currency, (half of any such sub-unit being rounded upwards or otherwise in accordance with applicable market convention) and multiplying such rounded figure by a fraction equal to the Specified Denomination of such Note divided by the Calculation Amount.

"Day Count Fraction" means, in respect of the calculation of an amount of interest on any Note for any period of time (the "**Calculation Period**"), such day count fraction as may be specified in these Conditions or the applicable Final Terms:

- (i) if "**Actual/Actual (ICMA)**" is so specified:
 - (A) where the Calculation Period is equal to or shorter than the Regular Period during which it falls, the actual number of days in the Calculation Period divided by the product of (1) the actual number of days in such Regular Period and (2) the number of Regular Periods in any year; and
 - (B) where the Calculation Period is longer than one Regular Period, the sum of:
 - (1) the actual number of days in such Calculation Period falling in the Regular Period in which it begins divided by the product of (a) the actual number of days in such Regular Period and (b) the number of Regular Periods in any year; and
 - (2) the actually number of days in such Calculation Period falling in the next Regular Period divided by the product of (a) the actual number of days in such Regular Period and (b) the number of Regular Periods in any year;

where:

"Regular Period" means:

- (A) in the case of Notes where interest is scheduled to be paid only by means of regular payments, each period from and including the Interest Commencement Date to but excluding the first Interest Payment Date and each successive period from and including one Interest Payment Date to but excluding the next Interest Payment Date;
- (B) in the case of Notes where, apart from the first Interest Period, interest is scheduled to be paid only by means of regular payments, each period from and including a Regular Date falling in any year to but excluding the next Regular Date, where "**Regular Date**" means the day and month (but not the year) on which any Interest Payment Date falls; and
- (C) in the case of Notes where, apart from one Interest Period other than the first Interest Period, interest is scheduled to be paid only by means of regular payments, each period from and including a Regular Date falling in any year to but excluding the next Regular Date, where "**Regular Date**" means the day and month (but not the year) on which any Interest Payment Date falls other than the Interest Payment Date falling at the end of the irregular Interest Period;

- (ii) if "**Actual/Actual**" is so specified, the actual number of days in the Calculation Period divided by 365 (or, if any portion of the Calculation Period falls in a leap year, the sum of (A) the actual number of days in that portion of the Calculation Period falling in a leap year divided by 366 and (B) the actual number of days in that portion of the Calculation Period falling in a non-leap year divided by 365);
- (iii) if "**Actual/365 (Fixed)**" is so specified, the actual number of days in the Calculation Period divided by 365;
- (iv) if "**Actual/360**" is so specified, the actual number of days in the Calculation Period divided by 360;
- (v) if "**30/360**", "**360/360**" or "**Bond Basis**" is so specified, the number of days in the Calculation Period divided by 360, calculated on a formula basis as follows:

$$\text{Day Count Fraction} = \frac{[360 \times (Y_2 - Y_1)] + [30 \times (M_2 - M_1)] + (D_2 - D_1)}{360}$$

where:

"**Y₁**" is the year, expressed as a number, in which the first day of the Calculation Period falls;

"**Y₂**" is the year, expressed as a number, in which the day immediately following the last day included in the Calculation Period falls;

"**M₁**" is the calendar month, expressed as a number, in which the first day of the Calculation Period falls;

"**M₂**" is the calendar month, expressed as a number, in which the day immediately following the last day included in the Calculation Period falls;

"**D₁**" is the first calendar day, expressed as a number, of the Calculation Period, unless such number would be 31, in which case D₁ will be 30; and

"**D₂**" is the calendar day, expressed as a number, immediately following the last day included in the Calculation Period, unless such number would be 31 and D₁ is greater than 29, in which case D₂ will be 30; and

- (vi) if "**30E/360**" or "**Eurobond Basis**" is so specified, the number of days in the Calculation Period divided by 360, calculated on a formula basis as follows:

$$\text{Day Count Fraction} = \frac{[360 \times (Y_2 - Y_1)] + [30 \times (M_2 - M_1)] + (D_2 - D_1)}{360}$$

where:

"**Y₁**" is the year, expressed as a number, in which the first day of the Calculation Period falls;

"**Y₂**" is the year, expressed as a number, in which the day immediately following the last day included in the Calculation Period falls;

"**M₁**" is the calendar month, expressed as a number, in which the first day of the Calculation Period falls;

"M₂" is the calendar month, expressed as a number, in which the day immediately following the last day included in the Calculation Period falls;

"D₁" is the first calendar day, expressed as a number, of the Calculation Period, unless such number would be 31, in which case D₁ will be 30; and

"D₂" is the calendar day, expressed as a number, immediately following the last day included in the Calculation Period, unless such number would be 31, in which case D₂ will be 30.

(e) *Notification of Rate of Interest and Interest Amounts*

The Agent or the Calculation Agent, as applicable, and/or the party responsible for calculating the Rate(s) of Interest and Interest Amount(s) will cause the Rate of Interest and each Interest Amount (except that if the Calculation Amount is less than the minimum Specified Denomination, the Agent and/or the party responsible for calculating the Interest Amount(s) shall not be obliged to publish each Interest Amount but instead may publish only the Calculation Amount and the Interest Amount in respect of a Note having the minimum Specified Denomination) for each Interest Period and the relevant Interest Payment Date to be notified to the Issuer and any relevant stock exchange and/or quotation system on which the Notes are admitted to listing, trading and/or quotation and notice thereof to be published in accordance with Condition 13 as soon as possible after their determination but in no event later than the fourth Luxembourg Business Day (where the expression "**Luxembourg Business Day**" means a day (other than a Saturday or a Sunday) on which banks and foreign exchange markets are open for business and settle payments in Luxembourg) after such determination. To the extent required by the rules of any stock exchange on which the relevant Floating Rate Notes or Inflation Index-Linked Interest Notes, Foreign Exchange (FX) Rate-Linked Interest Notes and/or Underlying Interest Rate-Linked Interest Notes and/or Equity Index Linked-Interest Notes are for the time being listed and admitted to trading, the Issuer will also make available to Noteholders on request the Rate of Interest, Rate, Interest Amount, Interest Period and Interest Payment Date relating to each Interest Period. Each Interest Amount and Interest Payment Date so notified may subsequently be amended (or appropriate alternative arrangements made by way of adjustment) without prior notice in the event of an extension or shortening of the Interest Period. Any such amendment will, to the extent required by the rules of the relevant stock exchanges, be promptly notified to each stock exchange on which the relevant Floating Rate Notes or Inflation Index-Linked Interest Notes, Foreign Exchange (FX) Rate-Linked Interest Notes and/or Underlying Interest Rate-Linked Interest Notes are for the time being listed and admitted to trading and to the Noteholders in accordance with Condition 13.

(f) *Certificates to be Final*

All certificates, communications, opinions, determinations, calculations, quotations and decisions given, expressed, made or obtained for the purposes of the provisions of this Condition 4.2, whether by the Agent or, if applicable, the Calculation Agent, shall (in the absence of wilful default, bad faith or manifest error) be binding on the Issuer, the Agent, the Calculation Agent (if applicable), the other Paying Agents and all Noteholders, Receiptholders and Couponholders and (in the absence as aforesaid) no liability to the Issuer, the Noteholders, the Receiptholders or the Couponholders shall attach to the Agent or the Calculation Agent (if applicable) in connection with the exercise or non-exercise by it of its powers, duties and discretions pursuant to such provisions.

4.3 Exempt Notes

This Condition applies to Exempt Notes only.

The rate or amount of interest payable in respect of Exempt Notes which are not also Fixed Rate Notes or Floating Rate Notes, including but not limited to Variable Interest Rate Notes, shall be determined in the manner specified in the applicable Pricing Supplement.

(a) *Interest on Dual Currency Notes*

In the case of Dual Currency Notes, the rate or amount of interest payable shall be determined in the manner specified in the applicable Pricing Supplement.

(b) *Interest on Partly Paid Notes*

In the case of Partly Paid Notes (other than Partly Paid Notes which are Zero Coupon Notes), interest will accrue in accordance with this Condition 4 on the paid-up nominal amount of such Notes and otherwise as specified in the applicable Pricing Supplement.

4.4 Accrual of Interest

Each Note (or in the case of the redemption of part only of a Note, that part only of such Note) will cease to bear interest (if any) from the date for its redemption unless such Note is redeemed early. If such Note is redeemed early (a) if the applicable Final Terms specify that Accrual to Redemption is applicable, interest will cease to accrue on the due date for redemption or (b) if the applicable Final Terms specify that Accrual to Redemption is not applicable, no interest shall accrue or be payable in respect of which the relevant Interest Payment Date has not occurred on or prior to the due date for redemption of such Note. If, upon due presentation thereof, payment of principal is improperly withheld or refused. In such event, interest will continue to accrue until the date which is the earlier of:

- (a) the date on which all amounts due in respect of such Note have been paid; and
- (b) five days after the date on which the full amount of the monies payable in respect of such Note has been received by the Agent and notice to that effect has been given to the Noteholders in accordance with Condition 13.

4.5 General provisions applicable to interest

If a Business Day Convention is specified in the applicable Final Terms and (x) if there is no numerically corresponding day in the calendar month on which an Interest Payment Date should occur, or (y) if any Interest Payment Date would otherwise fall on a day which is not a Business Day, then, if the Business Day Convention specified is:

- (a) in any case where Interest Periods are specified in accordance with Condition 4.2(a)(ii), the Floating Rate Convention, such Interest Payment Date (i) in the case of (x) above, shall be the last day that is a Business Day in the relevant month and the provisions of (b) below shall apply *mutatis mutandis*, or (ii), in the case of (y) above, shall be postponed to the next day which is a Business Day unless it would thereby fall into the next calendar month, in which event (A) such Interest Payment Date shall be brought forward to the immediately preceding Business Day and (B) each subsequent Interest Payment Date shall be the last Business Day in the month which falls in the Specified Period after the preceding applicable Interest Payment Date occurred; or
- (b) the Following Business Day Convention, such Interest Payment Date shall be postponed to the next day which is a Business Day; or
- (c) the Modified Following Business Day Convention, such Interest Payment Date shall be postponed to the next day which is a Business Day unless it would thereby fall into the next

calendar month, in which event such Interest Payment Date shall be brought forward to the immediately preceding Business Day; or

- (d) the Preceding Business Day Convention, such Interest Payment Date shall be brought forward to the immediately preceding Business Day.

In the Conditions, "**Business Day**" means:

- (i) a day on which commercial banks and foreign exchange markets settle payments and are open for general business (including dealing in foreign exchange and foreign currency deposits) in any Additional Business Centre (other than TARGET2) specified in the applicable Final Terms;
- (ii) if TARGET2 is specified as an Additional Business Centre in the applicable Final Terms, a TARGET Settlement Day; and
- (iii) either (A) in relation to any sum payable in a Specified Currency other than euro, a day on which commercial banks and foreign exchange markets settle payments and are open for general business (including dealing in foreign exchange and foreign currency deposits) in the principal financial centre of the country of the relevant Specified Currency (if other than any Additional Business Centre and which if the Specified Currency is Australian dollars or New Zealand dollars shall be Melbourne or Wellington, respectively) or (B) in relation to any sum payable in euro, a TARGET Settlement Day.

"**Reference Banks**" means, in the case of a determination of LIBOR, the principal London office of four major banks in the London inter-bank market, and in the case of a determination of EURIBOR, the principal Euro-zone office of four major banks in the Euro-zone inter-bank market, in each case selected by the Agent or the Calculation Agent, as applicable.

"**TARGET2**" means the Trans-European Automated Real-Time Gross Settlement Express Transfer payment system which utilises a single shared platform and which was launched on 19 November 2007.

"**TARGET Settlement Day**" means any day on which TARGET2 is open for the settlement of payments in euro.

5. PAYMENTS

5.1 Method of Payment

Subject as provided below:

- (a) payments in a Specified Currency other than euro will be made by credit or transfer to an account in the relevant Specified Currency (which, in the case of a payment in Japanese Yen to a non-resident of Japan, shall be a non-resident account) maintained by the payee with, or at the option of the payee by a cheque in such Specified Currency drawn on a bank in the principal financial centre of the country of such Specified Currency (which, if the Specified Currency is Australian or New Zealand dollars, shall be Melbourne or Wellington respectively); and
- (b) payments in euro will be made by credit or transfer to a euro account (or any other account to which euro may be credited or transferred) specified by the payee or, at the option of the payee, by a euro cheque.

Payments in respect of the Notes will be subject in all cases to (a) any fiscal or other laws and regulations applicable thereto in the place of payment, but without prejudice to the provisions of Condition 7 (*Taxation*) (b) any withholding or deduction required pursuant to Section 871(m) of the U.S. Internal Revenue Code of 1986 (the "**Code**") ("**871(m) Withholding**") and (c) any withholding or deduction required pursuant to an agreement described in Section 1471(b) of the Code or otherwise imposed pursuant to Sections 1471 through 1474 of the Code, any regulations or agreements thereunder, official interpretations thereof, or (without prejudice to the provisions of Condition 7 (*Taxation*)) any law implementing an intergovernmental approach thereto. In addition, and if the Notes are deemed to be Specified Notes for the purpose of Section 871(m) of the Code in determining the amount of 871(m) Withholding imposed with respect to any amounts to be paid on the Notes, the Issuer shall be entitled to withhold on any "dividend equivalent" (as defined for purposes of Section 871(m) of the Code) at the highest rate applicable to such payments regardless of any exemption from, or reduction in, such withholding otherwise available under applicable law.

Payments on the Notes that reference U.S. securities or an index that includes U.S. securities may be calculated by reference to dividends on such U.S. securities that are reinvested at a rate of 70 per cent. In such case, in calculating the relevant payment amount, the Issuer may withhold, and the holder may be deemed to receive, 30 per cent. of any "dividend equivalent" payments (as defined in Section 871(m) of the Code) in respect of the relevant U.S. securities. The Issuer will not pay any additional amounts to the holder on account of the Section 871(m) amount deemed withheld.

5.2 Presentation of Notes, Receipts and Coupons

Payments of principal in respect of Definitive Notes will (subject as provided below) be made in the manner provided in Condition 5.1 above only against presentation and surrender or, in the case of part payment of any sum due, endorsement of Definitive Notes, and payments of interest in respect of Definitive Notes will (subject as provided below) be made as aforesaid only against presentation and surrender or, in the case of part payment of any sum due, endorsement of Coupons, in each case to or to the order of any Paying Agent outside the United States (which expression, as used herein, means the United States of America (including the States and the District of Columbia, its territories, its possessions and other areas subject to its jurisdiction)).

Payments of instalments of principal (if any), other than the final instalment, will (subject as provided below) be made in the manner provided in Condition 5.1 above against presentation and surrender of the relevant Receipt in accordance with the preceding paragraph. Payment of the final instalment will be made in the manner provided in Condition 5.1 above only against presentation and surrender or, in the case of part payment of any sum due, endorsement of the relevant Note. Each Receipt must be presented for payment of the relevant instalment together with the Definitive Note to which it appertains. Receipts presented without the Definitive Note to which they appertain do not constitute valid obligations of the Issuer. Upon the date on which any Definitive Note becomes due and repayable, unmatured Receipts (if any) relating thereto (whether or not attached) shall become void and no payment shall be made in respect thereof.

Fixed Rate Notes in definitive form (other than Dual Currency Notes or Long Maturity Notes (as defined below) and save as provided in Condition 5.4 below), should be presented for payment together with all unmatured Coupons appertaining thereto (which expression shall for this purpose include Coupons falling to be issued on exchange of matured Talons), failing which the amount of any missing unmatured Coupon (or, in the case of payment not being made in full, the same proportion of the amount of such missing unmatured Coupon as the sum so paid bears to the sum due) will be deducted from the sum due for payment. Each amount of principal so deducted will be paid in the manner mentioned above against surrender of the relative missing Coupon at any time before the expiry of 10 years after the Relevant Date (as defined in Condition 7) in respect of such principal (whether or not such Coupon would otherwise have become void under Condition 8) or, if later, five years from the date on which such Coupon would otherwise have become due, but in no event thereafter.

Upon any Fixed Rate Note in definitive form becoming due and repayable prior to its Maturity Date, all unmatured Talons (if any) appertaining thereto will become void and no further Coupons will be issued in respect thereof.

Upon the date on which any Floating Rate Note, Inflation Index-Linked Note, Foreign Exchange (FX) Rate-Linked Note, Underlying Interest Rate-Linked Note, Equity Index Linked-Interest Note, Long Maturity Note or, in the case of Exempt Notes only, Variable Interest Rate Note or Variable Redemption Note in definitive form becomes due and repayable, unmatured Coupons and Talons (if any) relating thereto (whether or not attached) shall become void and no payment or, as the case may be, exchange for further Coupons shall be made in respect thereof. A "**Long Maturity Note**" is a Fixed Rate Note (other than a Fixed Rate Note which on issue has a Talon attached) whose nominal amount on issue is less than the aggregate interest payable thereon provided that such Note shall cease to be a Long Maturity Note on the Interest Payment Date on which the aggregate amount of interest remaining to be paid after that date is less than the nominal amount of such Note.

If the due date for redemption of any Definitive Note is not an Interest Payment Date, interest (if any) accrued in respect of such Definitive Note from (and including) the preceding Interest Payment Date or, as the case may be, the Interest Commencement Date shall be payable only against surrender of the relevant Definitive Note.

5.3 Payments in respect of Global Notes

Payments of principal and interest (if any) in respect of Notes represented by any Global Note will (subject as provided below) be made in the manner specified above in relation to Definitive Notes and otherwise in the manner specified in the relevant Global Note (against presentation or surrender, as the case may be, of such Global Note if the Global Note is not intended to be issued in NGN form) to or to the order of any Paying Agent outside the United States. A record of each payment made against presentation or surrender of any Global Note, distinguishing between any payment of principal and any payment of interest, will be made, (a) in the case of a Global Note in CGN form be made on such Global Note by the Paying Agent to which it was presented and (b) in the case of a Global Note in NGN form, in the records of the relevant ICSD upon the instruction of the Paying Agent to which it was presented and such record shall be prima facie evidence that the payment in question has been made.

5.4 Specific provisions in relation to payments in respect of certain types of Exempt Notes

Upon the date on which any Dual Currency Note becomes due and repayable, unmatured Coupons and Talons (if any) relating thereto (whether or not attached) shall become void and no payment or, as the case may be, exchange for further Coupons shall be made in respect thereof.

5.5 General provisions applicable to payments

The holder of a Global Note shall be the only person entitled to receive payments in respect of Notes represented by such Global Note and the Issuer will be discharged by payment to, or to the order of, the holder of such Global Note in respect of each amount so paid. Each of the persons shown in the records of Euroclear or Clearstream, Luxembourg as the beneficial bearer of a particular nominal amount of Notes represented by such Global Note must look solely to Euroclear or Clearstream, Luxembourg, as the case may be, for his share of each payment so made by the Issuer to, or to the order of, the holder of such Global Note.

Notwithstanding the foregoing, if any amount of principal and/or interest in respect of this Note is payable in U.S. dollars, such U.S. dollar payments of principal and/or interest in respect of this Note will be made at the specified office of a Paying Agent in the United States if:

- (a) the Issuer has appointed Paying Agents with specified offices outside the United States with the reasonable expectation that such Paying Agents would be able to make payment in U.S. dollars at such specified offices outside the United States of the full amount of principal and interest on the Notes in the manner provided above when due;
- (b) payment of the full amount of such principal and interest at all such specified offices outside the United States is illegal or effectively precluded by exchange controls or other similar restrictions on the full payment or receipt of principal and interest in U.S. dollars; and
- (c) such payment is then permitted under United States law without involving, in the opinion of the Issuer, adverse tax consequences to the Issuer.

5.6 Payment Day

If the date for payment of any amount in respect of any Note, Receipt or Coupon is not a Payment Day, the holder thereof shall not be entitled to payment until the next following Payment Day in the relevant place and shall not be entitled to further interest or other payment in respect of such delay.

For these purposes, "**Payment Day**" means any day which is (subject to Condition 8):

- (a) a day on which commercial banks and foreign exchange markets settle payments and are open for general business (including dealing in foreign exchange and foreign currency deposits) in: (i) in the case of Notes in definitive form, the relevant place of presentation; and (ii) any Additional Financial Centre (other than TARGET2) specified in the applicable Final Terms;
- (b) if TARGET2 is specified as an Additional Financial Centre in the applicable Final Terms, a TARGET Settlement Day; and

5.8 FX Settlement Disruption Event

If the Specified Currency specified in the applicable Final Terms is a Relevant Currency, FX Settlement Disruption will apply, and:

- (a) If, on the second Business Day prior to the Disrupted Payment Date, the Calculation Agent (in its sole and absolute discretion) determines that a FX Settlement Disruption Event has occurred and is subsisting, the Issuer shall give notice (a "**FX Settlement Disruption Notice**") to the Noteholders in accordance with Condition 13 as soon as reasonably practicable thereafter and, in any event, prior to the relevant Disrupted Payment Date.
- (b) Following the occurrence of a FX Settlement Disruption Event:
 - (A) the date for payment of the relevant Disrupted Amount will be postponed to (i) the second Business Day following the date on which the Calculation Agent determines that a FX Settlement Disruption Event is no longer subsisting or if earlier (ii) the date falling thirty (30) calendar days following the scheduled due date for payment of the relevant Disrupted Amount (the "**FX Settlement Disruption Cut-off Date**") which, for the avoidance of doubt, may be later than the scheduled Maturity Date; and

- (d) For the avoidance of doubt, no Interest Period will be adjusted as a result of the postponement of any interest payment pursuant to this Condition 5.8, and no additional interest will be paid in respect of any postponement of the date for payment.

(e) For the avoidance of doubt, nothing contained in this Condition 5.8 shall prevent the Issuer and/or Calculation Agent from determining that an Additional Disruption Event and/or Optional Additional Disruption Event has occurred, in which case, the provisions of Inflation Index-Linked Note Condition 3.7 or Foreign Exchange (FX) Rate-Linked Note Condition 6, as applicable, shall prevail in the event of any conflict between such Conditions and this Condition 5.8.

6.1 Redemption at Maturity

Unless previously redeemed or purchased and cancelled as specified below, each Note will be redeemed by the Issuer at its Final Redemption Amount specified in, or determined in the manner specified in, the applicable Final Terms in the relevant Specified Currency on the Maturity Date. The Final Redemption Amount in respect of each Note will be an amount in the relevant Specified Currency equal to (i) the Calculation Amount multiplied by the Final Redemption Percentage, or (ii) the Final Payout, in each case as specified in the applicable Final Terms, provided that, if the product of the Final Payout is zero, no amount will be payable on redemption of the Note.

6.2 Redemption for Tax Reasons

The Notes will be redeemed at the option of the Issuer, in whole, but not in part, at any time (if this Note is neither a Floating Rate Note, an Inflation Index-Linked Note, a Foreign Exchange (FX) Rate-Linked Note, an Underlying Interest Rate-Linked Note, an Equity Index-Linked Note nor, in the case of Exempt Notes only, a Variable Interest Rate Note or a Variable Redemption Note) or on any Interest Payment Date (if this Note is either a Floating Rate Note, an Inflation Index-Linked Note, a Foreign Exchange (FX) Rate-Linked Note, an Underlying Interest Rate-Linked Note, an Equity Index-Linked Note or, in the case of Exempt Notes only, a Variable Interest Rate Note or a Variable Redemption Note), on giving not less than the minimum period nor more than the maximum period of notice to the Agent and, in accordance with Condition 13, the Noteholders (which notice shall be irrevocable), if:

- (a) on the next payment due under the Notes, the Issuer has or will become obliged to pay additional amounts as provided or referred to in Condition 7 as a result of any change in, or amendment to, the laws or regulations of a Tax Jurisdiction (as defined in Condition 7) or any political subdivision of, or any authority in, or of, a Tax Jurisdiction having power to tax, or any change in the application of such laws or regulations, which change or amendment becomes effective on or after the Issue Date of the first Tranche of the Notes; and
- (b) such obligation cannot be avoided by the Issuer taking reasonable measures available to it,

provided that no such notice of redemption shall be given earlier than 90 days prior to the earliest date on which the Issuer would be obliged to pay such additional amounts were a payment in respect of the Notes then due.

Prior to the publication of any notice of redemption pursuant to this Condition, the Issuer shall deliver to the Agent to make available at its specified office to the Noteholders a certificate signed by two directors of the Issuer stating that the Issuer is entitled to effect such redemption and setting forth a statement of facts showing that the conditions precedent to the right of the Issuer to redeem have occurred, and an opinion of independent legal advisers of recognised standing to the effect that the Issuer has or will become obliged to pay such additional amounts as a result of such change or amendment.

Notes redeemed pursuant to this Condition 6.2 will be redeemed at their Early Redemption Amount referred to in paragraph 6.6 below together (if appropriate) with interest accrued to (but excluding) the date of redemption.

6.3 Redemption at the Option of the Issuer (Issuer Call)

This Condition 6.3 applies to Notes which are specified to be subject to redemption prior to the Maturity Date at the option of the Issuer in the applicable Issue Terms, such option being referred to as an Issuer Call. The applicable Final Terms contains provisions applicable to any Issuer Call and must be read in conjunction with this Condition 6.3 for full information on any Issuer Call. In particular, the applicable Final Terms will identify the Optional Redemption Date(s), the Optional Redemption Amount, any minimum or maximum early redemption amount and the applicable notice periods.

If Issuer Call is specified as being applicable in the applicable Final Terms, the Issuer shall, having given not less than the minimum period nor more than the maximum period of notice specified in the applicable Final Terms to the Noteholders in accordance with Condition 13 (which notice shall be irrevocable and shall specify the applicable Optional Redemption Date fixed for redemption),

redeem all or some only of the Notes then outstanding on any Optional Redemption Date and at the Optional Redemption Amount(s) specified in, or determined in the manner specified in, the applicable Final Terms together, if appropriate, with interest accrued to (but excluding) the relevant Optional Redemption Date. Any such redemption must be of a nominal amount not less than the Minimum Early Redemption Amount or not more than the Maximum Early Redemption Amount specified in, or determined in the manner specified in, the applicable Final Terms. The Optional Redemption Amount will be the specified percentage of the nominal amount of the Notes stated in the applicable Final Terms.

In the case of a partial redemption of Notes, the Notes to be redeemed ("**Redeemed Notes**") will be selected individually by lot, in the case of Redeemed Notes represented by Definitive Notes, and in accordance with the rules of Euroclear and/or Clearstream, Luxembourg (to be reflected in the records of Euroclear and Clearstream, Luxembourg as either a pool factor or a reduction in nominal amount, at their discretion), in the case of Redeemed Notes represented by a Global Note, not more than 30 days prior to the date fixed for redemption (such date of selection being hereinafter called the "**Selection Date**").

In the case of Redeemed Notes represented by Definitive Notes, a list of the serial numbers of such Redeemed Notes will be published in accordance with Condition 13 not less than 7 days prior to the date fixed for redemption. The aggregate nominal amount of Redeemed Notes represented by Definitive Notes shall bear the same proportion to the aggregate nominal amount of all Redeemed Notes as the aggregate nominal amount of Definitive Notes outstanding bears to the aggregate nominal amount of the Notes outstanding, in each case on the Selection Date, provided that, if necessary, appropriate adjustments shall be made to such nominal amounts to ensure that each represents an integral multiple of the Specified Denomination. No exchange of the relevant Global Note will be permitted during the period from and including the Selection Date to and including the date fixed for redemption pursuant to this paragraph 6.3 and notice to that effect shall be given by the Issuer to the Noteholders in accordance with Condition 13 at least five days prior to the Selection Date.

In the event of any such redemption, the Luxembourg Stock Exchange shall be notified of such redemption by the Issuer.

6.4 Redemption at the Option of the Noteholders (Investor Put)

This Condition 6.4 applies to Notes which are subject to redemption prior to the Maturity Date at the option of the Noteholder, such option being referred to as an Investor Put. The applicable Final Terms contains provisions applicable to any Investor Put and must be read in conjunction with this Condition 6.4 for full information on any Investor Put. In particular, the applicable Final Terms will identify the Optional Redemption Date(s), the Optional Redemption Amount and the applicable notice periods.

If Investor Put is specified as being applicable in the applicable Final Terms, upon the holder of any Note giving to the Issuer in accordance with Condition 13 not less than the minimum period nor more than the maximum period of notice specified in applicable Final Terms, the Issuer will, upon the expiry of such notice, redeem, in whole (but not in part) such Note on the Optional Redemption Date and at the Optional Redemption Amount specified in, or determined in the manner specified in, the applicable Final Terms together, if appropriate, with interest accrued to (but excluding) the Optional Redemption Date.

If the relevant Note is in definitive form, to exercise the right to require redemption of the relevant Note, the holder of such Note must deliver such Note at the specified office of any Paying Agent at any time during normal business hours of such Paying Agent falling within the notice period, accompanied by a duly completed and signed notice of exercise in the form (for the time being current) obtainable from any specified office of any Paying Agent (a "**Put Notice**") and in which the

holder must specify a bank account (or, if payment is by cheque, an address) to which payment is to be made under this Condition accompanied by the relevant Note or evidence satisfactory to the Paying Agent concerned that the relevant Note will, following delivery of the Put Notice, be held to its order or under its control.

If the relevant Note is represented by a Global Note, to exercise the right to require redemption of a Note, the holder of the relevant Note must, within the notice period, give notice to the Agent of such exercise in accordance with the standard procedures of Euroclear and Clearstream, Luxembourg (which may include notice being given on his instruction by Euroclear, Clearstream, Luxembourg or any common depositary or common safekeeper for them, as the case may be, to the Agent by electronic means), in a form acceptable to Euroclear and Clearstream, Luxembourg from time to time.

Any Put Notice or other notice given in accordance with the standard procedures of Euroclear and Clearstream, Luxembourg by a holder of any Note pursuant to this Condition 6.4 shall be irrevocable except where prior to the due date of redemption an Event of Default has occurred and is continuing in which event such holder, at its option, may elect by notice to the Issuer to withdraw the notice given pursuant to this paragraph and instead to declare such Note forthwith due and payable pursuant to Condition 9.

6.5 Redemption for illegality

In the case of Inflation Index-Linked Notes, Foreign Exchange (FX) Rate-Linked Notes, Underlying Interest Rate-Linked Notes and, in the case of Exempt Notes only, Variable Interest Rate Notes or Variable Redemption Notes, and unless, in the case of Exempt Notes only, otherwise specified in the applicable Pricing Supplement, the Notes may be redeemed at the option of the Issuer in whole, but not in part, at any time on such date as the Issuer may notify to the Noteholders in accordance with Condition 13 if the Issuer determines that the performance by the Issuer of its obligations under the Notes has become unlawful under any applicable present or future law, rule, regulation, judgment, order or directive of any governmental, administrative, legislative or judicial authority or power.

Notes redeemed pursuant to this Condition 6.5 will be redeemed at the Early Redemption Amount referred to in paragraph 6.6 below together (if appropriate) with interest accrued to (but excluding) the date of redemption.

6.6 Early Redemption Amounts

For the purpose of paragraphs 6.2 and 6.5 above, 6.12 below and Condition 9, each Note will be redeemed at its Early Redemption Amount calculated as follows or as otherwise provided in the applicable Final Terms or the applicable Schedule:

- (b) in the case of an Inflation Index-Linked Note, a Foreign Exchange (FX) Rate-Linked Note, an Underlying Interest Rate-Linked Note or, in the case of Exempt Notes only, a Variable Interest Rate Note or a Variable Redemption Note at its Early Redemption Amount specified in the applicable Final Terms, which may be a specified percentage of its nominal amount or, if Market Value less Costs is specified in the applicable Final Terms, at its fair market value (as determined by the relevant Calculation Agent) as at the date of such early redemption less the costs to the Issuer of unwinding or amending any related hedging

arrangements, provided that, if no Early Redemption Amount is specified, the Early Redemption Amount will be Market Value less Costs; and

- (c) in the case of a Zero Coupon Note, at an amount (the "**Amortised Face Amount**") calculated in accordance with the following formula:

$$\text{Early Redemption Amount} = \text{RP} \times (1 + \text{AY})^y$$

where:

"**RP**" means the Reference Price;

"**AY**" means the Accrual Yield expressed as a decimal; and

"**y**" is the Day Count Fraction specified for such Zero Coupon Note in the applicable Final Terms which will be either (i) 30/360 (in which case the numerator will be equal to the number of days (calculated on the basis of a 360-day year consisting of 12 months of 30 days each) from (and including) the Issue Date of the first Tranche of the Notes to (but excluding) the date fixed for redemption or (as the case may be) the date upon which such Note becomes due and repayable and the denominator will be 360) or (ii) Actual/360 (in which case the numerator will be equal to the actual number of days from (and including) the Issue Date of the first Tranche of the Notes to (but excluding) the date fixed for redemption or (as the case may be) the date upon which such Note becomes due and repayable and the denominator will be 360) or (iii) Actual/365 (in which case the numerator will be equal to the actual number of days from (and including) the Issue Date of the first Tranche of the Notes to (but excluding) the date fixed for redemption or (as the case may be) the date upon which such Note becomes due and repayable and the denominator will be 365);

- (d) or, in the case of any of (a) to (c) above, if such Note is an Exempt Note, at such other amount as specified in the applicable Pricing Supplement.

6.7 Instalment Notes

Instalment Notes will be redeemed in the Instalment Amounts and on the Instalment Dates. In the case of early redemption of an Instalment Note, the Early Redemption Amount will be determined pursuant to paragraph 6.6 above.

6.8 Specific redemption provisions applicable to certain types of Exempt Notes

This sub-Condition applies to Exempt Notes only.

(a) Variable Redemption Notes and Dual Currency Notes

The Final Redemption Amount, any Optional Redemption Amount and the Early Redemption Amount in respect of a Variable Redemption Note or a Dual Currency Note and, in the case of a Variable Redemption Note, any other relevant terms may be specified in, or determined in the manner specified in, the applicable Pricing Supplement. For the purposes of Condition 6.2, Dual Currency Notes may be redeemed only on an Interest Payment Date.

(b) Partly Paid Notes

Partly Paid Notes will be redeemed, whether at maturity, early redemption or otherwise, in accordance with the provisions of this Condition and the applicable Pricing Supplement.

6.9 Purchases

The Issuer or any of its subsidiaries may at any time purchase Notes (provided that, in the case of Definitive Notes, all unmatured Receipts, Coupons and Talons appertaining thereto are purchased therewith) at any price in the open market or otherwise. If purchases are made by tender, tenders must be available to all Noteholders alike. Such Notes (to the extent permitted by law) may be held, reissued, resold or, at the option of the Issuer, surrendered to any Paying Agent for cancellation.

6.10 Cancellation

All Notes which are redeemed will forthwith be cancelled (together with all unmatured Receipts and Coupons attached thereto or surrendered therewith at the time of redemption). All Notes so cancelled and the Notes purchased and cancelled pursuant to paragraph 6.1 above (together with all unmatured Receipts and Coupons cancelled therewith) shall be forwarded to the Agent and cannot be reissued or resold.

6.11 Late payment on Zero Coupon Notes

If the amount payable in respect of any Zero Coupon Note upon redemption of such Zero Coupon Note pursuant to paragraph 6.1, 6.2, 6.3, 6.4 or 6.5 above or upon its becoming due and repayable as provided in Condition 9 is improperly withheld or refused by the Issuer or its Agent, the amount due and repayable in respect of such Zero Coupon Note shall be the amount calculated as provided in paragraph 6.6(c) above as though the references therein to the date fixed for the redemption or the date upon which such Zero Coupon Note becomes due and payable were replaced by references to the due date or when paid to the Agent.

6.12 Redemption/Adjustment for an Administrator/Benchmark Event

If the Calculation Agent determines that an Administrator/Benchmark Event has occurred, the Issuer may (at its option and in its sole and absolute discretion):

- (a) instruct the Calculation Agent to make such adjustment(s) to the Terms and Conditions of the Notes as it may determine appropriate in its sole and absolute discretion to account for the relevant event or circumstance and, without limitation, such adjustments may (a) consist of one or more amendments and/or be made on one or more dates, (b) be determined by reference to any adjustment(s) in respect of the relevant event or circumstance in relation to any hedging arrangements in respect of the Notes and (c) include selecting a successor benchmark(s) and making related adjustments to the Terms and Conditions of the Notes including where applicable to reflect any increased costs of the Issuer providing such exposure to the successor benchmark(s) and, in the case of more than one successor benchmark, making provision for allocation of exposure as between the successor benchmarks; or
- (b) having given not less than 10 nor more than 30 days' notice to the Noteholders in accordance with Condition 13 (which notice shall be irrevocable), on expiry of such notice redeem all, but not some only, of the Notes, each principal amount of Notes equal to the Calculation Amount being redeemed at the Early Redemption Amount determined in accordance with the provisions of Condition 6.6 together (if appropriate) with interest accrued to (but excluding) the date of redemption.

The Issuer shall give notice as soon as practicable to Noteholders in accordance with Condition 13 of any adjustment(s) made pursuant to paragraph (a) above.

For the avoidance of doubt, the above is additional, and without prejudice, to any other terms of the Notes. In the event that under any such terms any other consequences could apply in relation to an

event or occurrence the subject of an Administrator/Benchmark Event, the Issuer shall determine which terms shall apply in its sole and absolute discretion.

For the purposes of this Condition 6.12:

"Administrator/Benchmark Event" means the Calculation Agent determines that:

- (i) a Benchmark Modification or Cessation Event has occurred or will occur;
- (ii) any authorisation, registration, recognition, endorsement, equivalence decision, approval or inclusion in any official register in respect of a relevant Benchmark or the administrator or sponsor of a relevant Benchmark has not been, or will not be, obtained or has been, or will be, rejected, refused, suspended or withdrawn by the relevant competent authority or other relevant official body, in each case with the effect that the Issuer, the Agent or the Calculation Agent or any other entity is not, or will not be, permitted under any applicable law or regulation to use the relevant Benchmark to perform its or their respective obligations under the Notes; or
- (iii) it is not commercially reasonable to continue the use of a relevant Benchmark in connection with the Notes from the perspective of the Issuer, the Agent or the Calculation Agent or the Issuer or the Calculation Agent suffers or will suffer an increased cost, in each case, as a result of any applicable licensing restrictions or changes in the cost of obtaining or maintaining any relevant licence (including, without limitation, where the Issuer, the Calculation Agent, the Agent or any other entity is required to hold a valid licence in order to issue or perform its obligations in respect of the Notes and for any reason such licence is either not obtained, not renewed or is revoked or there is a material change in the cost of obtaining or renewing such licence).

"Benchmark" means any figure, value, level or rate which is a benchmark as defined in BMR and where any amount payable under the Notes, or the value of the Notes, is determined, in whole or in part, by reference to such figure, value, level or rate, all as determined by the Calculation Agent.

7. TAXATION

All payments of principal and interest in respect of the Notes, Receipts and Coupons by the Issuer will be made without withholding or deduction for or on account of any present or future taxes or duties of whatever nature imposed or levied by or on behalf of any Tax Jurisdiction unless such withholding or deduction is required by law. In such event, and unless the provisions of this Condition 7 are specified not to apply in the relevant Final Terms, the Issuer will pay such additional amounts as shall be necessary in order that the net amounts received by the Noteholders, Receiptholders or Couponholders after such withholding or deduction shall equal the respective amounts of principal and interest which would otherwise have been receivable in respect of the Notes, Receipts or Coupons, as the case may be, in the absence of such withholding or deduction, except that no such additional amounts shall be payable with respect to any Note, Receipt or Coupon:

- (a) presented for payment to, or to a third party on behalf, of a holder who is liable for such taxes or duties in respect of such Note, Receipt or Coupon by reason of his having some connection with a Tax Jurisdiction other than the mere holding of such Note, Receipt or Coupon; or
- (b) presented for payment more than 30 days after the Relevant Date (as defined below) except to the extent that the holder thereof would have been entitled to an additional amount on presenting the same for payment on such thirtieth day assuming that day to have been a Payment Day (as defined in Condition 5.6); or
- (c) where such withholding or deduction is required pursuant to (i) an agreement described in Section 1471(b) of the Code or otherwise imposed pursuant to Sections 1471 through 1474 of the Code, any regulations or agreements thereunder or any official interpretations thereof or (ii) Section 871(m) of the Code; or
- (d) where such withholding or deduction is required pursuant to the law of 23 December 2005 (as amended).

As used herein:

- (i) "**Tax Jurisdiction**" means the Grand Duchy of Luxembourg, the jurisdiction in which the Specified Branch (if any) is located (in the case of Exempt Notes only) or any political subdivision or any authority thereof or therein having power to tax or any other jurisdiction or any political subdivision or any authority thereof or therein having power to tax to which payments made by the Issuer of principal and interest on the Notes, Receipts and Coupons become generally subject; and
- (ii) the "**Relevant Date**" means the date on which such payment first becomes due, except that, if the full amount of the moneys payable has not been duly received by the Agent on or prior to such due date, it means the date on which, the full amount of such moneys having been so received, notice to that effect is duly given to the Noteholders in accordance with Condition 13.

8. PRESCRIPTION

The Notes, Receipts and Coupons will become void unless presented for payment within a period of 10 years (in the case of principal) and 5 years (in the case of interest) after the Relevant Date (as defined in Condition 7) therefor.

There shall not be included in any Coupon sheet issued on exchange of a Talon any Coupon the claim for payment in respect of which would be void pursuant to this Condition or Condition 5.2 or any Talon which would be void pursuant to Condition 5.2.

The Luxembourg act dated 3 September 1996 on the involuntary dispossession of bearer securities, as amended (the "**Involuntary Dispossession Act 1996**") requires that, in the event that (i) an opposition has been filed in relation to lost or stolen Notes, Receipts and Coupons and (ii) the Notes, Receipts and Coupons mature prior to becoming forfeited (as provided for in the Involuntary Dispossession Act 1996), any amount that is payable under the Notes, Receipts and Coupons, but has not yet been paid to the Noteholders or Couponholders, must be paid to the *Caisse de Consignations* in Luxembourg until the opposition has been withdrawn or the forfeiture of the Notes, Receipts and Coupons occurs.

9. EVENTS OF DEFAULT AND ENFORCEMENT

If any of the following events ("**Events of Default**") occurs and is continuing, the holder of any Note may give written notice to the Agent at its specified office that such Note is immediately repayable, whereupon the same shall become forthwith due and payable at the Early Redemption Amount (as described in Condition 6.6), together with accrued interest (if any) to the date of repayment, without presentation, demand, protest or other notice of any kind:

- (a) default is made for more than 14 days (in the case of interest) or 7 days (in the case of principal) in the payment on the due date of interest or principal in respect of any of the Notes; or
- (b) the Issuer defaults in performance or observance of, or compliance with, any of its other obligations in the Notes which default is incapable of remedy or which, if capable of remedy, is not remedied within 21 days after notice of such default shall have been given to the Agent at its specified office by any Noteholder; or
- (c) a distress, attachment, execution or other legal process is levied, enforced or sued out on or against all or a material part of the property, assets or revenues of the Issuer and is not stayed or discharged within 21 days; or
- (d) any present or future mortgage, charge, pledge, lien or other encumbrance on or over all or a material part of the property, assets or revenues of the Issuer becomes enforceable and any step is taken to enforce it (including the taking of possession or the appointment of a receiver, manager, administrator or other similar person) and such enforcement or step is not stayed or discharged within 21 days; or
- (e) (i) if any judgment has been rendered by any competent court for the liquidation (*liquidation judiciaire*) or the opening of a regime of suspension of payment (*sursis de paiement*) of the Issuer; or (ii) if the Issuer makes or enters into a general assignment or an arrangement or composition with or for the benefit of its creditors or (iii) if an effective voluntary resolution is passed for the dissolution (*dissolution*) and liquidation (*liquidation*) of the Issuer (in each case save for the purposes of amalgamation, merger, consolidation, reorganisation or similar arrangement upon which all the assets of the Issuer are transferred to and all its debts and liabilities assumed by the continuing entity or entity formed as a result of such merger or reorganisation); or
- (f) the Issuer ceases to carry on business (except for the purpose of any amalgamation, merger or other reorganisation under which the continuing or successor corporation has assumed all of the assets and business undertakings of the Issuer pursuant to Condition 16 and has expressly and effectively assumed the obligations of the Issuer under the Notes).

10. REPLACEMENT OF NOTES, RECEIPTS, COUPONS AND TALONS

Should any Note, Receipt, Coupon or Talon be lost, stolen, mutilated, defaced or destroyed, it may be replaced at the specified office of the Agent in Luxembourg in accordance with any applicable legal requirements and upon payment by the claimant of such costs and expenses as may be incurred in connection therewith and on such terms as to evidence, security and indemnity which may provide, *inter alia*, that if the allegedly lost, stolen or destroyed Note, Receipt, Coupon or Talon is subsequently presented for payment or, as the case may be, exchanged for further coupons, there shall be paid to the Issuer on demand the amount payable by the Issuer in respect of such Note, Receipt, Coupon, Talon or further coupons as the Issuer may reasonably require. Mutilated or defaced Notes, Receipts, Coupons or Talons must be surrendered before replacements will be issued.

11. AGENT AND PAYING AGENTS

The names of the initial Agent and the other initial Paying Agents and their initial specified offices are set out below. If any additional Paying Agents are appointed in connection with any Series, the names of such Paying Agents will be specified in Part B of the applicable Final Terms.

The Issuer is entitled to vary or terminate the appointment of any Paying Agent and/or appoint additional or other Paying Agents and/or approve any change in the specified office through which any Paying Agent acts, provided that:

- (a) so long as the Notes are listed on any stock exchange, there will at all times be a Paying Agent with a specified office in such place as may be required by the rules and regulations of any relevant stock exchange (or other relevant authority); and
- (b) there will at all times be an Agent.

In addition, the Issuer shall forthwith appoint a Paying Agent having a specified office in New York City in the circumstances described in Condition 5.5. Notice of any variation, termination, appointment or change in Paying Agent shall only take effect (other than in the case of insolvency, when it shall be of immediate effect) after not less than 30 nor more than 45 days' prior notice thereof shall have been given to the Noteholders in accordance with Condition 13.

12. EXCHANGE OF TALONS

On and after the Interest Payment Date on which the final Coupon comprised in any Coupon sheet matures, the Talon (if any) forming part of such Coupon sheet may be surrendered at the specified office of the Agent or any other Paying Agent in exchange for a further Coupon sheet including (if such further Coupon sheet does not include Coupons to (and including) the final date for the payment of interest due in respect of the Note to which it appertains) a further Talon, subject to the provisions of Condition 8.

13. NOTICES

13.1 Notes in global form

So long as any Tranche of Notes is represented by a Global Note and such Global Note is held on behalf of a clearing system, notices to Holders of Notes of that Tranche will, save where another means of effective communication has been specified herein or, in the case of Exempt Notes only, in the relevant Pricing Supplement, be deemed to be validly given if given by delivery of the relevant notice to the clearing system for communication by it to Noteholders in respect of the relevant Notes. Any such notice shall be deemed to have been given to the holders of the Notes on such day as is specified in the applicable Final Terms after the day on which the said notice was given to Euroclear and Clearstream, Luxembourg. If such delivery is not practicable, notices will be deemed to be validly given if published in a leading English language daily newspaper having general circulation in Europe.

13.2 Notes admitted to listing, trading and/or quotation

So long as any Notes are admitted to listing, trading and/or quotation by any competent authority, stock exchange or quotation system, notices to Holders of Notes of such Notes will, save where another means of effective communication has been specified herein or in the relevant Final Terms, be deemed to be validly given if:

- (a) in the case of Notes admitted to listing on the official list and to trading on the Luxembourg Stock Exchange (so long as such Notes are admitted to listing on the official list and to

trading on the Luxembourg Stock Exchange and any applicable laws, rules or regulations so require), published in a leading newspaper having general circulation in Luxembourg (which is expected to be the *Luxemburger Wort*) or on the website of the Luxembourg Stock Exchange (www.bourse.lu), and/or in such other manner as may be required by applicable laws, rules and regulations from time to time; and/or

- (b) in the case of Notes admitted to listing, trading and/or quotation by any other competent authority, stock exchange and/or quotation system, if published in such manner as may be required by the applicable laws, rules and regulations of that competent authority, stock exchange and/or quotable system from time to time, including publication on the website of the relevant competent authority, stock exchange or quotation system, if required by such laws, rules or regulations.

13.3 In any other cases

Where both Condition 13.1 and Condition 13.2 are inapplicable, notices will, save where another means of effective communication has been specified herein or in the relevant Final Terms, be deemed to be validly given if published in a leading daily newspaper having general circulation in the United Kingdom (which is expected to be the Financial Times), or, if such publication is not practicable, if published in a leading English language daily newspaper having general circulation in Europe.

13.4 General

For the avoidance of doubt, where both Condition 13.1 and Condition 13.2 apply, notices must be given in the manner specified in Condition 13.1 and Condition 13.2 in order to be deemed to be validly given.

Notices to Holders of Notes of any Exempt Notes may, at the sole discretion of the Issuer and solely for informational purposes, also be published on the website of the Issuer and/or of any other entity specified in the relevant Final Terms for this purpose.

Any notice will be deemed to have been validly given on the date and time of such notification (or, if required to be notified in more than one manner, on the first date on which notification shall have been made in all required manners).

Holders of Coupons will be deemed for all purposes to have notice of the contents of any notice validly given to Holders of Notes in accordance with this Condition.

13.5 Notices by Noteholders

Notices to be given by any Noteholder shall be in writing and given by lodging the same, together (in the case of any Definitive Note) with the relative Note or Notes, with the Agent. Whilst any of the Notes are represented by a Global Note, such notice may be given by any holder of a Note to the Agent via Euroclear and/or Clearstream, Luxembourg, as the case may be, in such manner as the Agent and Euroclear and/or Clearstream, Luxembourg, as the case may be, may approve for this purpose.

14. MEETINGS OF NOTEHOLDERS, MODIFICATION AND WAIVER

Noteholders will belong to a masse (the "**Masse**") created, among other things, for the representation of their common interests pursuant to the provisions of the Law of the Grand Duchy of Luxembourg of 10 August 1915 on commercial companies, as amended (*loi du 10 août 1915 concernant les sociétés commerciales, telle qu'elle a été modifiée*) (the "**Luxembourg Company Law**"). The following is a summary of the relevant provisions of the Luxembourg Company Law. A general

meeting of the Noteholders (the "**Masse Meeting**") or a court order may appoint and determine the powers of one or more representatives (the "**Representatives**"). Where Representatives have been appointed, Noteholders may no longer individually exercise their rights against the Issuer. A *Masse Meeting* may be called at any time by the Representatives (if any), the Board of Directors of the Issuer, or the auditors of the Issuer. The Representatives or the auditors of the Issuer, provided an advance on expenses has been paid to them by the Issuer, or the Board of Directors of the Issuer must convene a *Masse Meeting* if called upon to do so by the Noteholders representing 5 per cent. or more of the Notes outstanding. Meetings of Noteholders will be convened by notices published at least fifteen days prior to the meeting in RESA, *Recueil électronique des sociétés et associations* and in one newspaper published in Luxembourg. All *Masse Meetings* shall be held at the place specified in the notice calling the meeting. All Noteholders have the right to attend and vote at a *Masse Meeting* either personally or by proxy. Each voter shall have, on a show of hands one vote, and on a poll, one vote in respect of each unit of currency relating to the nominal amount of Notes represented or held by him. A *Masse Meeting* may be called to approve certain changes in the rights of the Noteholders and may, generally, determine any measures designed to ensure the defence of interests or the exercise of the rights of the Noteholders in accordance with the provisions of the Luxembourg Company Law. A *Masse Meeting* may deliberate validly without a quorum and by a vote of a simple majority of Noteholders attending or represented at such *Masse Meeting* on the appointment and revocation of the Representatives, the revocation of special representatives appointed by the Issuer and the approval of any measures of a conservatory nature in the general interests of the Noteholders. On all other matters a *Masse Meeting* may deliberate validly on first convocation only if Noteholders present or represented hold at least 50 per cent. of the Notes then outstanding. The Board of Directors of the Issuer or Noteholders representing 10 per cent. of the Notes then outstanding may require the adjournment of the meeting for four weeks. A new meeting must be called for by convening notices to be published at least 15 days before the second meeting in one newspaper published in Luxembourg and in the *Mémorial*. On the second convocation no quorum is required. Decisions at such meetings shall be taken by a majority of 66 2/3 per cent. of the votes cast by Noteholders attending such meetings or represented thereat.

The Agent and the Issuer may agree, without the consent of the Noteholders, Receiptholders or Couponholders, to:

- (a) any modification of the Agency Agreement which is not prejudicial to the interest of the Noteholders; or
- (b) any modification of the Notes, the Receipts, the Coupons or the Agency Agreement which is of a formal, minor or technical nature or is made to correct a manifest or proven error or to comply with mandatory provisions of the law of the jurisdiction in which the Issuer is incorporated.

Any such modification shall be binding on the Noteholders, the Receiptholders and the Couponholders and any such modification shall be notified to the Noteholders in accordance with Condition 13 as soon as practicable thereafter.

For the avoidance of doubt, no Noteholder, Receiptholder or Couponholder may initiate proceedings against the Issuer based on article 470-21 of the Luxembourg Company Law.

15. FURTHER ISSUES

The Issuer shall be at liberty from time to time without the consent of the Noteholders, Receiptholders or Couponholders to create and issue further notes having terms and conditions the same as the Notes or the same in all respects save for the issue date, the amount and date of the first payment of interest thereon and the date from which interest starts to accrue so that the same shall be consolidated and form a single Series with the outstanding Notes.

16. SUBSTITUTION

Subject to the provisions of this Condition, the Noteholders and the Couponholders, by subscribing to or purchasing any Notes or Coupons, expressly consent to the Issuer, or any previously substituted company, at any time, but where applicable, with the prior authorisation of the CSSF, substituting for itself as principal debtor under any Series of the Notes, the Receipts, the Coupons and the Talons any subsidiary branch or affiliate of the Issuer or the successor company of the Issuer or jointly and severally one or more companies to whom the Issuer has transferred all of its assets and business undertakings (in each case the "**Substitute**"), provided that no payment in respect of the Notes, the Receipts or the Coupons is at the relevant time overdue, no steps have been taken to admit the Issuer to a regime of suspension of payments (*sursis de paiement*) and (except in the case of a solvent reorganisation or amalgamation) no judgment has been rendered or an effective voluntary resolution has been passed for the dissolution and liquidation of the Issuer. Such substitution effected in accordance with this Condition 16 will release the Issuer or any previous substituted company from any and all further obligations in respect of the Notes and the Noteholders and Couponholders expressly consent hereto. The substitution shall be made by a written undertaking (the "**Undertaking**") to be substantially in the form scheduled to the Agency Agreement and may take place only if:

- (a) the Substitute, by means of the Undertaking, agrees to indemnify each Noteholder and Couponholder against any tax, duty, assessment, withholding, deduction or governmental charge which is imposed on it by (or by any taxing authority in or of) the jurisdiction of the country of the Substitute's residence for tax purposes and, if different, of its incorporation (and, if applicable, the jurisdiction of any Guarantor (as set out under (b) below) with respect to any Note, Receipt, Coupon or Talon or by the country in which any Noteholder or Couponholder resides and which would not have been so imposed had the substitution not been made, as well as against any tax, duty assessment or governmental charge, and any cost or expense, relating to the substitution;
- (b) unless the Substitute is the successor company of the Issuer or one or more companies to whom the Issuer has transferred all of its assets and business undertakings each of whom are to be jointly and severally liable as principal debtor, the obligations of the Substitute under the Undertaking, the Notes and the Coupons are unconditionally and irrevocably guaranteed by the Issuer or its successor or each of the companies to whom together the Issuer has transferred all of its assets and business undertakings (each a "**Guarantor**") by means of a guarantee substantially in the form contained in the Undertaking (the "**Guarantee**");
- (c) all actions, conditions and things required to be taken, fulfilled and done (including the obtaining of any necessary consents) to ensure that the Undertaking, the Notes, the Receipts, the Coupons and the Talons represent valid, legally binding and enforceable obligations of the Substitute and, in the case of the Guarantee, of the Guarantor have been taken, fulfilled and done and are in full force and effect;
- (d) the Substitute has become party to the Agency Agreement, with any appropriate consequential amendments, as if it had been an original party to it;
- (e) legal opinions addressed to the Noteholders have been delivered to them (care of the Agent) from a lawyer or a firm of lawyers with a leading securities practice in each jurisdiction referred to in (a) above and in Luxembourg that the Undertaking, the Notes (and, where applicable, the Receipts, Coupons and Talons) represent valid, legally binding and enforceable obligations of the Substitute and, in the case of the Guarantee, of the Guarantor(s);

- (f) the substitution does not affect adversely any rating of the Notes by Moody's, S&P and Fitch (as applicable) or, if any such rating agency has ceased to exist at the relevant time, any two existing internationally recognised rating agencies; and
- (g) the Issuer has given at least 14 days' prior notice of such substitution to the Noteholders, stating that copies of all documents (in final form) in relation to the substitution which are referred to above, or which might otherwise reasonably be regarded as material to Noteholders, will be available for inspection at the specified office of each of the Paying Agents.

References in Condition 9 to obligations under the Notes shall be deemed to include obligations under the Undertaking and, where the Undertaking contains a Guarantee, the events listed in Condition 9 shall be deemed to include such Guarantee not being (or being claimed by the Guarantor not to be) in full force and effect. In addition, the Guarantee shall contain events of default in respect of the Notes in the same or analogous terms as Condition 9 relating to the Guarantor (except that references in Condition 9(a) to failure to pay principal and interest on the Notes shall be a reference to failure to pay under the Guarantee).

References to "outstanding" in relation to Notes of any Series shall, on a substitution of the Issuer where the Guarantor guarantees the Notes, not include Notes held by the Guarantor and its subsidiaries for the purposes of (i) ascertaining the right to attend and vote at any meeting of the Noteholders and (ii) the determination of how many Notes are outstanding for the purposes of Condition 14.

In the event of any such substitution, the Issuer shall notify the CSSF and/or the Luxembourg Stock Exchange and prepare, or procure the preparation of, a supplement to this Base Prospectus.

17. CURRENCY INDEMNITY

If any sum due from the Issuer in respect of the Notes or the Coupons or any order or judgment given or made in relation thereto has to be converted from the currency (the "**first currency**") in which the same is payable under these Conditions or such order or judgment into another currency (the "**second currency**") for the purpose of (a) making or filing a claim or proof against the Issuer, (b) obtaining an order or judgment in any court or other tribunal or (c) enforcing any order or judgment given or made in relation to the Notes, the Issuer shall indemnify each Noteholder, on the written demand of such Noteholder addressed to the Issuer and delivered to the Issuer or to the specified office of the Agent, against any loss suffered as a result of any discrepancy between (i) the rate of exchange used for such purpose to convert the sum in question from the first currency into the second currency and (ii) the rate or rates of exchange at which such Noteholder may in the ordinary course of business purchase the first currency with the second currency upon receipt of a sum paid to it in satisfaction, in whole or in part, of any such order, judgment, claim or proof.

This indemnity constitutes a separate and independent obligation of the Issuer and shall give rise to a separate and independent cause of action.

18. ROUNDING

For the purposes of any calculations referred to in these Conditions (unless otherwise specified in these Conditions or the relevant Final Terms), (a) all percentages resulting from such calculations will be rounded, if necessary, to the nearest one hundred-thousandth of a percentage point (with 0.000005 per cent. being rounded up to 0.00001 per cent.), (b) all United States dollar amounts used in or resulting from such calculations will be rounded to the nearest cent (with one half cent being rounded up), (c) all Japanese Yen amounts used in or resulting from such calculations will be rounded downwards to the next lower whole Japanese Yen amount, and (d) all amounts denominated

in any other currency used in or resulting from such calculations will be rounded to the nearest two decimal places in such currency, with 0.005 being rounded upwards.

19. GOVERNING LAW AND SUBMISSION TO JURISDICTION

- 19.1 The Luxembourg Notes, the Receipts, the Coupons and the Talons relating to the Luxembourg Notes are governed by Luxembourg law.
- 19.2 The Agency Agreement and all non-contractual obligations arising out of or in connection with it are governed by English law.
- 19.3
- (a) With regard to the Luxembourg Notes and the Receipts, Coupons and Talons relating to the Luxembourg Notes, subject to Condition 19.3(c) below, the courts of Luxembourg, the Grand Duchy of Luxembourg have exclusive jurisdiction to settle any dispute arising out of or in connection with the Luxembourg Notes and the Receipts, Coupons and/or Talons relating to the Luxembourg Notes (including any dispute as to their existence, validity interpretation, performance, breach or termination or the consequences of their nullity) (a "**Dispute**") and accordingly each of the Issuer, the Noteholders, the Receiptholders, the Couponholders and the Talonholders in relation to any Dispute submit to the exclusive jurisdiction of the courts of Luxemburg, the Grand Duchy of Luxembourg.
 - (b) For the purposes of this Condition 19.3, the Issuer waives any objection to the courts of Luxemburg, the Grand Duchy of Luxembourg on the grounds that they are an inconvenient or inappropriate forum to settle any Dispute.
 - (c) To the extent allowed by law the Noteholders, Receiptholders, Couponholders and Talonholders may, in respect of any Dispute or Disputes take (i) proceedings in any other court with jurisdiction; and (ii) concurrent proceedings in any number of jurisdictions.

20. RECOGNITION OF BAIL-IN AND LOSS ABSORPTION

(a) Acknowledgement

By its acquisition of the Notes, each Noteholder (which, for the purposes of this Condition 20, includes any current or future holder of a beneficial interest in the Notes) acknowledges, accepts, consents and agrees:

- (a) to be bound by the effect of the exercise of the Bail-in or Loss Absorption Power (as defined below) by the Relevant Resolution Authority (as defined below), which may include and result in any of the following, or some combination thereof:
 - (i) the reduction of all, or a portion, of the Amounts Due (as defined below);
 - (ii) the conversion of all, or a portion, of the Amounts Due into shares, other securities or other obligations of the Issuer or another person (and the issue to the Noteholder of such shares, securities or obligations), including by means of an amendment, modification or variation of the terms of the Notes, in which case the Noteholder agrees to accept in lieu of its rights under the Notes any such shares, other securities or other obligations of the Issuer or another person;
 - (iii) the cancellation of the Notes; and/or
 - (iv) the amendment or alteration of the maturity of the Notes or amendment of the amount of interest payable on the Notes, or the date on which the

interest becomes payable, including by suspending payment for a temporary period;

- (b) that the terms of the Notes are subject to, and may be varied, if necessary, to give effect to, the exercise of the Bail-in or Loss Absorption Power by the Relevant Resolution Authority.

For these purposes, the "**Amounts Due**" are the amounts payable on redemption of a Note, and any accrued and unpaid interest on a Note that has not been previously cancelled or otherwise is no longer due.

(b) **Bail-in or Loss Absorption Power**

For these purposes, the "Bail-in or Loss Absorption Power" is any power existing from time to time under any laws, regulations, rules or requirements in effect in Luxembourg, whether relating to (i) the transposition of Directive 2014/59/EU of the European Parliament and of the Council of 15 May 2014 establishing a framework for the recovery and resolution of credit institutions and investment firms (as amended from time to time, the "**BRRD**"), including without limitation pursuant to Luxembourg law of 18 December 2015 on the failure of credit institutions and certain investment firms (as amended from time to time, the "**Law of 18 December 2015**"), (ii) Regulation (EU) No 806/2014 of the European Parliament and of the Council of 15 July 2014 establishing uniform rules and a uniform procedure for the resolution of credit institutions and certain investment firms in the framework of a Single Resolution Mechanism and a Single Resolution Fund and amending Regulation (EU) No 1093/2010 (as amended from time to time, the "**Single Resolution Mechanism Regulation**"), or (iii) any other laws, regulations, rules or requirements arising under Luxembourg law, and in each case the instructions, rules and standards created thereunder, pursuant to which the obligations of a Regulated Entity (or an affiliate of such Regulated Entity) can be reduced (in part or in whole), cancelled, suspended, transferred, varied or otherwise modified in any way, or securities of a Regulated Entity (or an affiliate of such Regulated Entity) can be converted into shares, other securities, or other obligations of such Regulated Entity or any other person, whether in connection with the implementation of a bail-in tool following placement in resolution or otherwise.

A reference to a "**Regulated Entity**" in respect of any entity incorporated or established in Luxembourg, is to any institution or entity referred to in points (1), (2), (3) or (4) of Article 2(1) of the Law of 18 December 2015.

A reference to the "**Relevant Resolution Authority**" is to the *Commission de Surveillance du Secteur Financier*, acting in its capacity, as resolution authority (*Conseil de Résolution*) within the meaning of Article 3(1) of BRRD, the Single Resolution Board established pursuant to the Single Resolution Mechanism Regulation, and/or any other authority entitled to exercise or participate in the exercise against the Issuer of any Bail-in or Loss Absorption Power from time to time (including the European Central bank, the Council of the European Union and the European Commission when acting pursuant to Article 18 of the Single Resolution Mechanism Regulation).

(c) **Payment of Interest and Other Outstanding Amounts Due**

No repayment or payment of the Amounts Due will become due and payable or be paid after the exercise of the Bail-in or Loss Absorption Power by the Relevant Resolution Authority with respect to the Issuer unless, at the time such repayment or payment, respectively, is scheduled to become due, such repayment or payment would be permitted to be made by the Issuer under the laws and regulations in effect in Luxembourg and the European Union applicable to the Issuer or other members of its group.

(d) **No Event of Default**

Neither a cancellation of the Notes, a reduction, in part or in full, of the Amounts Due, the conversion thereof into another security or obligation of the Issuer or another person, as a result of the exercise of the Bail-in or Loss Absorption Power by the Relevant Resolution Authority with respect to the Issuer, nor the exercise of any Bail-in or Loss Absorption Power by the Relevant Resolution Authority with respect to the Notes will be an event of default or otherwise constitute non-performance of a contractual obligation, or entitle the Noteholder to any remedies (including equitable remedies) which are hereby expressly waived.

(e) **Notice to Noteholders**

Upon the exercise of any Bail-in or Loss Absorption Power by the Relevant Resolution Authority with respect to the Notes, the Issuer will give notice to the Noteholders in accordance with Condition 13 (Notices) as soon as practicable regarding such exercise of the Bail-in or Loss Absorption Power. The Issuer will also deliver a copy of such notice to the Agent for information purposes, although the Agent shall not be required to send such notice to Noteholders. Any delay or failure by the Issuer to give notice shall not affect the validity and enforceability of the Bail-in or Loss Absorption Power nor the effects on the Notes described in Condition 20(a) and 20(b) above.

(f) **Duties of the Agent**

Upon the exercise of any Bail-in or Loss Absorption Power by the Relevant Resolution Authority, the Issuer and each Noteholder (including each holder of a beneficial interest in the Notes) hereby agree that (a) the Agent shall not be required to take any directions from Noteholders, and (b) the Agency Agreement shall impose no duties upon the Agent whatsoever, in each case with respect to the exercise of any Bail-in or Loss Absorption Power by the Relevant Resolution Authority.

Notwithstanding the foregoing, if, following the completion of the exercise of the Bail-In Power by the Relevant Resolution Authority, any Notes remain outstanding (for example, if the exercise of the Bail-In Power results in only a partial write-down of the principal of the Notes), then the Agent's duties under the Agency Agreement shall remain applicable with respect to the Notes following such completion to the extent that the Issuer and the Agent shall agree pursuant to an amendment to the Agency Agreement.

(g) **Prorating**

If the Relevant Resolution Authority exercises the Bail-in or Loss Absorption Power with respect to less than the total Amounts Due, unless the Agent is otherwise instructed by the Issuer or the Relevant Resolution Authority, any cancellation, write-off or conversion made in respect of the Notes pursuant to the Bail-in or Loss Absorption Power will be made on a pro-rata basis.

(h) **Conditions Exhaustive**

The matters set forth in this Condition 20 shall be exhaustive on the foregoing matters to the exclusion of any other agreements, arrangements or understandings between the Issuer and any holder of a Note.

SCHEDULE 1

ADDITIONAL TERMS AND CONDITIONS FOR PAYOUTS

The following terms and conditions (the "**Payout Conditions**"), subject to completion in the applicable Final Terms, relate to the payouts in respect of the Notes. In particular, certain sections of the Payout Conditions will be set out and completed in the applicable Final Terms. In the event of any inconsistency between the terms and conditions of the Notes (the "**Note Conditions**") or the Payout Conditions, the Payout Conditions shall prevail. In the event of any inconsistency between (a) the Note Conditions and/or the Payout Conditions and (b) the Final Terms, the Final Terms shall prevail. The descriptions of the payouts, interest rates and/or related provisions included in italics below do not form part of the Payout Conditions, are included for information purposes only and are subject to the detailed terms of the relevant payout or interest rate, as applicable.

1. FIXED INCOME INTEREST RATES AND PAYOUTS

1.1 Fixed Income Interest Rates

The following Rate of Interest will apply to the Notes if specified in the applicable Final Terms:

(a) **FI Digital Coupon**

If FI Digital Coupon is specified as applicable in the applicable Final Terms:

- (i) if the FI Digital Coupon Condition is satisfied in respect of the relevant FI Interest Valuation Date:

$$\text{Min} \left(\text{Global Cap A}, \text{Max} \left(\text{Global Floor A}, \left(\sum_{i=1}^n \text{Gearing A}_{(i)} \times \text{FI Rate A}_{(i)} \right) + \text{Constant A} \right) \right); \text{ or}$$

- (ii) if the FI Digital Coupon Condition is not satisfied in respect of the relevant FI Interest Valuation Date:

$$\text{Min} \left(\text{Global Cap B}, \text{Max} \left(\text{Global Floor B}, \left(\sum_{i=1}^n \text{Gearing B}_{(i)} \times \text{FI Rate B}_{(i)} \right) + \text{Constant B} \right) \right)$$

Description of the Payout

A FI Digital Coupon provides that the Notes bear interest at one of 2 specified rates depending upon whether or not the specified FI Digital Coupon Condition is satisfied. The specified rate can be (i) a fixed percentage or (ii) a fixed percentage (which may be equal to zero) plus a floating rate, where the floating rate may be the sum of one or more floating interest rates or inflation rates with individual gearings applied. The payout may be subject to a minimum level (equal to the Global Floor) or a maximum level (equal to the Global Cap). The Gearing may be zero, a negative or a positive number and the fixed percentage may be equal to zero.

The Digital Coupon Condition is indexed to the value of the Underlying Reference(s) (which may be one or more Inflation Index/Indices or one or more Underlying Interest Rates) comparative to a barrier level(s) which can be fixed or step up or down.

(b) **Range Accrual Coupon**

If Range Accrual Coupon is specified as applicable in the applicable Final Terms:

$$\text{Min} \left\{ \text{Global Cap}, \text{Max} \left(\text{Global Floor}, \text{Min} \left[\text{Local Cap}, \text{Max} \left(\text{Local Floor}, \text{Global Margin} + \sum_{i=1}^n \text{Gearing}_{(i)} \times \text{FI Rate}_{(i)} \right) \right] \times \frac{n}{N} \right) \right\}$$

Where:

"n" is the number of Range Accrual Days in the relevant Range Period on which the Range Accrual Coupon Condition is satisfied; and

"N" is the number of Range Accrual Days in the relevant Range Period.

If Deemed Range Accrual is specified as applicable in the applicable Final Terms, the FI DC Barrier Value for each Range Accrual Day in the period from (and including) the Range Cut-off Date to (and including) the Range Period End Date will be deemed to be the FI DC Barrier Value on the Range Cut-off Date.

Description of the Payout

*A Range Accrual Coupon provides that the Notes bear interest on the basis of a rate calculated by reference to the number of Range Accrual Days in the relevant Range Accrual Period where the Range Accrual Coupon Condition is satisfied. The interest payable on each Interest Payment Date is equal to $K * n/N$, where n is the number of Range Accrual Days in the Range Accrual Period on which the Range Accrual Coupon Condition is satisfied and N is the total number of Range Accrual Days in the Range Accrual Period. K can be a fixed percentage or a floating rate plus a margin (which may be zero) and is subject to a minimum level (equal to the Local Floor) or a maximum level (equal to the Local Cap). The floating rate may be the sum of one or more floating interest rates or inflation rates with individual gearings applied.*

The overall rate payable is also subject to a minimum level (equal to the Global Floor) or a maximum level (equal to the Global Cap).

The Range Accrual Coupon Condition is indexed to the value of the Underlying Reference(s) (which may be one or more Inflation Index/Indices or one or more Underlying Interest Rates) comparative to a barrier level(s) which can be fixed or step up or down.

(c) **Combination Floater Coupon**

If Combination Floater Coupon is specified as applicable in the applicable Final Terms:

$$\text{Min} \left\{ \text{Global Cap}, \text{Max} \left(\text{Global Floor}, \text{Min} \left(\text{Local Cap}, \text{Max} \left(\text{Local Floor}, \text{Global Margin} + \sum_{i=1}^n \text{Gearing}_i \times \text{FI Rate}_i \right) \right) \right) \right\}$$

Description of the Payout

A Combination Floater Coupon may be any of the following (i) a fixed percentage or (ii) a floating rate plus a margin (which can be equal to zero), where the floating rate may be the sum of one or more floating interest rates or inflation rates with individual gearings applied and where the sum of floating rate and Global Margin is subject to a Local Floor and a Local Cap. The rate payable is subject to a minimum level (equal to the Global Floor) or a maximum level (equal to the Global Cap). The Gearing may be zero, negative or positive.

(d) **PRDC Coupon**

If PRDC Coupon is specified as applicable in the applicable Final Terms:

(A) if Knock-in Event is specified as applicable in the applicable Final Terms:

- I. if no Knock-in Event has occurred, 0 (zero); or
- II. if a Knock-in Event has occurred:

Min (Cap, Max (Floor, (Coupon Percentage 1 × PRDC Performance) – Coupon Percentage 2));

(B) if Knock-in Event is not specified as applicable in the applicable Final Terms:

Min (Cap, Max (Floor, (Coupon Percentage 1 × PRDC Performance) – Coupon Percentage 2));

(C) if Knock-in Event and Knock-out Event are specified as applicable in the applicable Final Terms:

- I. if a Knock-in Event has occurred but a Knock-out Event has not occurred:

Min (Cap, Max (Floor, (Coupon Percentage 1 × PRDC Performance) – Coupon Percentage 2));

- II. if (a) a Knock-in Event and a Knock-out Event have occurred or (b) a Knock-out Event has occurred, 0 (zero);

Where:

"PRDC Performance" means the quotient of the Final Settlement Price (as numerator) and the Initial Settlement Price (as denominator).

Description of the Payout

If a Knock-in Event or a Knock-in Event and Knock-out Event are specified as applicable, the interest payable will vary depending on whether such event(s) have occurred.

If applicable, a Knock-in Event or Knock-out Event will occur if on a Knock-in Determination Day or Knock-out Determination Day (as applicable) or in respect of a Knock-in Determination Period or Knock-out Determination Period (as applicable) the level of the Underlying Reference (which will be a Subject Currency) when observed at the specified time(s) is greater than, greater than or equal to, less than or less than or equal to (as applicable) the level specified in or determined as provided in the applicable Final Terms or within the Knock-in Range Level or Knock-out Range Level specified.

Whether a Knock-in Event and, if applicable, a Knock-out Event has occurred will determine whether the interest rate will be zero or a percentage that is (subject to a specified minimum and/or maximum) equal to a specified percentage multiplied by the performance of the Underlying Reference over a specified period and reduced by a specified percentage.

(e) **FI Digital Floor Coupon**

If FI Digital Floor Coupon is specified as applicable in the applicable Final Terms:

(A) if Knock-in Event is specified as applicable in the applicable Final Terms:

- I. if no Knock-in Event has occurred, 0 (zero);
 - II. if a Knock-in Event has occurred and the FI Digital Floor Condition is satisfied in respect of the relevant FI Interest Valuation Date:
Digital Floor Percentage 1; or
 - III. if a Knock-in Event has occurred and the FI Digital Floor Condition is not satisfied in respect of the relevant FI Interest Valuation Date:
Digital Floor Percentage 2.
- (B) if Knock-in Event is not specified as applicable in the applicable Final Terms:
- I. if the FI Digital Floor Condition is satisfied in respect of the relevant FI Interest Valuation Date:
Digital Floor Percentage 1; or
 - II. if the FI Digital Floor Condition is not satisfied in respect of the relevant FI Interest Valuation Date:
Digital Floor Percentage 2; or
- (C) if Knock-in Event and Knock-out Event are specified as applicable in the applicable Final Terms:
- I. if no Knock-in Event has occurred, 0 (zero); or
 - II. if a Knock-in Event has occurred but a Knock-out Event has not occurred and the FI Digital Floor Condition is satisfied in respect of the relevant FI Interest Valuation Date:
Digital Floor Percentage 1; or
 - III. in all other cases:
Digital Floor Percentage 2.

Description of the Payout

If a Knock-in Event or a Knock-in Event and Knock-out Event are specified as applicable, the interest payable will vary depending on (i) whether such event(s) have occurred and (ii) whether the FI Digital Floor Condition is satisfied. If no Knock-in Event or Knock-out Event is specified, the interest payable will vary depending on whether the FI Digital Floor Condition is satisfied.

The FI Digital Floor Condition will be satisfied if the FI Digital Value is less than or equal to the level specified or determined as provided in the applicable Final Terms. If applicable, a Knock-in Event or Knock-out Event will occur if on a Knock-in Determination Day or Knock-out Determination Day (as applicable) or in respect of a Knock-in Determination Period or Knock-out Determination Period (as applicable) the level of the Underlying Reference (which will be a Subject Currency) when observed at the specified time(s) is greater than, greater than or equal to, less than or less than or equal to (as applicable) the level specified in or determined as provided in the applicable Final Terms or within the Knock-in Range Level or Knock-out Range Level specified.

Whether (i) a Knock-in Event and, if applicable, a Knock-out Event has occurred and (ii) the FI Digital Floor Condition is satisfied will determine whether interest is payable and, if so, which specified rate will be used to calculate the interest payable.

(f) **FI Digital Cap Coupon**

If FI Digital Cap Coupon is specified as applicable in the applicable Final Terms:

(A) if Knock-in Event is specified as applicable in the applicable Final Terms:

- I. if no Knock-in Event has occurred, 0 (zero);
- II. if a Knock-in Event has occurred and the FI Digital Cap Condition is satisfied in respect of the relevant FI Interest Valuation Date:

Digital Cap Percentage 1; or

- III. if a Knock-in Event has occurred and the FI Digital Cap Condition is not satisfied in respect of the relevant FI Interest Valuation Date:

Digital Cap Percentage 2; or

(B) if Knock-in Event is not specified as applicable in the applicable Final Terms:

- I. if the FI Digital Cap Condition is satisfied in respect of the relevant FI Interest Valuation Date:

Digital Cap Percentage 1; or

- II. if the FI Digital Cap Condition is not satisfied in respect of the relevant FI Interest Valuation Date:

Digital Cap Percentage 2; or

(C) if Knock-in Event and Knock-out Event are specified as applicable in the applicable Final Terms:

- I. if no Knock-in Event has occurred, 0 (zero); or

- II. if a Knock-in Event has occurred but a Knock-out Event has not occurred and the FI Digital Cap Condition is satisfied in respect of the relevant FI Interest Valuation Date:

Digital Cap Percentage 1; or

- III. in all other cases:

Digital Cap Percentage 2.

Description of the Payout

If a Knock-in Event or a Knock-in Event and Knock-out Event are specified as applicable, the interest payable will vary depending on (i) whether such event(s) have occurred and (ii) whether the FI Digital Cap Condition is met. If no Knock-in Event or Knock-out Event is specified, the interest payable will vary depending on whether the FI Digital Cap Condition is satisfied.

The FI Digital Cap Condition will be satisfied if the FI Digital Value is greater than or equal to the level specified or determined as provided in the applicable Final Terms. If applicable, a Knock-in Event or Knock-out Event will occur if on a Knock-in Determination Day or Knock-out Determination Day (as applicable) or in respect of a Knock-in Determination Period or Knock-out Determination Period (as applicable) the level of the Underlying Reference (which will be a Subject Currency) when observed at the specified time(s) is greater than, greater than or equal to, less than or less than or equal to (as applicable) the level specified in or determined as specified in the applicable Final Terms or within the Knock-in Range Level or Knock-out Range Level specified.

Whether (i) a Knock-in Event and, if applicable, a Knock-out Event has occurred and (ii) the FI Digital Cap Condition is satisfied will determine whether interest is payable and, if so, which specified rate will be used to calculate the interest payable.

(g) FI Target Coupon

If FI Target Coupon is specified as applicable in the applicable Final Terms and an Automatic Early Redemption Event has not occurred, the Rate of Interest in respect of the Target Final Interest Period shall be the Final Interest Rate specified in the applicable Final Terms.

Description of the Payout

If Target Automatic Early Redemption applies and an Automatic Early Redemption Event does not occur the rate of interest for the Interest Period ending on the Maturity Date will be the Final Interest Rate.

The Final Interest Rate may be

- 1. Capped only – In this case, the Final Interest Rate is the rate of interest calculated for the final interest period or, if less, the difference between the Automatic Early Redemption Percentage and the interest already paid;*
- 2. Guaranteed only - In this case, the Final Interest Rate is the rate of interest calculated for the final interest period or, if greater, the difference between the Automatic Early Redemption Percentage and the interest already paid. If no Automatic Early Redemption Event occurs, this Rate of Interest provides a payment at maturity that means the overall sum of all interest paid will be at least equal to the Automatic Early Redemption Percentage;*
- 3. Capped and guaranteed - In this case, the Final Interest Rate is the Automatic Early Redemption Percentage less previous interest paid which means that the overall interest paid will be equal to the Automatic Early Redemption Percentage;*
- 4. Not capped and not guaranteed – In this case, the Final Interest Rate is the interest calculated for the relevant Interest Period.*

(h) FI FX Vanilla Coupon

If FI FX Vanilla Coupon is specified as applicable in the applicable Final Terms:

- (A) if Knock-in Event is specified as applicable in the applicable Final Terms:
- I. if no Knock-in Event has occurred, 0 (zero); or

- II. if a Knock-in Event has occurred:
 $\text{Gearing} \times \text{Option};$
- (B) if Knock-in Event is not specified as applicable in the applicable Final Terms:
 $\text{Gearing} \times \text{Option};$
- (C) if Knock-in Event and Knock-out Event are specified as applicable in the applicable Final Terms:
 - I. if a Knock-in Event has occurred but a Knock-out Event has not occurred:
 $\text{Gearing} \times \text{Option};$
 - II. if (a) a Knock-in Event and a Knock-out Event have occurred or (b) a Knock-out Event has occurred, 0 (zero).

Where:

"**Option**" means $\text{Min} (\text{Max} (\text{Performance Value}, \text{Floor}), \text{Cap})$.

Description of the Payout

If a Knock-in Event or a Knock-in Event and Knock-out Event are specified as applicable, the interest payable will vary depending on whether such event(s) have occurred.

If applicable, a Knock-in Event or Knock-out Event will occur if on a Knock-in Determination Day or Knock-out Determination Day (as applicable) or in respect of a Knock-in Determination Period or Knock-out Determination Period (as applicable) the level of the Underlying Reference (which will be a Subject Currency) when observed at the specified time(s) is greater than, greater than or equal to, less than or less than or equal to (as applicable) the level specified in or determined as provided in the applicable Final Terms or within the Knock-in Range Level or Knock-out Range Level specified.

Whether a Knock-in Event and, if applicable, a Knock-out Event has occurred will determine whether the interest rate will be zero or a percentage reflecting the product of the performance of the Underlying Reference over a specified period (which may be subject to a minimum and/or a maximum) and a gearing percentage.

(i) **FI Digital Plus Coupon**

If FI Digital Plus Coupon is specified as applicable in the applicable Final Terms:

- (A) if Knock-in Event is specified as applicable in the applicable Final Terms:
 - I. if no Knock-in Event has occurred, 0 (zero); or
 - II. if a Knock-in Event has occurred and the FI Digital Plus Condition is satisfied in respect of the relevant FI Valuation Date:
 $\text{Max} (\text{Digital Plus Percentage 1}, (\text{Gearing} \times \text{FI Digital Value}));$ or
 - III. if a Knock-in Event has occurred and the FI Digital Plus Condition is not satisfied in respect of the relevant FI Valuation Date:

Digital Plus Percentage 2;

(B) if Knock-in Event is not specified as applicable in the applicable Final Terms:

I. if the FI Digital Plus Condition is satisfied in respect of the relevant FI Valuation Date:

Max (Digital Plus Percentage 1, (Gearing \times FI Digital Value)); or

II. if the FI Digital Plus Condition is not satisfied in respect of the relevant FI Valuation Date:

Digital Plus Percentage 2;

(C) if Knock-in Event and Knock-out Event are specified as applicable in the applicable Final Terms:

I. if no Knock-in Event has occurred, 0 (zero); or

II. if a Knock-in Event has occurred but a Knock-out Event has not occurred and the FI Digital Plus Condition is satisfied in respect of the relevant FI Valuation Date:

Max (Digital Plus Percentage 1, (Gearing \times FI Digital Value)); or

III. in all other cases:

Digital Plus Percentage 2.

Description of the Payout

If a Knock-in Event or a Knock-in Event and Knock-out Event are specified as applicable, the interest payable will vary depending on (i) whether such event(s) have occurred and (ii) whether the FI Digital Plus Condition is satisfied. If no Knock-in Event or Knock-out Event is specified, the interest payable will vary depending on whether the FI Digital Plus Condition is satisfied.

The FI Digital Plus Condition will be satisfied if the FI Digital Value is greater than the level specified or determined as provided in the applicable Final Terms. If applicable, a Knock-in Event or Knock-out Event will occur if on a Knock-in Determination Day or Knock-out Determination Day (as applicable) or in respect of a Knock-in Determination Period or Knock-out Determination Period (as applicable) the level of the Underlying Reference (which will be a Subject Currency) when observed at the specified time(s) is greater than, greater than or equal to, less than or less than or equal to (as applicable) the level specified in or determined as provided in the applicable Final Terms or within the Knock-in Range Level or Knock-out Range Level specified.

Whether (i) a Knock-in Event and, if applicable, a Knock-out Event has occurred and (ii) the FI Digital Plus Condition is satisfied will determine whether the interest rate will be zero or a specified percentage or the greater of a specified percentage and the product of the performance of the Underlying Reference over a specified period and a gearing percentage.

I. if no Knock-in Event has occurred, FI Constant Percentage 1; or

II. if a Knock-in Event has occurred:

FI Constant Percentage 1 + (Gearing × Option);

(B) if Knock-in Event is not specified as applicable in the applicable Final Terms:

FI Constant Percentage 1 + (Gearing × Option);

(C) if Knock-in Event and Knock-out Event are specified as applicable in the applicable Final Terms:

I. if a Knock-in Event has occurred but a Knock-out Event has not occurred:

FI Constant Percentage 1 + (Gearing × Option);

II. if (a) a Knock-in Event and a Knock-out Event have occurred or (b) a Knock-out Event has occurred, FI Constant Percentage 1.

Where:

"Option" means $\text{Min}(\text{Max}(\text{Performance Value}, \text{Floor}), \text{Cap})$.

Description of the Payout

(ii) FI Inflation Notes

If the Notes are specified in the applicable Final Terms as being FI Inflation Notes:

Max [100%, Cumulative Inflation Rate]

2. *Guaranteed only - In this case, the Final Interest Rate is the rate of interest calculated for the relevant interest period or, if greater, the difference between the Automatic Early Redemption Percentage and the interest already paid. If no Automatic Early Redemption Event occurs, this Rate of Interest provides a payment at maturity that means the overall sum of all interest paid will be at least equal to the Automatic Early Redemption Percentage;*

3. *Capped and guaranteed - In this case, the Final Interest Rate is the Automatic Early Redemption Percentage less previous interest paid which means that the overall interest paid will be equal to the Automatic Early Redemption Percentage;*

4. *Not capped and not guaranteed – In this case, the Final Interest Rate is the interest calculated for the relevant Interest Period.*

- (b) If FI Underlying Automatic Early Redemption is specified as applicable in the applicable Final Terms,

CA

Description of the Payout

If FI Underlying Automatic Early Redemption applies, the Notes redeem automatically if the Underlying Reference observed is greater than or equal to the lower barrier (the "Automatic Early Redemption Percentage Down") or less than or equal to the upper barrier (the "Automatic Early Redemption Percentage Up"). In this case, the Notes will be redeemed on the next Interest Payment Date. The Underlying Reference (which may be one or more Inflation Index/Indices or one or more Underlying Interest Rates) can be observed on specified dates or continuously during a period.

Each Note will redeem at an amount equal to the Calculation Amount and may pay either (i) the interest accrued up to the Interest Payment Date on which the Notes are redeemed, (ii) no interest or (iii) the interest accrued up to date on which the Automatic Early Redemption Event occurred.

- (c) If FI Coupon Automatic Early Redemption is specified as applicable in the applicable Final Terms,

$$CA \times (100\% + (\text{Min (Coupon Cap, Final Coupon Rate)} \times \text{Final Day Count Fraction}))$$

Description of the Payout

If FI Coupon Automatic Early Redemption applies, the Notes redeem automatically if the interest to be paid on an Interest Payment Date is greater than or equal to a target barrier, (the "Automatic Early Redemption Percentage").

 - (c) if no Successor Inflation Index has been deemed under (a) or (b) the Calculation Agent shall ask five leading independent dealers to state what the replacement index for the Inflation Index should be; if between four and five responses are received, and of those four or five responses, three or more leading independent dealers state the same index, such index will be deemed the "Successor Inflation Index"; if three responses are received, and two or more leading independent dealers state the same index, such index will be deemed the "Successor Inflation Index"; if fewer than three responses are received by the Cut-Off Date or if each of the responses received state different indices the Calculation Agent will determine an appropriate alternative index for such affected payment date, and such index will be deemed a "Successor Inflation Index"; or

Notice of the determination of a Successor Inflation Index, the effective date of the Successor Inflation Index or the occurrence of an Index Cancellation will be given to Noteholders of the Inflation Index-Linked Notes by the Issuer in accordance with Euro Note Condition 14 or Luxembourg Note Condition 13, as the case may be.

If the Calculation Agent determines that neither (a) nor (b) above would produce a commercially reasonable result, the Issuer may redeem each Note on a date notified by the Issuer to Noteholders in accordance with Euro Note Condition 14 or Luxembourg Note Condition 13, as the case may be, at its fair market value as determined by the Calculation Agent as at the date of redemption taking into account the rebasing, less the cost to the Issuer of unwinding or amending any related underlying hedging arrangements. Notice of any adjustment, redemption of the Notes or determination pursuant to this paragraph shall be given to Noteholders in accordance with Euro Note Condition 14 or Luxembourg Note Condition 13, as the case may be.

- (b) If the Calculation Agent determines that an Index Modification has occurred at any time after the Cut-Off Date in respect of any Determination Date, the Calculation Agent may determine either to ignore such Index Modification for the purposes of any calculation or determination made by the Calculation Agent with respect to such Determination Date, in which case the relevant Index

Modification will be deemed to have occurred with respect to the immediately succeeding Determination Date such that the provisions of paragraph (a) above will apply, or, notwithstanding that the Index Modification has occurred following the Cut-Off Date, to make any adjustments as the Calculation Agent deems fit in accordance with paragraph (a) above.

The Calculation Agent shall take the relevant actions specified in either (i), (ii) or (iii) below.

- (ii) if an Averaging Date or any Settlement Price Date is a Disrupted Day but is not the Redemption Valuation Date, if Delayed Redemption on the Occurrence of a Disruption Event is specified as being not applicable in the applicable Final Terms, on giving notice to Noteholders in accordance with Euro Note Condition 14 or Luxembourg Note Condition 13, as the case may be, the Issuer shall redeem all but not some only of the Notes, each Note being redeemed by payment of an amount equal to the fair market value of such Note, less the cost to the Issuer of unwinding any underlying related hedging arrangements, all as determined by the Calculation Agent in its sole and absolute discretion. Payment shall be made in such manner as shall be notified to the Noteholders in accordance with Euro Note Condition 14 or Luxembourg Note Condition 13, as the case may be; or
- (iii) if an Averaging Date or any Settlement Price Date is a Disrupted Day but is not the Redemption Valuation Date, if Delayed Redemption on the Occurrence of a Disruption Event is specified as being applicable in the applicable Final Terms, the Calculation Agent shall calculate the fair market value of each Note less the cost to the Issuer and/or its affiliates of unwinding any underlying related hedging arrangements (the **"Calculated Foreign Exchange (FX) Disruption Amount"**) as soon as practicable following the occurrence of the Disruption Event (the **"Calculated Foreign Exchange (FX) Disruption Amount Determination Date"**) and on the Maturity Date shall redeem each Note at an amount calculated by the Calculation Agent equal to (x) the Calculated Foreign Exchange (FX) Disruption Amount plus interest accrued from and including the Calculated Foreign Exchange (FX) Disruption Amount Determination Date to but excluding the Maturity Date at a rate equal to the Issuer's funding cost at such time or (y) if Principal Protected Termination Amount is specified as being applicable in the applicable Final Terms and if greater, its nominal amount; and/or

- (b) notwithstanding any provisions in the Conditions to the contrary, postpone any payment date related to such Averaging Date or Settlement Price Date (or, if different, the day on which prices for that date would, in the ordinary course, be provided or announced by the Price Source), as the case may be (including, if applicable, the Maturity Date) until the Business Day following the date on which a Disruption Event is no longer subsisting and no interest or other amount shall be paid by the Issuer in respect of such postponement.

SCHEDULE 4

ADDITIONAL TERMS AND CONDITIONS FOR UNDERLYING INTEREST RATE-LINKED NOTES

If specified as applicable in the applicable Final Terms, the terms and conditions applicable to Notes specified in the applicable Final Terms as Underlying Interest Rate-Linked Interest Notes or Underlying Interest Rate-Linked Redemption Notes (together, "**Underlying Interest Rate-Linked Notes**") shall comprise either (i) the terms and conditions of Notes (the "**Euro Note Conditions**") or (ii) the terms and conditions of the Luxembourg Notes (the "**Luxembourg Note Conditions**" and, together with the Euro Note Conditions, the "**Note Conditions**") and, in each case, the additional Terms and Conditions for Underlying Interest Rate-Linked Notes set out below (the "**Underlying Interest Rate-Linked Note Conditions**") together with any other additional terms and conditions specified in the applicable Final Terms, the Payout Conditions and subject to completion and/or (in the case of Exempt Notes only) amendment in the applicable Final Terms. In the event of any inconsistency between (a) the Note Conditions and (b) the Underlying Interest Rate-Linked Note Conditions, the Underlying Interest Rate-Linked Note Conditions shall prevail. In the event of any inconsistency between (i) the Note Conditions and/or the Underlying Interest Rate-Linked Note Conditions and (ii) the applicable Final Terms, the applicable Final Terms shall prevail.

1. Underlying Interest Rate Determination

In respect of each Underlying Interest Determination Date specified in the applicable Final Terms, the Underlying Interest Rate will be determined in the manner specified in the applicable Final Terms.

2. ISDA Determination

Where ISDA Determination is specified in the applicable Final Terms as the manner in which the Underlying Interest Rate is to be determined, the Underlying Reference Rate will be the relevant Underlying ISDA Rate plus or minus (as indicated in the applicable Final Terms) the Underlying Margin (if any) specified in the applicable Final Terms. For the purposes of these Underlying Interest Rate-Linked Note Conditions, "**Underlying ISDA Rate**" means a rate equal to the Floating Rate that would be determined by the Calculation Agent under an interest rate swap transaction if the Calculation Agent were acting as Calculation Agent (as defined in the ISDA Definitions) for that swap transaction under the terms of an agreement incorporating the 2006 ISDA Definitions as published by the International Swaps and Derivatives Association, Inc. and as amended and updated as at the Issue Date of the first Tranche of the Notes (the "**ISDA Definitions**") and under which:

- (a) the Floating Rate Option is as specified in the applicable Final Terms;
- (b) the Designated Maturity is a period specified in the applicable Final Terms; and
- (c) the relevant Reset Date is as specified in the applicable Final Terms.

For the purposes of these Underlying Interest Rate-Linked Note Conditions, "**Floating Rate**", "**Floating Rate Option**", "**Designated Maturity**" and "**Reset Date**" have the meanings given to those terms in the ISDA Definitions.

3. Screen Rate Determination

- (a) Where Screen Rate Determination is specified in the relevant Final Terms as being the manner in which the Underlying Interest Rate is to be determined, the Underlying Reference Rate will, subject as provided below, be either:
- (i) the offered quotation; or
 - (ii) the arithmetic mean (rounded if necessary to the fifth decimal place, with 0.000005 being rounded upwards) of the offered quotations,

(expressed as a percentage rate per annum) for the Underlying Reference Rate(s) which appears or appear, as the case may be, on the Relevant Screen Page as at the Specified Time (Underlying) indicated in the applicable Final Terms (which will be 11.00 a.m., London time, in the case of LIBOR, or Brussels time, in the case of EURIBOR) (the "**Screen Page Underlying Reference Rate**") on the Underlying Interest Determination Date in question plus or minus (as indicated in the applicable Final Terms) the Underlying Margin (if any), all as determined by the Calculation Agent. If five or more of such offered quotations are available on the Relevant Screen Page, the highest (or, if there is more than one such highest quotation, one only of such quotations) and the lowest (or, if there is more than one such lowest quotation, one only of such quotations) shall be disregarded by the Calculation Agent for the purpose of determining the arithmetic mean (rounded as provided above) of such offered quotations.

- (b) In the event that the Relevant Screen Page is not available or if, in the case of (a)(i) above, no such offered quotation appears or, in the case of (a)(ii) above, fewer than three such offered quotations appear on the Relevant Screen Page (or such replacement page on that service which displays the information), in each case as at the Specified Time (Underlying) indicated above or in the applicable Final Terms, except as provided in paragraph (c) below, the Calculation Agent will determine the Underlying Reference Rate as the rate it determines would have prevailed but for such non-availability or other event acting in good faith and using its reasonable judgment.
- (c) If the Calculation Agent determines at any time prior to any Underlying Interest Determination Date, that the Screen Page Underlying Reference Rate has been discontinued, the Calculation Agent will use, as a substitute for the Screen Page Underlying Reference Rate, the alternative reference rate selected by the central bank, reserve bank, monetary authority or any similar institution (including any committee or working group thereof) in the jurisdiction or region of the currency of the relevant rate (each a "**Relevant Nominating Body**") that is consistent with industry accepted standards, provided that, if two or more alternative reference rates are selected by any Relevant Nominating Body, the Issuer or the Calculation Agent, as applicable, shall determine which of those alternative reference rates is most appropriate to preserve the economic features of the relevant Notes. If the Calculation Agent notifies the Issuer that it is unable to determine such an alternative reference rate, the Calculation Agent will as soon as reasonably practicable (and in any event before the Business Day prior to the applicable Underlying Interest Determination Date) appoint an agent (the "**Underlying Reference Rate Determination Agent**"), which will determine whether a substitute or successor rate, which is substantially comparable to the Screen Page Underlying Reference Rate, is available for the purpose of determining the Underlying Reference Rate on each Underlying Interest Determination Date falling on or after the date of such determination. If the Underlying Reference Rate Determination Agent determines that there is an industry accepted successor rate, the Underlying Reference Rate Determination Agent will notify the Issuer and, if applicable the Calculation Agent, of such successor rate to be used by the Calculation Agent to determine the Underlying Interest Rate.

If the Underlying Reference Rate Determination Agent or the Calculation Agent, as applicable has determined a substitute or successor rate in accordance with the foregoing paragraph (such rate, the "**Replacement Underlying Reference Rate**"), for the purpose of determining the Underlying

Reference Rate on each Underlying Interest Determination Date falling on or after such determination:

- (i) the Underlying Reference Rate Determination Agent or the Calculation Agent, as applicable, will also determine the changes (if any) required to the Underlying Interest Determination Date and any method for obtaining the Replacement Underlying Reference Rate, including any adjustment needed to make such Replacement Underlying Reference Rate comparable to the Screen Page Underlying Reference Rate, in each case acting in good faith and in a commercially reasonable manner that is consistent with industry-accepted practices for such Replacement Underlying Reference Rate;
- (ii) references to the Underlying Reference Rate in these Underlying Interest Rate Security Conditions will be deemed to be references to the relevant Replacement Underlying Reference Rate, including any alternative method for determining such rate as described in (i) above;
- (iii) the Underlying Reference Rate Determination Agent or the Calculation Agent, where relevant, will notify the Issuer of the Replacement Underlying Reference Rate, and the details described in (i) above as soon as reasonably practicable; and
- (iv) the Issuer will give notice to the Noteholders in accordance with Euro Note Condition 14 or Luxembourg Note Condition 13 and, where relevant, the Calculation Agent of the Replacement Underlying Reference Rate and the details described in (i) above as soon as reasonably practicable but in any event no later than 5:00 p.m. (London time) on the Business Day prior to the applicable Underlying Interest Determination Date.

The determination of the Replacement Underlying Reference Rate and the other matters referred to above by the Underlying Reference Rate Determination Agent or the Calculation Agent, as applicable, will (in the absence of manifest error) be final and binding on the Issuer, the Calculation Agent and the Noteholders, unless the Issuer, the Calculation Agent or the Underlying Reference Rate Determination Agent determines at a later date that the Replacement Underlying Reference Rate is no longer substantially comparable to the Underlying Reference Rate or does not constitute an industry accepted successor rate, in which case the Calculation Agent shall appoint or re-appoint a Underlying Reference Rate Determination Agent, as the case may be (which may or may not be the same entity as the original Underlying Reference Rate Determination Agent or the Calculation Agent) for the purpose of confirming the Replacement Underlying Reference Rate or determining a substitute Replacement Underlying Reference Rate in an identical manner as described in this paragraph (c). If the replacement Underlying Reference Rate Determination Agent or the Calculation Agent, as applicable, is unable to or otherwise does not determine a substitute Replacement Underlying Reference Rate, then the Replacement Underlying Reference Rate will remain unchanged.

The Underlying Reference Rate Determination Agent may be (i) a leading bank, broker-dealer or benchmark agent in the principal financial centre of the currency of the relevant rate as appointed by the Issuer or the Calculation Agent, as applicable, (ii) the Issuer or (iii) an affiliate of the Issuer or the Calculation Agent, or (iv) such other entity that the Issuer in its sole discretion determines to be competent to carry out such role.

4. Determination of Underlying Interest Rate

The Calculation Agent will, on or as soon as practicable after each date on which the Underlying Interest Rate is to be determined (the "**Underlying Interest Determination Date**"), determine the Underlying Reference Rate (subject to any Minimum Underlying Reference Rate or Maximum Underlying Reference Rate specified in the applicable Final Terms). The Calculation Agent will notify the Agent of the Underlying Reference Rate as soon as practicable after calculating the same.

5. Minimum and/or Maximum Underlying Reference Rate

- 5.1 If the applicable Final Terms specifies a Minimum Underlying Reference Rate, then, in the event that the Underlying Reference Rate determined in accordance with the provisions of Underlying Interest Rate-Linked Note Conditions 2 or 3 above (as appropriate) is less than such Minimum Underlying Reference Rate, the Underlying Reference Rate shall be such Minimum Underlying Reference Rate.
- 5.2 If the applicable Final Terms specifies a Maximum Underlying Reference Rate, then, in the event that the Underlying Reference Rate determined in accordance with the provisions of Underlying Interest Rate-Linked Note Conditions 2 or 3 above (as appropriate) is greater than such Maximum Underlying Reference Rate, the Underlying Reference Rate shall be such Maximum Underlying Reference Rate.

6. Knock-in Event and Knock-out Event

- 6.1 If "Knock-in Event" is specified as applicable in the applicable Final Terms, then any payment under the relevant Notes which is expressed in the Conditions to be subject to a Knock-in Event shall be conditional upon the occurrence of such Knock-in Event.

If specified as applicable in the applicable Final Terms, the terms and conditions applicable to Equity Index-Linked Interest Notes or Equity Index-Linked Redemption Notes (together, "**Equity Index Linked Notes**") shall comprise either (i) the terms and conditions of the Notes (the "**Euro Note Conditions**") or (ii) the terms and conditions of the Luxembourg Notes (the "**Luxembourg Note Conditions**" and, together with the Euro Note Conditions, the "**Note Conditions**"), as specified as applicable in the applicable Final Terms, and, in each case, the additional terms and conditions for Equity Index-Linked Notes set out below (the "**Equity Index-Linked Conditions**"), together with any other additional terms and conditions specified in the applicable Final Terms, the Payout Conditions and subject to completion in the applicable Final Terms. In the event of any inconsistency between (i) the Note Conditions and/or the Equity Index-Linked Note Conditions and (ii) the applicable Final Terms, the applicable Final Terms shall prevail.

1. Market Disruption

"**Market Disruption Event**" means:-

- (a) in respect of a Composite Index either:
 - (i) (A) the occurrence or existence, in respect of any Component Security, of:
 - (1) a Trading Disruption in respect of such Component Security, which the Calculation Agent determines is material, at any time during the one hour period that ends at the relevant Valuation Time in respect of the Exchange on which such Component Security is principally traded;
 - (2) an Exchange Disruption in respect of such Component Security, which the Calculation Agent determines is material, at any time during the one hour period that ends at the relevant Valuation Time in respect of the Exchange on which such Component Security is principally traded; or
 - (3) an Early Closure in respect of such Component Security; and
 - (B) the aggregate of all Component Securities in respect of which a Trading Disruption, an Exchange Disruption or an Early Closure occurs or exists comprises 20 per cent. or more of the level of such Equity Index; or
- (ii) the occurrence or existence, in respect of futures or options contracts relating to such Equity Index, of: (a) a Trading Disruption; (b) an Exchange Disruption, which in either case the Calculation Agent determines is material, at any time during the one hour period that ends at the Valuation Time in respect of the Related Exchange; or (c) an Early Closure, in each case in respect of such futures or options contracts.

For the purposes of determining whether a Market Disruption Event exists in respect of a Component Security at any time, if a Market Disruption Event occurs in respect of such Component Security at that time, then the relevant percentage contribution of that Component Security to the level of such Equity Index shall be based on a comparison of (x) the portion of the level of the Equity Index attributable to that Component Security to (y) the

overall level of such Equity Index, in each case using the official opening weightings as published by the Index Sponsor as part of the market "opening data"; and

- (b) in the case of Equity Indices other than Composite Indices, the occurrence or existence of (i) a Trading Disruption, (ii) an Exchange Disruption, which in either case the Calculation Agent determines is material, at any time during the one hour period that (a) for the purposes of the occurrence of a Knock-in Event or a Knock-out Event begins or ends at the time when the level of such Equity Index triggers respectively the Knock-in Level or the Knock-out Level or (b) in all other circumstances ends at the relevant Valuation Time, or (iii) an Early Closure. For the purposes of determining whether a Market Disruption Event in respect of such Equity Index exists at any time, if a Market Disruption Event occurs in respect of a security included in such Equity Index at any time, then the relevant percentage contribution of that security to the level of such Equity Index shall be based on a comparison of (x) the portion of the level of such Equity Index attributable to that security and (y) the overall level of the Equity Index, in each case immediately before the occurrence of such Market Disruption Event. The Calculation Agent shall give notice as soon as practicable to the Noteholders in accordance with Euro Note Condition 14 or Luxembourg Note Condition 13, as the case may be, of the occurrence of a Disrupted Day on any day that, but for the occurrence of a Disrupted Day would have been the Strike Date, an Averaging Date, an Observation Date, the Automatic Early Redemption Valuation Date or a Valuation Date, as the case may be.

2. Adjustments to an Equity Index

2.1 Successor Index Sponsor Calculates and Reports an Equity Index

If a relevant Equity Index is (i) not calculated and announced by the Index Sponsor but is calculated and announced by a successor sponsor (the "**Successor Index Sponsor**") acceptable to the Calculation Agent, or (ii) replaced by a successor index using, in the determination of the Calculation Agent, the same or a substantially similar formula for and method of calculation as used in the calculation of that Equity Index, then in each case that index (the "**Successor Index**") will be deemed to be the Equity Index.

2.2 Modification and Cessation of Calculation of an Equity Index

If (i) on or prior to the Strike Date, the last Averaging Date, the last Observation Date, the last Valuation Date, the last Knock-in Determination Day or the last Knock-out Determination Day, the relevant Index Sponsor makes or announces that it will make a material change in the formula for or the method of calculating a relevant Equity Index or in any other way materially modifies that Equity Index (other than a modification prescribed in that formula or method to maintain that Equity Index in the event of changes in constituent stock and capitalisation and other routine events) (an "**Index Modification**"), or permanently cancels a relevant Equity Index and no Successor Index exists (an "**Index Cancellation**"), or (ii) on the Strike Date, an Averaging Date, an Observation Date, a Valuation Date, a Knock-in Determination Day or a Knock-out Determination Day, the Index Sponsor or (if applicable) the Successor Index Sponsor fails to calculate and announce a relevant Equity Index (an "**Index Disruption**" and, together with an Index Modification and an Index Cancellation, each an "**Index Adjustment Event**") then,

- (a) the Calculation Agent shall determine if such Index Adjustment Event has a material effect on the Notes and, if so, shall calculate the relevant value, level or price using, in lieu of a published level for that Equity Index, the level for that Equity Index as at the Valuation Time on that Strike Date, that Valuation Date, Observation Date, Averaging Date, Knock-in Determination Day or Knock-out Determination Day, as the case may be, as determined by the Calculation Agent in accordance with the formula for and method of calculating that Equity Index last in effect prior to the change, failure or cancellation, but using only those

securities that comprised that Equity Index immediately prior to that Index Adjustment Event; or

- (b) unless Delayed Redemption on the Occurrence of Index Adjustment Event is specified as being applicable in the applicable Final Terms, on giving notice to Noteholders in accordance with Euro Note Condition 14 or Luxembourg Note Condition 13, as the case may be, the Issuer shall redeem all but not some only of the Notes, each Note being redeemed by payment of an amount equal to the fair market value of a Note taking into account the Index Adjustment Event, less the cost to the Issuer and/or its Affiliates of unwinding any underlying related hedging arrangements, all as determined by the Calculation Agent in its sole and absolute discretion. Payments will be made in such manner as shall be notified to the Noteholders in accordance with Euro Note Condition 14 or Luxembourg Note Condition 13; or
- (c) if Delayed Redemption on the Occurrence of Index Adjustment Event is specified as being applicable in the applicable Final Terms, the Calculation Agent shall calculate the fair market value of each Note taking into account the Index Adjustment Event less the cost to the Issuer and/or its Affiliates of unwinding any underlying related hedging arrangements (the "**Calculated Index Adjustment Amount**") as soon as practicable following the occurrence of the Index Adjustment Event (the "**Calculated Index Adjustment Amount Determination Date**") and on the Maturity Date shall redeem each Note at an amount calculated by the Calculation Agent equal to (x) the Calculated Index Adjustment Amount plus interest accrued from and including the Calculated Index Adjustment Amount Determination Date to but excluding the Maturity Date at a rate equal to the Issuer's funding cost at such time or (y) if Principal Protected Termination Amount is specified as being applicable in the applicable Final Terms and if greater, at its nominal amount.

2.3 Notice

The Calculation Agent shall, as soon as practicable, notify the relevant Agent of any determination made by it pursuant to paragraph 2.2 above and the action proposed to be taken in relation thereto and such Agent shall make available for inspection by Noteholders copies of any such determinations.

3. Correction of Equity Index
