Secondary Trading

Daily price indications including accrued interest will be published on Reuters.

No representation is made as to the existence of a market for the Certificates. BNP Paribas Arbitrage S.N.C. will endeavour to make a secondary market in the Certificates, subject to it being satisfied that normal market conditions prevail. Any prices indicated will be dependent upon factors affecting or likely to affect the value of the Certificates such as, but not limited to, the remaining time to the Redemption Date, the outstanding principal amount, the Issuer's or, if applicable, the Guarantor's credit risk, the performance and volatility of the underlying asset, interest rates, exchange rates, credit spreads, and any incidental costs. To the extent BNP Paribas Arbitrage S.N.C. holds Certificates that it can offer and subject to it being satisfied that normal market conditions prevail, such prices will have a bid-offer spread no greater than 1%. Such bid-offer spread might be extended to 3% maximum, subject to market conditions.

Holders should be aware that the secondary market price for any Security quoted on or after the fourth (4th) Clearing System business day preceding any date on which the Issuer is due to make a payment thereon, shall exclude the amount so payable per Security. The Holder of the Securities on the record date, as determined by the rules of the relevant Clearing System, shall be entitled to receive or retain any such amount on the due date for payment thereof.

IMPORTANT INFORMATION

Investor Responsibilities

The Certificates will be offered to the public in Luxembourg however no action has been or will be taken in any other jurisdiction that would, or is intended to, permit a public offering of the Certificates.

The Certificates are sold to you as principal and on the understanding that you will comply with all relevant securities laws and public offer requirements in the jurisdictions in which you place or resell the Certificates, including, without limitation, Directive 2003/71/EC (the EU Prospectus Directive) as amended (which includes the amendments made by Directive 2010/73/EU the "2010 PD Amending Directive") and the relevant implementing measures in any EU member state. As you may not be the only purchaser of the Certificates from us, any public offer exemption relying on offers only being made to a restricted number of investors (classified by type or location, as applicable) will no be available.

Selling Restrictions

The Certificates may not be offered or sold in the United States or to U.S. persons at any time (as defined in regulation S under the U.S. Securities Act of 1933 or the U.S. internal revenue code). The Certificates have not been and will not be registered under the U.S. Securities Act of 1933, as amended, or the securities laws of any state in the United States, and are subject to U.S. tax requirements. In purchasing the Certificates you represent and warrant that you are neither located in the United States nor a U.S. person and that you are not purchasing for the account or benefit of any such person. The Certificates may not be offered, sold, transferred or delivered without compliance with all applicable securities laws and regulations.

Risk Analysis

The Securities have no capital protection at any time and there can be a partial or total loss of any capital invested. Investment in the Securities is therefore highly speculative and should only be considered by persons who can afford to lose their entire investment.

BNP Paribas is not providing the recipients of this document with any investment advice or recommendation to enter into any potential transaction. Any purchaser of Certificates, other than a BNP Paribas counterparty or distributor, will be purchasing the Certificates from such counterparty or distributor and will have no contractual relationship with BNP Paribas or any of its affiliates. In particular BNP Paribas will not be responsible for assessing the appropriateness or suitability of an investment in the Certificates in relation to such third parties. This document should be read together with the Base Prospectus and the applicable Final Terms for the Certificates. Any proposed issuance described in this document cannot be fully assessed without a careful review of the terms and conditions contained in the Base Prospectus and the Final Terms. In particular, potential investors should carefully read the sections headed "Risk Factors" in the Base Prospectus [and the Final Terms] for a full description of the potential risks associated with the Certificates, and "Offering and Sale", for certain limitations on the purchase and onward sales of the Certificates.

Any indicative price quotations, investment cases or market analysis contained in this document or any related marketing materials we may have provided to you have been

prepared on assumptions and parameters that reflect our good faith judgement or selection but must be subject to your own independent analysis and due diligence before you make any investment decision. Please note that there can be conflicts of interests between BNP Paribas and potential investors (see below) and we can therefore not assume any responsibility for the financial consequences of your investment decision, which must be independent. We require that you undertake your own independent due diligence and avail yourself of your own advisors in order to assess the suitability of Certificates in relation to your own financial objectives. Accordingly, if you decide to purchase Certificates, you will be deemed to understand and accept the terms, conditions and risks associated with the Certificates. You will also be deemed to act for your own account, to have made your own independent decision to purchase the Certificates and to declare that such transaction is appropriate for you based upon your own judgement the advice from such advisers as you have deemed necessary to consult. Each holder of the Certificates shall also be deemed to assume and be responsible for any and all taxes of any jurisdiction or governmental or regulatory authority and should consult their own tax advisers in this respect.

You should note and assess for the purposes of any investment decision that members of the BNP Paribas group may face possible conflicts of interest in connection with certain duties under the Certificates, such as trading in an underlying for their own account or for the account of others, receiving fees in a number of capacities or taking market views which are not consistent with the objective of the Certificates.
