BGL BNP Paribas opens renovated premises in Schifflange

Eco-friendly construction the rule

BGL BNP Paribas's Schifflange branch celebrated the re-opening of its renovated office with a reception on Tuesday, 5 October 2010.

Taking advantage of increased area, the branch has extended and upgraded its client service area. New partitioned areas have been set up to protect clients' privacy during meetings, and modern equipment ensures that banking transactions are processed quickly and efficiently. To ease queuing, clients take numbered tickets on arrival. The Schifflange branch has a strong-room with 216 safe-deposit boxes of various sizes, as well as an ATM and a night safe that are both accessible 24/7.

Sustainable development came in for special attention during the renovation, with both materials and functional features selected for eco-friendliness.

The branch first opened at 36-38, avenue de la Libération in Schifflange in June 1967, and business has steadily expanded since then under the leadership of the first manager Jean-Baptiste Girst and his successors — René Kennerknecht in 1984, Jean-Claude Altmann in 1990, Aloyse Clees in 1996 and Lydie Malget in 2004. The present manager, Monica Duarte, took the helm in 2009. She is assisted by deputy manager Cristina Pinto.

Branch manager Monica Duarte and her team of five are at the service of their clients from 9.00 a.m. to noon and from 1.30 p.m. to 4.30 p.m., Monday to Friday, and to 6.30 p.m. on Wednesday by appointment.
