

## Press release

Luxembourg, 15 September 2009

### **BGL employees show their solidarity:**

#### **A EUR 5,000 cheque for *Parkinson Luxembourg asbl***

On Monday, 14 September 2009, Carlo Thill, President of the *Cercle Amical et Sportif* (CAS) and Chairman of the BGL Management Board, presented a EUR 5,000 cheque to *Parkinson Luxembourg asbl*, a non-profit association represented by its president Roseline Lentz. The ceremony was attended by representatives of the bank's employees and the association.

The handover ceremony marked the culmination of the Sport, Health and Environment Day organised on 8 July in the BGL grounds. In keeping with the bank's ongoing commitment over many years to offering employees a healthy, attractive and motivating workplace environment, the event was held to present the sporting and cultural activities of the various sections of the bank's CAS, and to raise awareness of environmental issues. The Sport, Health and Environment Day proved a resounding success, as it is every year, and attracted a large number of employees.

The success of the Day was also reflected in a massive display of solidarity by the bank's staff, evidenced by the traditional race around BGL headquarters, participation in the day's other activities and events, and the interest shown in *Parkinson Luxembourg asbl*, which operated an information booth throughout the day.
