

GLOBAL INVEST ACTION START

Equity execution and advisory
services for active investors

You are an active investor on financial markets? You want a straightforward, effective platform for placing online and over-the-phone orders, competitive pricing (from EUR 25/order) and advisory services on demand?

BENEFITS OF GLOBAL INVEST ACTION START

- Advice on demand on stocks, ETFs and certificates across an investment universe of more than 8,000 securities and 40 financial centres
- Direct access to financial markets
- Phone/email access to an investment advisor from Personal Investors¹⁾ between 8:30 am and 7:00 pm (including public holidays if the main stock exchanges are open)
- Fast execution of orders placed over-the-phone²⁾, without additional costs, or online via BGL BNP Paribas Web Banking
- Daily news updates sent by email and accessible via Web Banking
- Regular emails with daily and weekly index analyses and trading ideas
- GLOBAL INVEST, our magazine for investors
