

PRESS RELEASE
BGL BNP Paribas backs Autisme Luxembourg
Presentation of two cheques for a total of EUR 10.000

At a ceremony at corporate headquarters on 23 January 2012, BGL BNP Paribas presented the Autisme Luxembourg association with two cheques for a total of EUR 10,000. This followed the decision of the bank's Business Banking and Corporate & Investment Banking (Cash Management) departments to replace traditional year-end presents with a joint donation to the association. The event was attended by representatives of the two departments as well as of the association.

Autisme Luxembourg was founded in 1981 as a non-profit organisation dedicated to people suffering from pervasive developmental disorders (PDDs). It supports and assists children and adults with PDDs, as well as their families. To mark its 30th birthday, and largely thanks to the donation from BGL BNP Paribas, Autisme Luxembourg recently published 'Mat Léift zoubereet', a book of jam-based recipes created by top chefs from Luxembourg and Grande Région.

This initiative is a fresh illustration of BGL BNP Paribas' commitment to corporate social responsibility and the bank's active participation in the country's social life.
