

PRESS RELEASE

PRESENTATION OF A EUR 5,000 DONATION TO MÉDECINS SANS FRONTIÈRES

The employees of the BNP Paribas Group in Luxembourg run for a good cause

At a reception organised on 14 September 2016, Carlo Thill, Country Head of the BNP Paribas Group and Chairman of the Management Board of BGL BNP Paribas, and Marc Lenert, member of the Management Board of BGL BNP Paribas and Chairman of the Bank's "Cercle Amical et Sportif" sports and recreation association, presented a cheque for EUR 5,000 to Dr Guy Berchem, Chairman of the Board of Directors, and to Janet Steinmetzer, Major Gifts and Partnerships Manager, of Médecins Sans Frontières Luxembourg.

The cheque was presented following the participation of more than 100 employees of the BNP Paribas Group in Luxembourg in the Luxembourg Marathon on 28 May. To support them in their efforts, the management of the BNP Paribas Group in Luxembourg committed to making a donation proportional to the number of runners crossing the finish line. It is the eleventh consecutive year in which the participation of the Group's employees in Luxembourg has enabled a contribution to a charitable organisation.

This year, the funds raised will go to Médecins Sans Frontières (MSF) Luxembourg, which is celebrating its 30th anniversary in 2016. MSF's Luxembourg section coordinates operational research for the missions and supports operations on the ground by finding human and financial resources.

At the cheque presentation ceremony, Dr Berchem expressed his gratitude for the Group's support of MSF Luxembourg. On the occasion of MSF Luxembourg's 30th anniversary, the organisation has decided to allocate all the funds collected this year to all of its medical and humanitarian actions in more than 70 countries around the world.

Marc Lenert took the opportunity of the ceremony to thank the Group's employees in Luxembourg who participated in the 2016 Marathon: "I warmly thank the runners from the BNP Paribas Group in Luxembourg for their dedicated participation in this race. Their efforts have made possible the donation that we are presenting this evening to Médecins Sans Frontières.

As a company, we are very aware of our social responsibility, and an event like the Marathon is a wonderful opportunity to combine sport and social commitment."

About Médecins Sans Frontières

Founded in 1971, Médecins Sans Frontières (MSF) provides medical care to the victims of armed conflicts and natural or man-made disasters throughout the world. The teams of doctors, nurses, epidemiologists, logisticians, and specialists in water and waste treatment work relentlessly in more than 70 countries to care for and ease the suffering of people in dire need of aid.

In recognition of its values of independence, neutrality and impartiality as well as the work accomplished by its members at home and abroad, MSF was awarded the Nobel Peace Prize in 1999.

The Luxembourg section of MSF (www.msf.lu) was created in 1986. The priorities of MSF Luxembourg are to support the actions and the medical assistance provided to the victims of humanitarian crises through the collection of donations and the recruitment of personnel. Through its operational research unit LuxOR, MSF Luxembourg improves the quality of the programmes and operations by continually increasing the organisation's expertise and effectiveness on the ground.
